<p>Office of Juvenile Justice and Delinquency Prevention (OJJDP) FY 2025 Virginia Title II Formula Grants Program Funding Opportunity 528916</p>

Acceptance of this grant award by the subrecipient (“subgrantee”) constitutes its agreement that it assumes full responsibility for the management of all aspects of the grant and the activities funded by the grant, including assuring proper fiscal management of and accounting for grant funds; assuring that personnel paid with grant funds are hired, supervised and evaluated in accordance with established employment and personnel policies; and assuring that all terms, conditions and assurances--those submitted with the grant application, and those issued with this award--are complied with.

By signing the Statement of Grant Award/Acceptance, the subgrantee agrees to:

- Use the grant funds to carry out the activities described in the grant application, as modified by the terms and conditions attached to this award or by subsequent amendments approved by DCJS;
- Adhere to the approved budget contained in this award and amendments made to it in accord with these terms and conditions; and,
- Comply with all terms, conditions and assurances either attached to this award or submitted with the grant application.

1. National Environmental Policy Act Compliance

The OJJDP Title II Part B Formula Grant Program supports state and local efforts to plan, establish, operate, coordinate and evaluate policies and projects, directly or through grants and contracts with public and private agencies, for the development of more effective education, training, research, prevention, diversion, treatment, and rehabilitation programs in the area of juvenile delinquency and programs to improve the juvenile justice system.

All recipients of Title II funding must assist OJJDP in complying with NEPA and other related federal environmental impact analyses requirements in the use of grant funds, whether the funds are used directly by the grantee or by a subgrantee or third party. Accordingly, prior to obligating funds under this award for any of the specified activities, the grantee must first confer with OJJDP to determine if further environmental analysis is required.

The specified activities requiring environmental analysis are:

- a. New construction;
Use of Formula Grant funds for construction is generally prohibited, pursuant to 42 U.S.C.5674(b), except for the construction of an innovative community-based facility for fewer than 20 persons which, in the judgment of the OJJDP Administrator, is necessary to carry out the purposes of the Formula Grant Program. "Construction" is defined at 42 U.S.C.103(10) as "acquisition, expansion, remodeling, and alteration of existing buildings, and initial equipment of any such buildings, or any combination of such activities (including architects' fees but not the cost of acquisition of land for buildings...
- b. Any renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;
- c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;
- d. Research and technology whose anticipated and future application could be expected to have an effect on the environment; and
- e. Implementation of a program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments.

Complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by OJJDP. Please be sure to carefully review the grant conditions on your award document, as they may contain more specific information about environmental compliance.

Application of this Special Condition to Recipient/ subrecipient's Existing Programs or Activities:

For any of the recipient's or subrecipient's existing programs or activities that will be funded by these grant funds, the recipient/ subrecipient, upon specific request from OJJDP, agrees to cooperate with OJJDP in any preparation by OJJDP of a national or program environmental assessment of that funded program or activity.

Questions about this determination may be directed to grant manager Environmental Coordinator for the OJJDP.

2. Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the recipient/ subrecipient that relate to conduct during the period of performance also is a material requirement of this award.

Limited Exceptions. In certain special circumstances, the U.S. Department of Justice ("DOJ") may determine that it will not enforce, or enforce only in part, one or more requirements otherwise applicable to the award. Any such exceptions regarding enforcement, including any such exceptions made during the period of performance, are (or will be during the period of performance) set out through the Office of Justice Programs ("OJP") webpage entitled "Legal Notices: Special circumstances as to particular award conditions"

(<https://ojp.gov/funding/Explore/LegalNotices-AwardReqs.htm>), and incorporated by reference into the award.

By signing and accepting this award on behalf of the subrecipient, the authorized subrecipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized subrecipient official, all assurances or certifications submitted by or on behalf of the subrecipient that relate to conduct during the period of performance.

Failure to comply with any one or more of these award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or a certification or assurance related to conduct during the award period -- may result in the Office of Justice Programs ("OJP") or the Department of Criminal Justice Services (DCJS) taking appropriate action with respect to the subrecipient and the award. Among other things, the OJP and DCJS may withhold award funds, disallow costs, or suspend or terminate the award. The Department of Justice ("DOJ"), including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

3. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this award.

The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this award supplements funds previously awarded by DCJS and OJP under the same award number (e.g., funds awarded during or before December 2014), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this award.

In the event that an award-related question arises from documents or other materials prepared or distributed by DCJS and OJP *that* may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the subgrantee is to contact DCJS promptly for clarification.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the OJP website at <https://ojp.gov/funding/Part200UniformRequirements.htm>.

3.1. Record Retention and Access:

Records pertinent to the award must retain -- typically for a period of 3 years from the date of submission of the final expenditure report, unless a different retention period applies -- and to which the recipient/ subrecipient ("subgrantee") at any tier must provide access, include performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.334.

In the event that an award-related question arises from documents or other materials prepared or distributed by DCJS that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient/ subrecipient is to contact DCJS promptly for clarification.

4. Compliance with DOJ Grants Financial Guide

References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at <https://ojp.gov/financialguide/DOJ/index.htm>), including any updated version that may be posted during the period of performance. The recipient/ subrecipient agrees to comply with the DOJ Grants Financial Guide.

5. Reclassification of various statutory provisions to a new Title 34 of the United States Code

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified (that is, moved and renumbered) to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

6. Requirements related to "de minimis" indirect cost rate

A recipient and any subrecipient that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise DCJS in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.

7. Requirement to report potentially duplicative funding

If the recipient/ subrecipient currently has other active awards of federal funds, or if the recipient/ subrecipient receives any other award of federal funds during the period of performance for this award, the recipient/ subrecipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the subgrantee must promptly notify DCJS in writing of the potential duplication, and, if so requested by DCJS, must seek a budget-modification or change-of-project-scope to eliminate any inappropriate duplication of funding.

8. Requirements related to System for Award Management and Universal Identifier Requirements

The subrecipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/SAM/>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The subrecipient must maintain a valid UEI number (a unique twelve alphanumeric characters used for identifying and keeping track of entities receiving federal funds). Subrecipients must be registered in SAM to receive an award and must maintain an active registration for the entire period of the award. A person or entity debarred or suspended is excluded from federal financial assistance and benefits under federal programs and activities.

If the search returns that any organization has an active exclusion record, DCJS will not award or permit any award at any level to any party which is debarred or suspended from participation in Federal assistance programs.

If the grantee is found to have exclusion after the grant has been award, encumbrances will be placed on all active awards. Stop payment will begin on any pending payment claims. Audits will begin to verify compliance of all awards. DCJS will pursue repayment of funds that were expended during the exclusion period. If the subrecipient fails to remit funds owed to DCJS, the funds will then be deemed uncollectible debt by DCJS. Uncollectible debt will be reported to the Virginia Department of Taxation Debt Set Off program, Office of the Attorney General and third-party collections. DCJS may add fees, fines and penalties to the original amount of the debt owed.

9. Employment eligibility verification for hiring under the award

1. The recipient (and any subrecipient at any tier) must:

A. Ensure that, as part of the hiring process for any position within the United States that is or will be funded (in whole or in part) with award funds, the recipient (or any subrecipient) properly verifies the employment eligibility of the individual who is being hired, consistent with the provisions of 8 U.S.C. 1324a(a)(1).

B. Notify all persons associated with the recipient (or any subrecipient) who are or will be involved in activities under this award of both:

(1) this award requirement for verification of employment eligibility, and

(2) the associated provisions in 8 U.S.C. 1324a(a)(1) that, generally speaking, make it unlawful, in the United States, to hire (or recruit for employment) certain aliens.

C. Provide training (to the extent necessary) to those persons required by this condition to be notified of the award requirement for employment eligibility verification and of the associated provisions of 8 U.S.C. 1324a(a)(1).

D. As part of the recordkeeping for the award (including pursuant to the Part 200 Uniform Requirements), maintain records of all employment eligibility verifications pertinent to compliance with this award condition in accordance with Form I-9 record retention requirements, as well as records of all pertinent notifications and trainings.

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

4. Rules of construction

A. Staff involved in the hiring process.

For purposes of this condition, persons "who are or will be involved in activities under this award" specifically includes (without limitation) any and all recipient (or any subrecipient) officials or other staff who are or will be involved in the hiring process with respect to a position that is or will be funded (in whole or in part) with award funds.

B. Employment eligibility confirmation with E-Verify For purposes of satisfying the requirement of this condition regarding verification of employment eligibility, the recipient (or any subrecipient) may choose to participate in, and use, E-Verify (www.e-verify.gov), provided an appropriate person authorized to act on behalf of the recipient (or subrecipient) uses E-Verify (and follows the proper E-Verify procedures, including in the event of a "Tentative Nonconfirmation" or a "Final Nonconfirmation") to confirm employment eligibility for each hiring for a position in the United States that is or will be funded (in whole or in part) with award funds.

C. "United States" specifically includes the District of Columbia, Puerto Rico, Guam, the Virgin Islands of the United States, and the Commonwealth of the Northern Mariana Islands.

D. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, or any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

E. Nothing in this condition, including in paragraph 4.B., shall be understood to relieve any recipient, any subrecipient at any tier, or any person or other entity, of any obligation otherwise imposed by law, including 8 U.S.C. 1324a(a)(1).

Questions about E-Verify should be directed to DHS. For more information about E-Verify visit the E-Verify website (<https://www.e-verify.gov/>) or email E-Verify at E-Verify@dhs.gov. E-Verify employer agents can email E-Verify at E-VerifyEmployerAgent@dhs.gov.

Questions about the meaning or scope of this condition should be directed to DCJS before award acceptance.

The recipient's/ subrecipient's breach procedures must include a requirement to report actual or imminent breach of PII to DCJS no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

11. All subawards ("subgrants") must have specific federal authorization

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any subaward are posted on the OJP web site at <https://ojp.gov/funding/Explore/SubawardAuthorization.htm> (Award condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.

12. Specific post-award approval required to use a noncompetitive approach in any procurement contract that would exceed \$250,000

This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at <https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm> (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$250,000)), and are incorporated by reference here.

13. Unreasonable restrictions on competition under the award; association with federal government

SCOPE. This condition applies with respect to any procurement of property or services that is funded (in whole or in part) by this award, whether by the recipient or by any subrecipient at any tier, and regardless of the dollar amount of the purchase or acquisition, the method of procurement, or the nature of any legal instrument used. The provisions of this condition must be among those included in any subaward (at any tier).

1. No discrimination, in procurement transactions, against associates of the federal government Consistent with the (DOJ) Part 200 Uniform Requirements -- including as set out at 2 C.F.R. 200.300 (requiring awards to be "manage[d] and administer[ed] in a manner so as to ensure that Federal funding is expended and associated programs are implemented in full accordance with U.S. statutory and public policy requirements") and 200.319(a) (generally requiring "[a]ll procurement transactions [to] be conducted in a manner providing full and open competition" and forbidding practices "restrictive of competition," such as "[p]lacing unreasonable requirements on firms in order for them to qualify to do business" and taking "[a]ny arbitrary action in the procurement process") -- no recipient (or subrecipient, at any tier) may (in any procurement transaction) discriminate against any person or entity on the basis of such person or entity's status as an "associate of the federal government" (or on the basis of such person or entity's status as a parent, affiliate, or subsidiary of such an associate), except as expressly set out in 2 C.F.R. 200.319(a) or as specifically authorized by USDOJ.

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

4. Rules of construction

A. The term "associate of the federal government" means any person or entity engaged or employed (in the past or at present) by or on behalf of the federal government -- as an employee, contractor or subcontractor (at any tier), grant recipient or -subrecipient (at any tier), agent, or otherwise -- in undertaking any work, project, or activity for or on behalf of (or in providing goods or services to or on behalf of) the federal government, and includes any applicant for such employment or engagement, and any person or entity committed by legal instrument to undertake any such work, project, or activity (or to provide such goods or services) in future.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Postaward Requirements" in the "DOJ Grants Financial Guide").

16. Requirement for data on performance and effectiveness under the award

The subrecipient must collect and maintain data that measure the performance and effectiveness of work under this award. The data must be provided to DCJS in the manner (including within the timeframes) specified by DCJS in the program solicitation or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, and other applicable laws.

17. OJP Training Guiding Principles

Any training or training materials that the recipient -- or any subrecipient ("subgrantee") at any tier -- develops or delivers with OJP award funds must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at

<https://ojp.gov/funding/Implement/TrainingPrinciplesForGrantees-Subgrantees.htm>.

18. Effect of failure to address audit issues

19. Potential imposition of additional requirements

The recipient/ subrecipient agrees to comply with any additional requirements that may be imposed by the DCJS and/or DOJ during the period of performance for this award, if the recipient/ subrecipient is designated as "high-risk" for purposes of the DCJS and DOJ high-risk grantee list.

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38 (as may be applicable from time to time), specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries. Currently, among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38, currently, also sets out rules and requirements that pertain to recipient and subrecipient ("subgrantee") organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based or religious organizations.

The text of 28 C.F.R. Part 38 is available via the Electronic Code of Federal Regulations (currently accessible at <https://www.ecfr.gov/cgi-bin/ECFR?page=browse>), by browsing to Title 28-Judicial Administration, Chapter 1, Part 38, under e-CFR "current" data.

23. Restrictions on "lobbying"

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

24. Compliance with general appropriations-law restrictions on the use of federal funds (FY2020 and FY 2022)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various "general provisions" in the Consolidated Appropriations Act, 2022, are set out at <https://ojp.gov/funding/Explore/FY21AppropriationsRestrictions.htm>, and <https://www.ojp.gov/funding/explore/award-condition-general-appropriations-law-restrictions-use-federal-award-funds-fy-2020>, and are incorporated by reference here.

Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient/ subrecipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

25. Reporting Potential Fraud, Waste, and Abuse, and Similar Misconduct

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by:

No subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the subrecipient—

b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

2. If the subrecipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both—

a. it represents that—

(1) it has determined that no other entity that the recipient's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

27. Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)

The recipient (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

The recipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the subgrantee is to contact DCJS for guidance.

For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the subrecipients past performance, or other programmatic or financial concerns with the recipient.

The recipient's disclosure must include the following:

1. The federal awarding agency that currently designates the recipient high risk,
2. The date the subrecipient was designated high risk,

Cost of attendance will be borne by the recipient as an administrative cost to the grant or paid from State Advisory Group set aside funds under Section 222(d), as appropriate.

31. The recipient agrees that, as required by federal law (31 U.S.C. 1301(a)),

the funds allocated to support its State Advisory Group (SAG) pursuant to 34 U.S.C. 11132(d) must be expended in a manner consistent with the purposes set forth at 34 U.S.C.

11133(a)(3)(B), (C), and (D). If the recipient's SAG chooses to use a portion of its limited formula grant set-aside for organizational membership fees, such costs are only allowable if those costs meet the requirements of 2 C.F.R. 200.454. The use of federal funds for 1) cash or in-kind contributions, 2) donations, or 3) payment of membership fees in organizations substantially engaged in lobbying, is specifically prohibited by 2 C.F.R. 434 and 454.

33. Federal Funding Accountability and Transparency Act of 2006 (FFATA) reporting

The recipient/ subrecipient must comply with applicable requirements to report first-tier subawards ("subgrants") of \$30,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients (first-tier "subgrantees") of award funds. The details of recipient/ subrecipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the OJP web site at <https://ojp.gov/funding/Explore/FFATA.htm> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here.

This condition, including its reporting requirement, does not apply to-- (1) an award of less than \$30,000, or (2) an award made to an individual who received the award as a natural (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

34. Authority to obligate award funds contingent on no use of funds to interfere with federal law enforcement:

Information-communication restrictions; unallowable costs; notification

1. If the recipient is a "State," a local government, or a "public" institution of higher education:
 - A. The recipient may not obligate award funds if, at the time of the obligation, the "program or activity" of the recipient (or of any subrecipient at any tier that is a State, a local government, or a public institution of higher education) that is funded wholly or partly with award funds is subject to any "information-communication restriction."
 - B. In addition, with respect to any project costs it incurs "at risk," the recipient may not obligate award funds to reimburse itself if -- at the time it incurs such costs -- the program or activity of the recipient (or of any subrecipient, at any tier, described in par. 1.A of this condition) that would be reimbursed wholly or partly with award funds was subject to any information-communication restriction.
 - C. Any drawdown of award funds by the recipient shall be considered, for all purposes, to be a material representation by the recipient and/or subrecipient to OJP that, as of the date the recipient and/or subrecipient requests the drawdown, the recipient and each subrecipient (regardless of tier) described in par. 1.A of this condition, is in compliance with the award condition entitled "No use of funds to interfere with federal law enforcement: information-communication restrictions; ongoing compliance."
 - D. The recipient and/or subrecipient must promptly notify DCJS and OJP (in writing) if the recipient, from its requisite monitoring of compliance with award conditions or otherwise, has credible evidence that indicates that the funded program or activity of the recipient, or of any subrecipient (at any tier) described in paragraph 1.A of this condition, may be subject to any information communication-restriction. Also, any subaward (at any tier) to a subrecipient described in paragraph 1.A of this condition must require prompt notification to the entity that made the subaward, should the subrecipient have such credible evidence regarding an information-communication restriction.

2. Any subaward (at any tier) to a subrecipient described in par. 1.A of this condition must provide that the subrecipient may not obligate award funds if, at the time of the obligation, the program or activity of the subrecipient (or of any further such subrecipient at any tier) that is funded in whole or in part with award funds is subject to any information communication restriction.

3. Absent an express written determination by DOJ to the contrary, based upon a finding by DOJ of compelling circumstances (e.g., a small amount of award funds obligated by the recipient at the time of a subrecipient's minor and transitory non-compliance, which was unknown to the recipient despite diligent monitoring), any obligations of award funds that, under this condition, may not be made shall be unallowable costs for purposes of this award. In making any such determination, DOJ will give great weight to evidence submitted by the recipient that demonstrates diligent monitoring of subrecipient compliance with the requirements set out in the "Noninterference ... information communication restrictions; ongoing compliance" award condition.

4. Rules of Construction

A. For purposes of this condition "information-communication restriction" has the meaning set out in the "Noninterference ... information-communication restrictions; ongoing compliance" condition.

B. Both the "Rules of Construction" and the "Important Note" set out in the "Noninterference ... information communication restrictions; ongoing compliance" condition are incorporated by reference as though set forth here in full.

B. Also, with respect to any project costs it incurs "at risk," the recipient may not obligate award funds to reimburse itself if -- at the time it incurs such costs -- the program or activity of the recipient (or of any subrecipient, at any tier, described in par. 1.A of this condition) that would be reimbursed wholly or partly with award funds was subject to any information-communication restriction.

C. Any drawdown of award funds by the recipient shall be considered, for all purposes, to be a material representation by the recipient and/or subrecipient to OJP that, as of the date the recipient and/or subrecipient requests the drawdown, the recipient and each

subrecipient (regardless of tier) described in par. 1.A of this condition, is in compliance with the award condition entitled "Noninterference (within the funded 'program or activity') with federal law enforcement: information-communication restrictions; ongoing compliance."

- D. The recipient and/or subrecipient must promptly notify DCJS and OJP (in writing) if the recipient, from its requisite monitoring of compliance with award conditions or otherwise, has credible evidence that indicates that the funded program or activity of the recipient, or of any subrecipient (at any tier) described in par. 1.A of this condition, may be subject to any information communication-restriction. Also, any subaward (at any tier) to a subrecipient described in paragraph 1.A of this condition must require prompt notification to the entity that made the subaward, should the subrecipient have such credible evidence regarding an information-communication restriction.

3. Absent an express written determination by DOJ to the contrary, based upon a finding by DOJ of compelling circumstances (e.g., a small amount of award funds obligated by the recipient at the time of a subrecipient's minor and transitory non-compliance, which was unknown to the recipient despite diligent monitoring), any obligations of award funds that, under this condition, may not be made shall be unallowable costs for purposes of this award. In making any such determination, DOJ will give great weight to evidence submitted by the recipient that demonstrates diligent monitoring of subrecipient compliance with the requirements set out in the "Noninterference ... information communication restrictions; ongoing compliance" award condition.

Failure to comply with any one or more of these award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or a certification or assurance related to conduct during the award period -- may result in the Office of Justice Programs ("OJP") or the Department of Criminal Justice Services (DCJS) taking appropriate action with respect to the subrecipient and the award.
