2. Financial management systems

All grantees are required to establish and maintain adequate accounting systems and financial records and to accurately account for funds awarded to them. They must have a financial management system in place that is able to record and report on the receipt, obligation, and expenditure of grant funds. Grantees must properly track the use of award funds and maintain adequate supporting documentation including maintaining proper documentation for all paid grant and match staff and volunteer time reported.

6. Record retention and access

Records pertinent to the award must be retained for a period of three (3) years from the date of submission of the final expenditure report. Grantees must provide access, including performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records.

7. Non-Supplanting requirement

State appropriations are typically allocated for specific purposes. Therefore, funds made available through this award should not be used to replace State or local funds that would, in the absence of this grant, be made available for the same purposes. Please contact the Grant Monitor for questions or concerns regarding this condition.

8. Travel policy

Grantees may follow their own established travel rates if they have an established travel policy. DCJS reserves the right to determine the reasonableness of an organization's travel policy. If the grantee does not have an established policy, then they must adhere to State travel policy. DCJS allows reimbursement for actual reasonable expenses and meals according to per diem. The submission deadline for budget amendments is 45 days prior to the end of the grant period. Changes in grant funded staff and authorized officials must be made in a contract amendment within 30 days of the change occurring.

11. Financial audits

The grantee agrees to forward, to DCJS or to the Auditor of Public Accounts, a copy of the grantee's scheduled financial statement audit for the fiscal year that covers the grant award period.

12. Project income

Any funds generated as a direct result of DCJS grant-funded projects are deemed project income. Program income earnings and expenditures both must be reported quarterly to DCJS. Examples of project income might include service fees; client fees; usage or rental fees; sales of materials; and income received from sale of seized and forfeited assets (cash, personal or real property included).

13. Required reports

The grantee agrees to submit, on or before scheduled due dates, such reports as required by DCJS. This includes filing required reports using the On-line Grants Management Information System (OGMS). Any delegation of responsibility for carrying out grant-funded activities to an office or department not a part of the local government must be pursuant to a written memorandum of understanding by which the implementing office or department agrees to comply with all applicable grant terms, conditions and assurances. Any such delegation notwithstanding, the applicant acknowledges by its acceptance of the award its ultimate responsibility for compliance with all terms, conditions and assurances of the grant award.

15. Requirement to report potentially duplicative funding

If the subgrantee currently has other active awards of federal funds, or if the subgrantee receives any other award of federal funds during the period of performance for this award, the subgrantee promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the subgrantee must promptly notify DCJS in writing of the potential duplication, and, if so, requested by DCJS, must seek a budget-modification or change-of-project-scope to eliminate any inappropriate duplication of funding.

16. Procurement

All purchases for goods and services must comply with local established written procurement policies. If a grantee does not have an established written policy, then they must adhere to the Virginia Public Procurement Act:

<https://dgs.virginia.gov/procurement/policy-consulting--review/policy/>.

Procurement transactions, whether negotiated or advertised and without regard to dollar value, shall be conducted in a manner to provide maximum open and free competition.

Any exemption to this regulation requires the prior approval of DCJS and is only given in unusual circumstances. Any request for exemption must be submitted in writing to DCJS.

17. Nondiscrimination under state grants and programs

No person shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination on the basis of race, color, religion, national origin, sex, pregnancy, childbirth or related medical conditions, age, marital status, sexual orientation, gender identity, disability, or status as a veteran under any program or activity receiving state financial assistance or under any program or activity conducted by or on behalf of any state agency.

The formal grant awards that DCJS enters into with all recipients require compliance with all applicable federal, state, and local laws, regulations, executive orders and ordinances related to expenditure of the grant money and the activities financed with the grant money.

The grantee agrees to comply with the applicable Grant Program Guidelines and Attachments.

19. Personnel Cost

20. Consultants

The grantee acknowledges that consultants paid with award funds generally may not be paid at a rate in excess of \$81.25 per hour, not to exceed \$650 per day. To exceed this specified maximum rate, grantees must submit to DCJS a detailed justification and have such justification approved by DCJS, prior to obligation or expenditure of such funds. Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, grantees are required to maintain documentation to support all daily or hourly consultant rates.

21. Suspension or Termination of Funding

DCJS may suspend (in whole or in part) or terminate funding, or impose another sanction on a grantee, for any of the following:

1. Failure to adhere to the standard terms and conditions or special conditions.
2. Failure to implement the project within 90 days of the start of the award period.
3. Implementing substantial program changes to the extent that the project is no longer aligned with the purpose of the funding.
4. Failure to submit reports (programmatic and/or financial) in a timely manner.
5. Failure to meet service objectives in the previous award period of performance.
6. Filing a false certification in this application or other report or document.

22. Additional “Action Item” encumbrances

Any additional “action item” encumbrances related to your award will be shown online via the DCJS On-Line Grant Management System (OGMS) website under menu item Grants> Encumbrances. The grantee must comply with any items listed there prior to DCJS disbursing funds.

Unless otherwise stated, these encumbrances must be met by the stated deadline in OGMS. If they remain unmet after this date, then the grantee must report to the DCJS, by letter, the steps taken to achieve compliance, the reasons for non-compliance, and the expected date of compliance. DCJS may terminate grant funding based upon unexplained or unreasonable failure to substantially comply with encumbrances within reasonable specified time frames.
