I. Introduction

The Virginia Department of Criminal Justice Services (DCJS) is accepting applications for the Virginia Opioid Use Reduction and Jail-Based Substance Use Disorder Treatment and Transition Fund (JSUT) Grant Program for State Fiscal Years (SFY) 2026 - 2028. These are competitive three-year grants.

This grant program is intended to expand access to substance use disorder (SUD) treatment and transitional services for individuals incarcerated in local and regional jails in Virginia. Funded programs may include medication assisted treatment therapies, addiction recovery and other SUD services, reentry and transitional support, or a combination of these services.

These guidelines provide detailed guidance to aid applicants in determining eligibility, justifying need, developing itemized budgets and budget narratives, and completing other related forms. Using the guidance presented in this document, applicants can efficiently and effectively prepare complete applications.

A. Grant Period

The grant period is for 36 months, July 1, 2025, through June 30, 2028. Grant funds are non-reverting, and awards will be for the three-year period to allow local and regional jails time to plan, implement, and/or enhance SUD treatment and/or transition programs within their facilities.

Grant period extensions will not be considered.

B. Funding Source

This program is currently funded by the 2024 Appropriation Act, which includes \$2,000,000 from the Commonwealth Opioid Abatement and Remediation Fund.

C. Authority, Funding Purpose, and Priority Areas

The purpose of this grant program is to expand access to SUD treatment and transitional services for individuals incarcerated in local and regional jails in Virginia. These funds can be used to plan and implement a new SUD treatment program, or expand or enhance an existing SUD treatment program, within a local or regional jail. They can also be used to plan and implement, or expand or enhance, transitional services for individuals with SUD being released from jail. Priority will be given to jails that do not currently have SUD treatment programs and regional jails that have not received funding from the Opioid Abatement Authority.

D. Amount Available

DCJS anticipates \$498,486 will be available for awards under this funding opportunity. Applicants may request up to \$150,000 total for the three-year period.

Applicants should submit a needs-based application and budget requesting the anticipated amount needed for the successful planning/implementation or enhancement/expansion of SUD treatment and transitional services within the jail setting.

DCJS has the discretion to make awards for greater or lesser amounts than requested and to negotiate the scope of work and budget with applicants prior to making an award. Award amounts for all categories are contingent upon the availability of funding and thoroughness of application, including justification of need.

E. Match

Recipients of these funds are not required to provide matching funds under this funding opportunity.

F. Disbursement of Funds

Disbursement of funds will occur on a cost-reimbursement basis for actual funds expended through a “claim” process. Actual expenditures must be reported quarterly and invoiced pursuant to approved line-item budget categories in the approved grant application. Subgrantees will only be reimbursed for costs that have been incurred within the grant period, and which are reported on the detail of expenditures (financial report). Grant funds, including matching funds, may only be expended and/or obligated during the grant period. A final claim for all obligations must be submitted within 45 days after the end of the grant period. Claims and financial reports must be submitted through the DCJS On-line Grant Management System (OGMS).

II. Applicant Eligibility Requirements

This funding opportunity is open to local and regional jails.

To be eligible for funding under this grant program, organizations:

1. Must be a local or regional jail.
2. Must not be excluded or debarred from doing business with the Commonwealth of Virginia.
3. Must be in good standing with all state agencies with which they have an existing grant or contractual relationship.
4. Must hold current professional and state licenses and certifications as needed for individual grant-funded projects.
5. Must be planning and implementing, expanding, or enhancing SUD treatment programs or transition services for those with SUD within a local or regional jail.

III. Grant Project Requirements

By applying for these grant funds, the applicant asserts they will comply with the requirements of the JSUT Grant Program.

DCJS may suspend (in whole or in part) or terminate funding, issue a Corrective Action Plan, or impose other sanctions on a subgrantee, for any of the following:

1. Failure to adhere to the standard terms and conditions or special conditions.
2. Failure to implement the planning or project within 90 days of the start of the award period.

3. Implementing substantial program changes to the extent that the project is no longer aligned with the purpose of the funding.
4. Failure to submit reports (programmatic and/or financial) in a timely manner.
5. Filing a false certification in this application or other report or document.
6. Other significant grant compliance or implementation concerns as identified by DCJS.

IV. Grant Application Technical Assistance

DCJS staff is available to provide technical assistance regarding the funding announcement and the application procedures. For guidance on preparing and submitting a grant application, please contact Cynthia Nwarache at cynthia.nwarache@dcjs.virginia.gov or (804) 659-2264.

OGMS instructions for **registering for a new account** and OGMS instructions for **applying for funding** are found here: <https://www.dcjs.virginia.gov/grants/ogms-training-resources>.

V. Grant Application Deadline

Submit applications through the DCJS Online Grants Management System (OGMS) no later than 5:00pm on Friday, April 11, 2025. Early submissions are encouraged. The OGMS link is <https://ogms.dcjs.virginia.gov/index.do>. The Funding Opportunity number is 548175.

VI. Restrictions and Limitations

A. Non supplantation

This funding opportunity is supported with special funds that must be used to supplement existing funds for program activities and must not supplant (replace) those funds that have been appropriated for the same purpose. Additionally, requests for “new” staff positions must be justified, must not supplant state or local funds, and must result in significant additional service delivery.

B. Non-allowable expenses

JSUT grant recipients may not use these grant funds to pay for:

1. Any portion of salary for the time not dedicated to approved, grant funded activities.
2. Capital construction, renovation, remodeling, or land acquisition.
3. The purchase or lease of any vehicles.
4. Firearms, ammunition, or related equipment.
5. Lobbying or political contributions.
6. Honoraria.
7. Personal entertainment, personal calls, or alcohol.

Bonuses and raises may be allowable if they are approved as part of a locality's compensation plan or approved by the Board of Directors of a non-profit organization.

Overtime pay may be allowable if it is part of the organization's compensation plan and necessary for the completion of grant approved activities.

VII. Availability of Continuation Funding

The three-year award of a JSUT grant does not guarantee funding awards in subsequent years. Should continuation funds become available, a project's implementation, performance, compliance with reporting requirements, and any special conditions placed on the grant are key factors in determining eligibility for continued funding.

VIII. Application Review Process

This is a competitive grant application process. Applications will be reviewed, evaluated, and scored based on adherence to these grant guidelines, and the clarity, substance, and strength of the request made for funding.

Reviewers may consider current and past performance, project progress and implementation, demonstrated need, geographic location, budget justification, program design and services provided, sustainability, cost effectiveness of proposed projects, adherence to grant guidelines, and the availability of funds.

Each application can earn a maximum score of 100 points. The primary grant program elements are evaluated based on ratings of Excellent, Acceptable, Marginal, or Unacceptable. Points that can be awarded for each primary grant program element are:

- ☐ Itemized Budget (10%) 0–10 points
- ☐ Budget Narrative (20%) 0–20 points
- ☐ Needs Justification (20%) 0–20 points
- ☐ Project Description (20%) 0–20 points
- ☐ Goals and Objectives (30%) 0–30 points

Bonus points will be added for programs that do not currently provide SUD treatment programming or transition services to individuals with SUD and/or are a regional jail that has not received funding from the Opioid Abatement Authority. Five bonus points will be added for each of these criteria.

Current DCJS grant recipients will not be considered for funding if, as of the application due date, any of the required claims, financial reports (detail of expenditure reports in OGMS) or progress reports (status reports in OGMS) for the current grant are more than 30 days overdue. DCJS may waive this provision for good cause, which may be submitted via a budget amendment reporting extension in OGMS.

The Criminal Justice Services Board (CJSB) is expected to make award

determinations at its meeting in June 2025. Award determinations are final and may not be appealed.

DCJS will issue grant awards based on approval from the CJSB. Fiscal and/or programmatic revisions may be required as a condition of funding; such revisions must be submitted in OGMS prior to project initiation.

IX. Application Instructions

Grant applications must be entered in OGMS (<https://ogms.dcjs.virginia.gov>). Register and/or confirm existing registration at least two weeks prior to the application due date to ensure that the individual who will be submitting the application has OGMS access. To apply for this grant, select Funding Opportunity 548175, SFY2026-2028JSUT.

Report the amount of funds requested by category: Personnel, Fringe Benefits, Consultants, Travel, Subsistence and Other Travel, Equipment, Supplies and Other Expenses, and Indirect Costs. Funding reported on the grid should represent the whole grant period. Include matching funds in the budget grid if match is required. Round all amounts to the nearest dollar.

Each budget line must correspond to the itemized budget forms. Prior to submitting the application, please ensure that each itemized budget form aligns with the total amount requested on the budget grid.

Funds from Other Sources: Enter all funds from other sources that support the JSUT program. If the proposed project will generate program income, enter the anticipated amount of program income that will be earned and explain how these funds will be used to support the grant project.

C. Project Narrative

This is a competitive grant application. the Opioid Abatement Authority.

Project Description

Provide a clear and concise summary of the planning activities, program implementation, or program expansion. Include the positions within the facility and partners outside of the facility who will guide these efforts. Sustainment Plan

Provide a description of the agency's sustainment plan including, but not limited to, quality assurance, hiring/recruitment/retention, and succession planning.

D. Goals and Objectives Form (in OGMS)

All applicants must complete project-specific Goals and Objectives. This section is worth 20% of the applicant's score. Awarded applicants will report on the status of their goals and objectives quarterly. Goals and objectives must be reflective of the work anticipated to occur in the grant period with awarded funds. Applicants must identify three goals. Each goal must have two to three objectives. Each objective must be "SMART," meaning they must be specific, measurable (i.e. qualifiable), action-oriented, realistic, and time-based. Additionally, objectives must be directly related to one or more items requested in the grant proposal budget.

E. Itemized Budget Form

In OGMS, complete an itemized budget form for each section for which funding is requested. Total amounts on each itemized budget form must match amounts listed on the applicant's budget grid.

Requirements:

- All items requested in each budget form must be allowable, reasonable, and justifiable.
- For all items, under item justification, explain how the item is needed to support this grant project and the goals and objectives of the grant.
- All items must include a basis of computation in the description of the item and an explanation of how the requested cost was determined.
- At the bottom of each itemized budget form, the applicant must identify the funding source for the budgetary items. Allocate all expenses under state funds.
- For all items, the applicant must indicate in the description whether the item is used exclusively for the proposed project. Items that are not used exclusively for the project must be prorated, and the applicant must include an explanation of how the items were prorated.

1. Prorating means the request for funding is proportional to the use of each item for this grant program.
2. If an item is used exclusively for this proposed project, prorating is not needed. If the item is used to support other projects in the agency, prorating is needed.
3. How to prorate.
 - a. Proration Based on Budget: If your request for funding is 15% of your total operating budget, you can prorate items that are not used exclusively for this proposed project by 15%.
 - b. Proration Based on grant funded staff: If your staff is funded 50% by this grant, you can prorate this person's computer, office supplies, office furniture or other assigned items by 50%.

- **Budgeting Match**

Match is not required under this grant program. Do not add matching funds to the budget.

1. **Personnel and Employee Fringe Benefits Itemized Budget Form** (If no personnel are funded by this project use \$0.00 on the budget grid.)

This section applies to all employees and volunteers supported by any funds associated with this project, including matching funds. Staff time that is supported by grant funds may only be spent on approved grant activities.

- a. Indicate if personnel costs are included in your budget – yes or no. If “yes” under “Personnel” enter the employee's name, position title, if it is full time or part time, the total hours per week worked, the total hours per year, the total annual salary (regardless of funding source), and the amount requested under the grant. Indicate if this is a new position. If the position is vacant, enter “Vacant” in lieu of an employee name.

All requested amounts must be reasonable given the complexity of work, and consistent with the applicant's staff compensation plan. If you are requesting funding for a position that provides services outside of these grant activities, pro-rate your request to only include time spent on this grant project.

- b. Under “Employee Fringe Benefits” select the employee's name and enter the fringe benefit costs (FICA, Retirement, Group Life, Health Insurance, Workers' Compensation, Unemployment, Disability, and other). If you are unable to enter the fringe benefits for individual employees, create an employee named “Fringe Benefit” and enter the aggregate amounts for each fringe benefit but enter zero for the salary. If you elect this process, leave the fringe amounts for each individual employee at zero.
- c. Under the Positions and Justification, select the employee's name and enter in the description of position (maximum of 500 characters) and justification for position (maximum of 500 characters) for each item.

Under Description, describe grant-related duties performed (do not list job duties that are not under this grant), how the position was prorated, [assurance that the salary meets or exceeds the living wage requirement], and provide basis of computation for fringe benefits.

Under Justification, explain how the position is essential to the goals in the proposed project and justify the rate of compensation by providing assurance that the rate is approved by the Board of Directors or aligned with the locality compensation plan, and similar to other positions in the geographic area that perform similar work.

- d. Attach a job description for each position for which funding is being requested in the attachment section of the OGMS application.

2. **Consultants Form** (If no consultants are funded by this project use \$0.00 on the budget grid.)

Services provided by a third party, regardless of whether there is a contract in place, should go under consultants; for example, training facilitators, consulting firms, employment agencies, interpreters, translation services, property management, daycare providers, etc.

Do not include membership fees in consultants. Membership fees must be placed in supplies and other expenses, and they must be in the name of the applicant organization, rather than an individual.

- a. Indicate if consultants or consultant subsistence and travel costs are included in your budget – yes or no. If “yes” under “Consultant” and “Consultant Subsistence (lodging + meals) & Travel” enter the information required and the amounts under the funding source(s) as appropriate.
- b. For individuals reimbursed for personal services on a fee basis: Enter each type of consultant or service (with numbers in each category and names of consultants when available), the proposed daily fee rate, and the amount of time to be devoted to such services. The rate of compensation for individual consultants must be reasonable and consistent with that paid for similar services in the marketplace; however, the rate may not exceed \$650.00 per day (\$81.25 per hour, exclusive of travel and/or subsistence), and may not exceed the consultant’s usual and customary fee.
- c. For organizations, including professional associations and educational institutions, performing professional services: Enter the type of services being performed and estimated contract prices. Requests for contracted services and consultants will be very carefully screened. Consultant and contracting fees will be approved only when it is justified that the use of outside contract agencies and consultants will significantly and permanently enhance project effectiveness.
- d. Consultant Travel and Subsistence: This is generally not allowable unless it is necessary, reasonable, and justified. Reimbursable costs must adhere to the recipient’s established travel policy.

- e. Under the Description and Justification, select the name of the consultant and enter in the description of consultant's role (maximum of 500 characters) and justification for use of consultant (maximum of 500 characters). Include a description of each service contracted for, the number of clients benefiting from each type of service, and total budgeted amount for each service and a per client/group cost. Applicants are encouraged to attach supporting documentation to justify the request.
3. **Travel Form** (If no travel is funded by this project use \$0.00 on the budget grid.)
- The OGMS travel form is for mileage only. Mileage reimbursement must be for staff or volunteers of this grant project to assist them with meeting the goals of the grant. Mileage is separated in this grant solicitation because many programs have differing mileage rates for local and non-local mileage. **Local mileage** is considered travel within the immediate service area (satellite offices, court, meetings, etc.). **Non-local mileage** is outside of the immediate service area (trainings, conferences, meetings, etc.).
- a. Indicate if travel (mileage) costs are included in your budget – yes or no. If “yes” under “Local Mileage” or “Non-local mileage” enter the number of miles and the mileage rate.
 - b. Itemize total travel expenses of program personnel by local mileage and non-local mileage. Unless a local policy governs, mileage is reimbursed at the federal rate (<https://www.irs.gov/tax-professionals/standard-mileage-rates>). Local mileage is travel within the immediate service area (satellite offices, court, meetings, etc.). Non-local mileage is outside of the immediate service area (trainings, conferences, meetings, etc.).
 - c. Under the Description and Justification, select the mileage being requested and enter in the description of mileage (maximum of 500 characters) and justification for mileage (maximum of 500 characters) for each item. If local travel policy differs from the federal/state travel policy, please provide or describe the policy in the justification. State in the description whether the request is based on the federal/state travel policy or the agency's policy.
4. **Subsistence and Other Travel Costs Form** (If not funded by this project use \$0.00 on the budget grid.)

Subsistence and other travel costs must be for staff or volunteers of this grant project to assist them with meeting the goals of the grant.

- a. Indicate if subsistence and other travel costs are included in your budget – yes or no. If “yes” under “Subsistence” enter the event title, under “Lodging” enter the number of rooms required, number of nights and rate cost and under “Meals” enter the number of people, number of days, and the per diem rate.
- b. Recipients must follow the federal per diem rates (<https://www.gsa.gov/travel/plan-book/per-diem-rates>) unless there is a

written local travel policy. Transportation costs, such as air and rail fares, are at coach rates. Subsistence is paid according to a per diem rate.

- c. Under Other Travel Costs, enter the event title, number of people attending, number of trips with airfare, the rate, and other travel costs.
- d. Under the Description and Justification, select the event item being requested and enter in the description of costs (maximum of 500 characters) and justification for costs (maximum of 500 characters) for each item. If local travel policy differs from the federal/state travel policy, please provide or describe the policy in the justification. State in the description whether the request is based on the federal/state travel policy or the agency's policy.

5. Equipment Form (If no equipment is funded by this project use \$0.00 on the budget grid.)

Grant funds may be used to purchase equipment needed to meet the goals of the grant. Grant funded equipment must be tracked, managed, and disposed of in a manner consistent with the subrecipient's policies.

Equipment means tangible personal property (including information technology systems) having 1) a useful life of more than one year and 2) a per-unit acquisition cost of \$5,000 or greater (or the organization's capitalization policy, if it is less than \$5,000). If the organization does not have a capitalization policy in place, the amount of \$5,000 must be followed.

- a. Indicate if equipment is included in your budget – yes or no. If “yes” enter the item requested, the cost per item or monthly rate, and the total number of items or months for each item.
- b. Under the Description and Justification, select the equipment item being requested and enter in the description (maximum of 500 characters) and justification (maximum of 500 characters) for each item.

Under Description, provide the basis of computation for the requested amount and explain how the item is prorated to its support of the grant project. Provide an explanation of how the amount being requested is reasonable. Grant reviewers will want to know whether the cost of the item is typical for similar items. Explain how you determined the cost of an item, for example, you received a quote from a vendor. Attach applicable documentation of estimated cost.

Under Justification, explain how the item is essential to the goals in the proposed project. If equipment is requested to replace outdated or “old” equipment, briefly describe why replacement is necessary and when the “old” equipment was acquired.

6. Supplies and Other Expenses (If not funded by this project use \$0.00 on the budget grid.)

Supplies are all other items of tangible personal property that are not equipment. This includes computing devices that cost less than \$5,000 per unit (or the organization's capitalization threshold, if that is less than \$5,000).

Supplies and Other Expenses include, but are not limited to, the following: office supplies, postage, training registration, telephone services, cell phone services, equipment maintenance, internet provider contracts, membership fees and printing projects. All computers purchased with DCJS grant funds must be equipped with updated anti-virus protection software.

All costs must be itemized within this category by major types e.g., office supplies, equipment use fees (which must be supported by usage logs), printing, postage, telecommunications. If the item includes more than one component, identify subcomponents under Description.

- a. Indicate if supplies and other expenses is included in your budget – yes or no. If “yes” enter the item requested, the cost per item or monthly rate, and the total number of items or months for each item.
- b. Under the Description and Justification, select the supply or item being requested and enter in the description (maximum of 500 characters) and justification (maximum of 500 characters) for each item. Under Description, explain what the item is and provide a basis of computation that explains how the total cost of the item was determined. Under Justification, explain why the item is needed to meet the goals of the grant. If the item is replacing an older item, include the age of the older item and explain why it must be replaced.

Also under Description, explain whether the item is for exclusive use of this grant project. Grant funds cannot support the entire cost of an item that is not used for activities solely related to this grant program; however, grant funds can support a prorated share of such an item. Prorating calculations must be provided under Description.

Applicants are encouraged to limit computer purchase requests to \$1,500 per workstation.

Membership fees should be requested under this category. Grant funds may support a maximum of three memberships per year. Memberships must be in the name of the organization, not an individual. Under Description, describe the organization or association, membership rate, and the benefits the applicant will receive with membership. Under Justification, explain how the membership is essential to the goals in the proposed project.

7. **Indirect Costs** (If no indirect costs are funded by this project use \$0.00 on the budget grid.)

Indirect costs are not allowable under this grant program.

F. Attachments

Upload in OGMS the following attachments.

1. If applicable, a letter designating signing authority if someone other than the specified individual signs any of the certifications in the application. The letter must be on official organization letterhead, include an effective date, list applicable grant numbers or application titles, and include the contact information of the person being granted signatory authority.
2. Applicants seeking funding under Personnel must attach job descriptions for each staff for which they are requesting funding. Job descriptions must correspond to each staff person listed on the application.
