## Grant Project Description

These funds are used to pay the salary related expenses and travel to support the staff members responsible for assuring Virginia's compliance with the core requirements of the JJDP Act. Virginia, through DCJS, is required to make annual reports to the Administrator of Office of Juvenile Justice and Delinquency Prevention on the results of our monitoring efforts. Historically, this position was funded out of the administrative portion of the JJDP Act funds. Due to significant reductions in funding awarded to Virginia under this program, we no longer have sufficient funds to support all the necessary staff. Shifting the compliance monitoring from the administrative portion of the grant funds enables Virginia to continue to comply with the JJDP Act and its administrative requirements.

## Project Performance to Date (if Continuation)

Staff conducted visits to 64 jails, lockups, and courthouses to monitor for JJDP Act compliance. During the quarter, we added 6 courthouses and 2 lockups to our monitoring universe. Work updates were given to the Advisory Committee on Juvenile Justice and Prevention. Virginia's annual compliance report was completed and was submitted to OJJDP in March. OJJDP visited Virginia and conducted an on-site compliance audit in August, the report of the findings will be sent to DCJS when completed.
