Buena Vista	City	Police Dept.	
Grant Application Category: >>>>>>			
Application Type	Ranking Score (if New)	Requested Funding	Recommended
New	0	\$44,700	\$44,700

Grant Project Description

The Buena Vista Police Department is in great need of the requested equipment, receiving this grant award will alleviate the need to request a budget increase from our already tight city fiscal restraints. Our City Council was excited to hear of this funding opportunity and fully support our requests. We will purchase new Mobile Display Terminals (MDT's) as our current computers have outlived their usefulness, Tasers- we currently possess the old Version Model X2 and desperately need an upgrade, trunk rifle locks- we currently do not have a way to secure our AR-15 rifles in the trunk of our patrol vehicles, the purchase of the rifle locks are an important community safety factor as well as an officer safety concern.

New	0	\$33,000	\$33,000

Grant Project Description

The Buena Vista Sheriff's office is in great need of the requested equipment, receiving this grant award will alleviate the need to request a budget increase from our already tight city fiscal restraints. Our City Council was excited to hear of this funding opportunity and fully support our requests. These requests will be used to purchase a new polycom conference kit which will enable the deputies to use two-way communication between courts and jails in lieu of sending deputies across state to pick up an inmate for a five minute hearing and then transport them right back to the original jail, huge time saver and manpower drain. New courthouse magnetometer to replace a 15 year old model which constantly malfunctions and no repair parts are available, 2 courtroom video monitors to show body camera evidence and other video evidence to the judge and jury, courtroom defibrillators to assist during a medical emergency and two desktop computers to replace our windows XP models.

New	0	\$26,850	\$26,850

Grant Project Description

The Caroline County Sheriff's Office is seeking a grant to fund and upgrade the digital recording technology in our interview room and for our in-car camera server. Our current interview room system is obsolete and will no longer be usable after the year 2020. Our current in-car camera server is also out of date. After diligent research, we have not only found a company that can provide us with the technology for our basic interview room needs, but can go above and beyond to provide us with high quality picture and sound to be used as evidence.

Grant Project Description

The Hampton Police Division's project request is to increase the tools available to the Special Investigations Unit as related to covert operations such as prostitution stings, drug buys/busts, and gang surveillance. These operations will act in support of our federal partners such as the ATF, DEA, FBI, and U.S. Attorney's Office in order to obtain quality video and audio evidence of violent and drug offenders within the City of Hampton. Additionally, the project will support the addition of (45) remote surveillance cameras for the allocated resources to hotspots within the city.

Grant Project Description

The Hanover County Sheriff's Office is requesting \$40,000 in grant funding to upgrade the security system in our Vaughan-Bradley Law Enforcement Building, which is a 26,000 square foot facility that currently houses all the Sheriff's Office personnel. If awarded, our intent is to upgrade all interior and exterior security cameras in our facility, expand coverage from current service areas, and upgrade and replace our current security system server. Each of these systems is at the end of their useful life and beginning to fail.

Application Type	Ranking Score (if New)	Requested Funding	Recommended
New	0	\$13,790	\$13,790

Grant Project Description

The Henry County Sheriff's Office is seeking to purchase two Smart 650+ bundled package speed trailers + solar utilizing the DOJ Byrne/Justice assistance grant. The speed trailers will allow our office to determine the most appropriate time for enforcement as well we will be able to measure the success with pre-data and post-data enforcement. We have numerous complaints from citizens in our rural 25 MPH - 35MPH posted areas in reference to cars speeding and making it dangerous for their children to play in the yard. We assign people in the specific areas however; our impact is small, with the addition of the speed trailers we can identify the best time to place enforcement units in the area for maximum results.

Smithfield	Town	Police Dept.	
Grant Application Category: >>>>>>			
Application Type	Ranking Score (if New)	Requested Funding	Recommended
New	0	\$43,900	\$43,900

Grant Project Description

In 2017, there were approximately 345 incidents involving mass injury or casualty. In the early months of 2018, that number is thirty-four incidents. Due to the unfortunate rise in these types of events, first responders are not significantly prepared to handle mass injury, casualty and active shooter events. The twenty-two men and women of the Smithfield PD provide professional law enforcement service with basic law enforcement equipment. In addition to these services, the PD will arrive first to any threats to the two schools within one-mile radius of the Town, and the one school within the limits. The Law Enforcement Equipment and Technology grant will appropriate the necessary equipment to safely, effectively, and efficiently handle incidents of such magnitude while enhancing professional services.

Spotsylvania	County	Sheriff's Office	
Grant Application Category: >>>>>>			
Application Type	Ranking Score (if New)	Requested Funding	Recommended
New	0	\$10,458	\$10,458

Grant Project Description

Working in collaboration with a social media liability attorney, the Spotsylvania County Sheriff's Office will work to prevent future legal liabilities resulting from inherent nuances of federal and state speech laws and their impact on the public sector employees' constitutional rights. By September 2018, the Spotsylvania County Sheriff's Office will develop a new Social Media Liability Policy to avoid potential conflict between an employee's duty to the agency and the employee's constitutional right to freedom of expression. Training on the newly adopted policy will also be provided to approximately 300 sworn and non-sworn personnel employed by the Spotsylvania County Sheriff's Office.
