Grant Project Description

The Carroll County Sheriff's Office is requesting \$39,271.00 to fund an SRO at the St. Paul School. The Carroll County Sheriff's Office notes the school's location contributes to its need for an SRO, as it is situated close to the NC border, isolated at the base of the Blue Ridge Mountains, away from all of the other county schools and law enforcement. The population served by the school is one of the poorest in the county; 69% of the students are eligible to receive free or reduced lunch. Carroll County has also recently been designated as a High Intensity Drug Trafficking Area (HIDTA) by the federal government.

The Prince George Police Department is requesting \$50,000 to place an SRO in North Elementary School. The Prince George Police Department justifies the need for an SRO, explaining the geographic location of the school is the furthest away from public safety resources in the county. Additional concerns are presented due to the transient nature of the population served by the school, as the school is comprised 30% of military families and 40% of the students are eligible for free or reduced lunches. Military families often have one or both parents deployed, creating an additional need for a safe and stable school environment.
