## Grant Project Description

The Virginia Peer Support Association (VAPSA) has the infrastructure in place to provide Critical Incident Stress Management and Peer Support training programs to jurisdictions statewide and to continue assisting with setting up teams within agencies. These funds will allow VAPSA to conduct 4 two-day seminars/workshops presented by experts in the fields of peer support, critical incident management and police psychology. Funds allocated for these seminars/workshops will provide scholarships to officers and staff of law enforcement agencies desiring to attend. The funds will also allow for the development of 8 classes for peer supporters in peer support and CISM as well as consultation to jurisdictions for peer support team development.
