

**SASP**  
**Sexual Assault Services Program**

8-Jul-25

<b>Grant App #</b>	<b>Grant Program</b>	<b>Applicant Location</b>	<b>Implementing Agency</b>	<b>Requested Funding</b>	<b>Recommended Funding</b>	<b>Internal Status</b>	<b>Applicant Brief Project Overview</b>	<b>Type of Application</b>
535497	Sexual Assault Services Program	STEPS, Inc.	Non-Profit Organization	\$ 100,255	\$ 100,255	Meets criteria	In August 2024, STEPS was awarded a 12-month SASP grant that has been used to fund the partial salaries and benefits of two (2) sexual assault /domestic violence advocates and one (1) program director, plus travel expenses to accompany victims to the hospital and court, and necessary supplies, including brochures, cell phones, paper and folders. Staff provide direct crisis support to sexual assault victims and their families, such as 24-hour hotline, accompaniment and advocacy through medical, criminal justice, and social support systems, which include medical facilities, police, and court proceedings, short-term counseling and group support, and information and referrals. In addition, staff attend outreach activities to inform their service area of their services. DCJS recommends extending this grant program 15 months and increasing the award by \$100,225 to allow STEPS to maintain services for the additional time.	Revision of Grant
