Re: Virginia Sexual and Domestic Violence Victim Fund Grant Program, State Fiscal Year 2024

The purpose of the Virginia Sexual and Domestic Violence Victim Fund (VSDVVF) Grant Program is to make funds available to local prosecutors for the cost of attorneys and/or to further dedicate resources to prosecute felonies and misdemeanors involving domestic violence, sexual violence, sexual abuse, stalking, and family abuse. In addition, this grant program supports projects that provide services to victims of and/or children affected by sexual violence, domestic violence, stalking, and family abuse within victim-serving organizations. This grant program is supported by state funds and was established in *Code of Virginia* § 9.1-116.1.

For State Fiscal Year (SFY) 2024, the VSDVVF funding opportunity was designed so that grant application reviewers could conduct a comprehensive evaluation of long-standing VSDVVF projects. The funding opportunity was only open to current SFY 2023 VSDVVF grant recipients. Grant applications received a thorough review and scoring based on elements indicated within the grant application guidelines. DCJS received **43 eligible applications with requests totaling \$1,785,303**.

Due to the availability of funding, there are no applicants recommended for denial of funding.

In summary, DCJS staff **request approval to fund 43 projects for the 12-month period (7/1/2023–6/30/2024), totaling \$1,785,303**, using State General Funds and Virginia Sexual and Domestic Violence Victim Fund (special funds) allocated for this purpose.
