All grantees are required to establish and maintain adequate accounting systems and financial records and to accurately account for funds awarded to them. They must have a financial management system in place that is able to record and report on the receipt, obligation, and expenditure of grant funds. 4. Documentation requirements

The grantee agrees to, upon request, promptly provide financial or programmatic-related documentation related to this award, including documentation of expenditures and achievements.

6. Record retention and access

Records pertinent to the award must be retained for a period of three (3) years from the date of submission of the final expenditure report. Grantee must provide access, including performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records.

7. Non-Supplanting requirement

State appropriations are typically allocated for specific purposes. Therefore, funds made available through this award should not be used to replace federal, state or local funds that would, in the absence of this grant, be made available for the same purposes. Please contact the Grant Monitor for questions or concerns regarding this condition.

8. Travel policy

Grantees may follow their own established travel rates if they have an established travel policy. DCJS reserves the right to determine the reasonableness of an organization's travel policy. If the grantee does not have an established policy, then they must adhere to State travel policy. DCJS allows reimbursement for actual reasonable expenses and meals according to per diem. 11. Financial audits

The grantee agrees to forward, to DCJS or to the Auditor of Public Accounts, a copy of the grantee's scheduled financial statement audit for the fiscal year that covers the grant award period.

12. Project income

Any funds generated as a direct result of DCJS grant-funded projects are deemed project income. Project income must be reported to DCJS. Examples of project income might include service fees; client fees; usage or rental fees; sales of materials; and income received from sale of seized and forfeited assets (cash, personal or real property included). Project income may only be used for allowable program costs and must be spent prior to draw downs. Project income should be reported quarterly by completing the Financial Report in OGMS.

13. Required reports

The grantee agrees to submit, on or before scheduled due dates, such reports as required by DCJS. This includes filing required reports using OGMS. Failure to submit reports by the deadline dates may result in delay for reimbursement requests and/or cancellation of the award.

This program requires DCJS to submit a biennial report to the Secretary of Public Safety and Homeland Security, the Director of the Department of Planning and Budget, and the Chairmen of the House Appropriations and Senate Finance Committees. Grantee is required to collect specific program data and information, including but not limited to course evaluations, demographics of participants and services provided. Grantee agrees to provide this information, upon request, to DCJS program staff.

14. Delegation of responsibility

Any delegation of responsibility for carrying out grant-funded activities to an office or department not a part of the local government must be pursuant to a written memorandum of understanding by which the implementing office or department agrees to comply with all applicable grant terms, conditions and assurances. Any such delegation notwithstanding, the applicant acknowledges by its acceptance of the award its ultimate responsibility for compliance with all terms, conditions and assurances of the grant award.

15. Procurement

All purchases for goods and services must comply with local established written procurement policies. If a grantee does not have an established written policy, then they must adhere to the Virginia Public Procurement Act:

<https://dgs.virginia.gov/procurement/policy-consulting--review/policy/>. Procurement transactions, whether negotiated or advertised and without regard to dollar value, shall be conducted in a manner to provide maximum open and free competition. Any exemption to this regulation requires the prior approval of DCJS and is only given in unusual circumstances. Any request for exemption must be submitted in writing to DCJS.

16. Nondiscrimination under state grants and programs

No person shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination on the basis of race, color, religion, national origin, sex, pregnancy, childbirth or related medical conditions, age, marital status, sexual orientation, gender identity, disability, or status as a veteran under any program or activity receiving state financial assistance or under any program or activity conducted by or on behalf of any state agency.

The formal grant awards that DCJS enters into with all recipients require compliance with all applicable federal, state, and local laws, regulations, executive orders and ordinances related to expenditure of the grant money and the activities financed with the grant money.

17. Program Guidelines

The grantee agrees to comply with the applicable Grant Program Guidelines and Attachments.

18. Personnel Cost

Grant funds may only be used for personnel costs and related benefits for individuals employed on the grant project. Payroll records must specify the grant program and funding sources, with clear identification by cost center or code. Charges for salaries, wages, and fringe benefits must accurately reflect the actual work performed by grant-funded staff during the project period. If a pay period extends beyond the project end date, you do not need to split the costs as long as the subrecipient is receiving a continuation grant. However, costs for salaries, benefits, or other related expenses cannot be charged to the grant after an individual leaves the grant program or outside the grant period.

19. Duplicative Funding

If the grantee currently has other active awards of federal or state funds, or if the grantee receives any other award of federal or state funds during the period of performance for this award, or uses matching funds from other sources as part of the project budget, the grantee promptly must determine whether funds from any of those other federal or state awards or matching funds from other sources have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the grantee must promptly notify DCJS in writing of the potential duplication, and, if so, requested by DCJS, must seek a budget-modification or change-of-project-scope to eliminate any inappropriate duplication of funding.

20. Remedies for non-compliance of award requirements

Failure to comply with any one or more of these award requirements -- whether a condition set out in full above, a condition incorporated by reference below, or a certification or assurance related to conduct during the award period -- may result in the Department of Criminal Justice Services (DCJS) taking appropriate action with respect to the subrecipient and the award. Among other things, DCJS may withhold award funds, disallow costs, or suspend or terminate the award.

21. Employment Eligibility Verification

The subrecipient is required to properly verify the identity and employment eligibility of all individuals that will be funded (in whole or in part) with these award funds. For the purpose of satisfying the requirement of this condition a subrecipient must use Form I-9 Employment Eligibility Verification process, more information can be found at <https://www.uscis.gov/i-9> . As part of the recordkeeping for the award, the subrecipient must maintain records of all employment eligibility verifications pertinent to compliance with this award condition in accordance with Form I-9 record retention requirements. For any questions about this condition please contact your grant monitor.

22. Reporting potential fraud, waste, abuse and similar misconduct

The subrecipient must notify the DCJS Grant Monitor of any suspected fraud, waste, abuse, or misconduct involving or relating to funds under this award.

23. Additional “Action Item” encumbrances

Any additional “action item” encumbrances related to your award will be listed online on the DCJS On-Line Grant Management System (OGMS) website under the menu item Grants > Encumbrances. The grantee must address these items before DCJS staff can approve a claim marked as “Submitted” and disburse funds. If an encumbrance is placed on a grant while claims are in “Awaiting Payment, Correcting, Editing or Submitted” status, the claims will be voided or withdrawn by DCJS staff. The subrecipient may resubmit claims that were withdrawn or voided once the encumbrance is resolved.

Unless otherwise stated, these encumbrances must be met by the stated deadline in OGMS. If they remain unmet after this date, then the grantee must report to the DCJS, by letter, the steps taken to achieve compliance, the reasons for non-compliance, and the expected date of compliance. DCJS may terminate grant funding based upon unexplained or unreasonable failure to substantially comply with encumbrances within reasonable specified time frames.

REPORTING REQUIREMENTS

By accepting the accompanying grant award, you are agreeing to submit online quarterly financial reports and programmatic progress reports for this grant throughout the grant period, as well as final reports to close the grant. No eligible current recipient of funding will be considered for continuation funding if, as of the continuation application due date, any of the required financial and progress reports for the current grant are more than 30 days overdue. For good cause, submitted in writing by the grant recipient, DCJS may waive this provision.

To submit reports, requests, and to view your grant award, refer to the On-line Grants Management System (OGMS) at our website:

<https://ogms.dcjs.virginia.gov/>. In order to use this web-based system, if you have not previously done so, you must register in OGMS.

- **FINANCIAL REPORTS & REIMBURSEMENTS (Claims)** – On-line Grants Management System (OGMS) Detail of Expenditure/ Reimbursement forms are due within 15 days after the end of each calendar quarter. Claim reports are due even if no expenditures occurred during the quarter. If the due date falls on a weekend or non-business day, the report is due on the next business day. Reimbursement will be based on paid invoices for approved expenditures or through requested advance drawdowns with expected expenditures. Transactions occurring outside of the grant period will not be eligible for reimbursement. Grant Special Conditions, Reporting Requirements and Project Due Date

- BUDGET (Contract) AMENDMENTS may be submitted for consideration through OGMS. Please review your Special Conditions carefully to determine the requirements and procedures for amending budgets. For budget amendment questions, contact your assigned Grant Monitor.
- GRANT CLOSEOUT: The subrecipient has up to 45 days from the end of the award period to liquidate any unpaid obligations and submit a final financial report. The liquidation period exists to allow projects time to receive final invoices and make final payments -- no new obligations may be incurred during this period. Unclaimed funds will have the potential to be reappropriated by DCJS, 60 days from the end of the award period. The closeout financial reconciliations process can begin after the last claim is marked as 'Final Request – YES', even if the project end date has not arrived. Once the claims have been reconciled, any unexpended funds will be de-obligated from the award amount and subrecipient access to funds may not be available.

Closeout questions should be directed to Joseph Thompson at (804) 225-2782 or via email at Joseph.thompson@dcjs.virginia.gov.
