By signing the Statement of Grant Award/Acceptance, the subgrantee agrees to:

- use the grant funds to carry out the activities described in the grant application, as modified by the terms and conditions attached to this award or by subsequent amendments approved by DCJS;
- adhere to the approved budget contained in this award and amendments made to it in accord with these terms and conditions; and,

1. Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the subgrantee that relate to conduct during the period of performance also is a material requirement of this award.

Limited Exceptions. In certain special circumstances, the U.S. Department of Justice ("DOJ") may determine that it will not enforce, or enforce only in part, one or more requirements otherwise applicable to the award. Any such exceptions regarding enforcement, including any such exceptions made during the period of performance, are (or will be during the period of performance) set out through the Office of Justice Programs ("OJP") webpage entitled "Legal Notices: Special circumstances as to particular award conditions" (ojp.gov/funding/Explore/LegalNotices-AwardReqs.htm), and incorporated by reference into the award.

By signing and accepting this award on behalf of the subgrantee, the authorized subgrantee official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized subgrantee official, all assurances or certifications submitted by or on behalf of the subgrantee that relate to conduct during the period of performance.

Failure to comply with any one or more of these award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period -- may result in the Office of Justice Programs ("OJP") or the Department of Criminal Justice Services (DCJS) taking appropriate action with respect to the recipient and the award. Among

other things, the OJP and DCJS may withhold award funds, disallow costs, or suspend or terminate the award. The Department of Justice ("DOJ"), including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

2. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this award.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the OJP website at <https://ojp.gov/funding/Part200UniformRequirements.htm>.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the subgrantee is to contact DCJS promptly for clarification.

3. Compliance with DOJ Grants Financial Guide

References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at <https://www.ojp.gov/funding/financialguidedojo/overview>) including any updated version that may be posted during the period of performance. The subgrantee agrees to comply with the DOJ Grants Financial Guide

4. Reclassification of various statutory provisions to a new Title 34 of the United States Code

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

5. Requirements related to "de minimis" indirect cost rate

A subgrantee that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise DCJS in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.

6. Requirement to report potentially duplicative funding

If the subgrantee currently has other active awards of federal funds, or if the subgrantee receives any other award of federal funds during the period of performance for this award, the subgrantee promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the subgrantee must promptly notify DCJS in writing of the potential duplication, and, if so requested by DCJS, must seek a budget-modification or change-of-project-scope to eliminate any inappropriate duplication of funding.

7. Requirements related to System for Award Management and Universal Identifier Requirements

The subgrantee must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/SAM/>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The subgrantee must maintain a valid UEI number (a unique twelve alphanumeric characters used for identifying and keeping track of entities receiving federal funds). Subgrantee must be registered in SAM to receive an award and must maintain an active registration for the entire period of the award. A person or entity debarred or suspended is excluded from federal financial assistance and benefits under federal programs and activities.

If the search returns that any organization has an active exclusion record, DCJS will not award or permit any award at any level to any party which is debarred or suspended from participation in Federal assistance programs.

If the subgrantee is found to have exclusion after the grant has been awarded, encumbrances will be placed on all active awards. Stop payment will begin on any pending payment claims. Audits will begin to verify compliance of all awards. DCJS will pursue repayment of funds that were expended during the exclusion period. If the subgrantee fails to remit funds owed to DCJS, the funds will then be deemed uncollectible debt by DCJS. Uncollectible debt will be reported to the Virginia Department of Taxation Debt Set Off program, Office of the Attorney General and third-party collections. DCJS may add fees, fines and penalties to the original amount of the debt owed.

8. Requirement to report actual or imminent breach of personally identifiable information (PII)

The subgrantee must have written procedures in place to respond in the event of an actual or imminent "breach" (OMB M-17-12) if it -- 1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of "Personally Identifiable Information (PII)" (2 CFR 200.79) within the scope of an OJP grant-funded program or activity, or 2) uses or operates a "Federal information system" (OMB Circular A-130). The subgrantee's breach procedures must include a requirement to report actual or imminent breach of PII to DCJS no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

9. All subawards ("subgrants") must have specific federal authorization

The subgrantee, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the subgrantee's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm> (Award condition: Prohibited conduct by subgrantees related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.

12. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events

The subgrantee must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

4. Rules of construction

A. Staff involved in the hiring process

For purposes of this condition, persons "who are or will be involved in activities under this award" specifically includes (without limitation) any and all recipient (or any subgrantee) officials or other staff who are or will be involved in the hiring process with respect to a position that is or will be funded (in whole or in part) with award funds.

C. "United States" specifically includes the District of Columbia, Puerto Rico, Guam, the Virgin Islands of the United States, and the Commonwealth of the Northern Mariana Islands.

Questions about E-Verify should be directed to DHS. For more information about E-Verify visit the E-Verify website (<https://www.e-verify.gov/>) or email E-Verify at E-

Questions about the meaning or scope of this condition should be directed to DCJS, before award acceptance.

48. Determination for suitability to interact with participating minors

This condition applies to this award if it is indicated -- in the application for the award (as approved by DOJ) (or in the application for any subaward, at any tier), the DOJ funding announcement (solicitation), or an associated federal statute -- that a purpose of some or all of the activities to be carried out under the award (whether by the recipient, or a subgrantee at any tier) is to benefit a set of individuals under 18 years of age.

The recipient, and any subgrantee at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status.

The details of this requirement are posted on the OJP web site at <https://ojp.gov/funding/Explore/Interact-Minors.htm> (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

49. Unreasonable restrictions on competition under this award; association with federal government

This condition applies with respect to any procurement of property or services that is funded (in whole or in part) by this award, whether by the recipient or by any subgrantee at any tier, and regardless of the dollar amount of the purchase or acquisition, the method of procurement, or the nature of any legal instrument used. The provisions of this condition must be among those included in any subaward (at any tier).

1. No discrimination, in procurement transactions, against associates of the federal government

Consistent with the (DOJ) Part 200 Uniform Requirements -- including as set out at 2 C.F.R. 200.300 (requiring awards to be "manage[d] and administer[ed] in a manner so as to ensure that Federal funding is expended and associated programs are implemented in full accordance with U.S. statutory and public policy requirements") and 200.319(a) (generally requiring "[a]ll procurement transactions [to] be conducted in a manner providing full and open competition" and forbidding practices "restrictive of competition," such as "[p]lacing unreasonable requirements on firms in order for them to qualify to do business" and taking "[a]ny arbitrary action in the procurement process") -- no recipient (or subgrantee, at any tier) may (in any procurement transaction) discriminate against any person or entity on the basis of such person or entity's status as an "associate of the federal government" (or on the basis of such person or entity's

status as a parent, affiliate, or subsidiary of such an associate), except as expressly set out in 2 C.F.R. 200.319(a) or as specifically authorized by USDOJ.

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subgrantee compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

4. Rules of construction

A. The term "associate of the federal government" means any person or entity engaged or employed (in the past or at present) by or on behalf of the federal government -- as an employee, contractor or subcontractor (at any tier), grant recipient or -subgrantee (at any tier), agent, or otherwise -- in undertaking any work, project, or activity for or on behalf of (or in providing goods or services to or on behalf of) the federal government, and includes any applicant for such employment or engagement, and any person or entity committed by legal instrument to undertake any such work, project, or activity (or to provide such goods or services) in future.

B. Nothing in this condition shall be understood to authorize or require any recipient, any subgrantee at any tier, or any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

50. Access to services – Limited English Proficiency (LEP)

Compliance with Title VI of the Civil Rights Act and Omnibus Crime Control and Safe Streets Act requires recipients of Federal financial assistance to take reasonable steps to provide persons of LEP meaningful access to services. All organizations that provide direct services are required to have an LEP plan as part of their organization's policies. Further information on the responsibilities to provide language services to LEP individuals can be found at <https://www.lep.gov> .

51. Data collection activities

The subgrantee agrees that grant funds may be used to pay for data collection, analysis, and report preparation only if that activity is associated with federal reporting requirements. Other data collection, analysis, and evaluation activities are not an allowable use of grant funds.

52. Program Guidelines

The subgrantee agrees to comply with the applicable Program Guidelines, “Residential Substance Abuse (RSAT) Grant Program for Adult and Juvenile Correctional Facilities Planning and Implementation Competitive Grants” available here:

<https://www.dcjs.virginia.gov/grants/programs/fy-2026-residential-substance-abuse-treatment-rsat-grant-program-adult-and-juvenile>

The subgrantee will implement or continue to require urinalysis or other proven reliable forms of testing of individuals in correctional residential substance abuse treatment programs. Such testing shall include individuals released from residential substance abuse treatment programs who remain in the custody of the locality.

The subgrantee agrees that substance abuse treatment and related services funded by this award will include needed treatment and services to address opioid abuse reduction.

The subgrantee understands and agrees that strategic planning activities funded by this award must include planning on how to address individuals with co-occurring mental health and opioid use disorders.

53. Potential imposition of additional requirements

The subgrantee agrees to comply with any additional requirements that may be imposed by the DOJ and DCJS, as appropriate, during the period of performance for this award, if the subgrantee is designated as "high-risk".

54. Use of funds for Unmanned Aircraft Systems (UAS)

The subgrantee agrees that no funds under this grant award (including via subcontract or subaward, at any tier) may be used for unmanned aircraft systems (UAS), which includes unmanned aircraft vehicles (UAV), or for any accompanying accessories to support UAS.

55. Recipient integrity and performance matters

Requirement to report information on certain civil, criminal, and administrative proceedings to SAM and FAPIIS.

The subgrantee must comply with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this OJP award or any other grant, cooperative agreement, or procurement contract from the federal government. Under certain circumstances, recipients of OJP awards are required to report information about such proceedings, through the federal System for Award Management (known as "SAM"), to the designated federal integrity and performance system (currently, "FAPIIS").

The details of subgrantee obligations regarding the required reporting (and updating) of information on certain civil, criminal, and administrative proceedings to the federal designated integrity and performance system (currently, "FAPIIS") within SAM are posted on the OJP web site at <https://ojp.gov/funding/FAPIIS.htm> (Award condition: Recipient Integrity and Performance Matters, including Recipient Reporting to FAPIIS), and are incorporated by reference here.

56. NEPA

Awards under this program will use funding to develop more effective and evidence-based reentry programs. None of the following activities will be conducted whether under the Office of Justice Programs federal action or a related third-party action:

- (1) New construction
- (2) Any renovation or remodeling of a property located in an environmentally or historically sensitive area, including property (a) listed on or eligible for listing on the National Register of Historic Places, or (b) located within a 100-year flood plain, a wetland, or habitat for an endangered species
- (3) A renovation that will change the basic prior use of a facility or significantly change its size
- (4) Research and technology whose anticipated and future application could be expected to have an effect on the environment
- (5) Implementation of a program involving the use of chemicals (including the identification, seizure, or closure of clandestine methamphetamine laboratories)

Additionally, the proposed action is neither a phase nor a segment of a project that when reviewed in its entirety would not meet the criteria for a categorical exclusion.

Consequently, the subject federal action meets the Office of Justice Programs' criteria for a categorical exclusion as contained in paragraph 4(b) of Appendix D to Part 61 of Title 28 of the Code of Federal Regulations.

Questions about this determination may be directed to your DCJS Grant Monitor.

57. Compliance with restrictions on the use of federal funds--prohibited and controlled equipment under OJP awards

Consistent with Executive Order 14074, "Advancing Effective, Accountable Policing and Criminal Justice Practices To Enhance Public Trust and Public Safety," OJP has prohibited the use of federal funds under this award for purchases or transfers of specified equipment by law enforcement agencies. In addition, OJP requires the recipient, and any subgrantee ("subgrantee") at any tier, to put in place specified controls prior to using federal funds under this award to acquire or transfer any property identified on the "controlled equipment" list. The details of the requirement are posted on the OJP web site at <https://www.ojp.gov/funding/explore/prohibited-and-controlled-equipment> (Award condition: Compliance with restrictions on the use of federal funds--prohibited and controlled equipment under OJP awards), and are incorporated by reference here.

58. Confidentiality of data

The subgrantee must comply with all confidentiality requirements of 34 U.S.C. 10231 and 28 C.F.R. Part 22 that are applicable to collection, use, and revelation of data or information. The recipient further agrees, as a condition of award approval, to submit a Privacy Certificate that is in accord with requirements of 28 C.F.R. Part 22 and, in particular, 28 C.F.R. 22.23.

59. FFATA reporting: Subawards and executive compensation

DCJS must comply with applicable requirements to report first-tier subawards ("subgrants") of \$30,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients (first-tier "subgrantees") of award funds. The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the OJP web site at <https://ojp.gov/funding/Explore/FFATA.htm> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here.

This condition, including its reporting requirement, does not apply to-- (1) an award of less than \$30,000, or (2) an award made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

60. Requirement to disclose whether recipient is designated "high risk" by a federal grant-making agency outside of DOJ

If the subgrantee is designated "high risk" by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the subgrantee must disclose that fact and certain related information to DCJS by email. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient. The subgrantee's disclosure must include the following: 1. The federal awarding agency that currently designates the subgrantee high risk, 2. The date the subgrantee was designated high risk, 3. The high-risk point of contact at that federal awarding agency (name, phone number, and email address), and 4. The reasons for the high-risk status, as set out by the federal awarding agency.

61. Legal Services

Except as indicated in the following sentence, costs of providing legal services (that is, professional services of the kind lawfully provided only by individuals licensed to practice law) to any removable alien (see 8 U.S.C. § 1229a(e)(2)) or any alien otherwise unlawfully present in the United States are disallowed and may not be charged against the award.

Costs for legal services disallowed under the preceding sentence do not include costs for legal services—(1) to obtain protection orders for victims of crime (including associated or related orders (e.g., custody orders), arising from the victimization); (2) that are associated with or relate to actions under 18 U.S.C. ch. 77 (peonage, slavery, and trafficking in persons); (3) to obtain T-visas, U-visas, or "continued presence" immigration status (see, e.g., 8 U.S.C. § 1101(a)(15)(T) & (U); 22 U.S.C. § 7105(c)(3)); or (4) as to which such disallowance would contravene any express requirement of any law, or of any judicial ruling, governing or applicable to the award.

62. Personnel Cost

Grant funds may only be used for personnel costs and related benefits for individuals employed on the grant project. Payroll records must specify the grant program and funding sources, with clear identification by cost center or code. Charges for salaries, wages, and fringe benefits must accurately reflect the actual work performed by grant-funded staff during the project period. If a pay period extends beyond the project end date, you do not need to split the costs as long as the subgrantee is receiving a continuation grant. However, costs for salaries, benefits, or other related expenses cannot be charged to the grant after an individual leaves the grant program or outside the grant period.

63. Suspension or Termination of Funding

DCJS may suspend (in whole or in part) or terminate funding, or impose another sanction on a subgrantee, for any of the following:

1. Failure to adhere to the standard terms and conditions or special conditions.
2. Failure to implement the project within 90 days of the start of the award period.
3. Implementing substantial program changes to the extent that the project is no longer aligned with the purpose of the funding.
4. Failure to submit reports (programmatic and/or financial) in a timely manner.
5. Failure to meet service objectives in the previous award period of performance.
6. Filing a false certification in this application or other report or document.

DCJS reserves the right to request the return of any funds disbursed to the subgrantee, including funds later determined to be unallowable, inadequately documented, unsupported, or otherwise inconsistent with federal, state or grant regulations.

64. Payment Offset Notification

This is the reduction or withholding of a subgrantee payment to satisfy a delinquent debt owed to the Commonwealth of Virginia or the United States federal government. Subgrantees are advised if delinquent debts are owed to the Commonwealth of Virginia or the United States Government, The Virginia Department of Taxation or United States Department of Treasury could withhold or reduce (offset) your claim reimbursement to satisfy the debt.

The Virginia Department of Taxation (TAX) is responsible for administering the Set-Off Debt Collection Program. The Set-Off Debt Collection Program is a legal remedy for collecting delinquent debts owed to the Commonwealth of Virginia by withholding reimbursement claim payments. If your reimbursement is reduced to satisfy a Virginia unpaid debt, and you have any questions or disagree, please contact The Virginia Department of Taxation Collections at 804.367.8045.

The United States Department of Treasury (USDT) is responsible for administering the Treasury Offset Program (TOP). The Treasury Offset Program is a federal government-wide debt collection program that recovers delinquent debts owed to the United States federal government by withholding reimbursement claim payments. If a TOP offset is applied, the subgrantee will receive a letter via USPS mail, that identifies the TOP offset amount and the federal agency(ies) to which the debt was applied. The federal agency contact(s) information will be included in the letter.

Before the Virginia Department of Criminal Justice Services issues a reimbursement claim payment, the Commonwealth's Financial Accounting System checks to see if there are any overdue debt claims owed to state or federal agencies. If there is a

pending claim, or multiple claims, The Virginia Department of Taxation or The United States Department of Treasury may withhold or reduce your reimbursement claim payment by the amount of the debt owed. There is the possibility that subgrantee payment can have both TAX and USDT offsets applied.

DCJS does not maintain records of debts that may be owed to other state or federal agencies. If you have already paid your debt in full, or you don't owe the debt for other reasons, the agency collecting the debt is responsible for returning any part of your payment that should not have been reduced.

To avoid disruption in funding, we strongly encourage all subgrantees to regularly verify their organization's status with respect to any outstanding debts owed to the Commonwealth of Virginia or the United States federal government.

65. Additional "Action Item" encumbrances

Any additional "action item" encumbrances related to your award will be listed online on the DCJS On-Line Grant Management System (OGMS) website under the menu item Grants > Encumbrances. The subgrantee must address these items before DCJS staff can approve a claim marked as "Submitted" and disburse funds. If an encumbrance is placed on a grant while claims are in "Awaiting Payment, Correcting, Editing or Submitted" status, the claims will be voided or withdrawn by DCJS staff. The subgrantee may resubmit claims that were withdrawn or voided once the encumbrance is resolved.

Unless otherwise stated, encumbrances must be met by the stated deadline in OGMS. If they remain unmet after this date, the subgrantee must report to DCJS, by letter, detailing the steps taken to achieve compliance, the reasons for non-compliance, and the expected date of compliance. DCJS may terminate grant funding based upon unexplained or unreasonable failure to substantially comply with encumbrances within reasonably specified time frames.
