In addition, if recipient uses funds under this award to purchase body armor, the recipient is strongly encouraged to have a "mandatory wear" policy in effect. There are no requirements regarding the nature of the policy other than it be a mandatory wear policy for all uniformed officers while on duty.

40. DNA Testing

If award funds are used for DNA testing of evidentiary materials, any resulting eligible DNA profiles must be uploaded to the Combined DNA Index System ("CODIS," the DNA database operated by the FBI) by a government DNA laboratory with access to CODIS. With the exception of Forensic Genetic Genealogy, no profiles generated under this award may be entered or uploaded into any non-governmental DNA database without prior express written approval from BJA. 45. NEPA

The Project Safe Neighborhoods Initiative, represents a strategic approach that brings more “science” into criminal justice operations by leveraging innovative applications of analysis, technology, and evidence-based practices with the goal of improving performance and effectiveness while containing costs while addressing crime associated with gun crime and gang violence. Awards under this program will implement the five core elements of PSN— partnerships, strategic planning and research integration, training and technical assistance outreach, and accountability, data analysis, and data-informed efforts —to address specific gun crime and gang violence problems in that district.

None of the following activities will be conducted either under the OJP federal action or a related third party action:

- 1) New construction;
- 2) Any renovation or remodeling of a property either (a) listed on or eligible for listing on the National Register of Historic Places or (b) located within a 100-year flood plain;
- 3) A renovation which will change the basic prior use of a facility or significantly change its size;
- 4) Research and technology whose anticipated and future application could be expected to have an effect on the environment; or
- 5) Implementation of a program involving the use of chemicals.

Consequently, the subject federal action meets OJP's criteria for a categorical exclusion as contained in paragraph 4(b) of Appendix D to Part 61 of the Title 28 of the Code of Federal Regulations. Additionally, the proposed action is neither a phase nor a segment or a project which when viewed in its entirety would not meet the criteria for a categorical exclusion

46. Performance and obligation periods

Grant funds, including local match, may be expended and/or obligated during the grant award period of performance. Grantees may only charge to the award allowable costs incurred during this grant award period. All properly incurred obligations must be liquidated no later than 45 days after the end of the award period. No new obligations may be made during the liquidation period. The grantee agrees to submit a final financial report and return all received and unexpended grant funds to DCJS within 45 days of the end of the grant award period.

If the grantee is a local government or non-profit organization and expends \$1,000,000 or more in federal awards (from all sources) during its fiscal year, the grantee is required to submit the appropriate single or program specific audit in accordance with the provisions outlined in 2CFR Part 200 Subpart F. *Title 2 U.S. CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (“Uniform Guidance”)* requires DCJS to monitor grantees to which we pass-through Federal grant funding. This responsibility includes verifying that all grantees that meet the threshold for a Single-Audit, are audited in accordance with the Uniform Guidance requirements. At the end of the fiscal year, the grantee will receive the DCJS Subrecipient Single Audit Certification Form, by email. The grantee agrees to complete the form and return it to the Grant Compliance Monitor. Failure to remit this form to DCJS may result in encumbrances being placed on current awarded grants and may also impact future awarding decisions.

The grantee agrees to forward, to DCJS or to the Auditor of Public Accounts, a copy of the grantee’s scheduled financial statement audit for the fiscal year that covers the grant award period. Grantees must communicate in writing any known or suspected violations of law encountered during audits, including fraud, theft, embezzlement, forgery, or other serious irregularities.

60. Procurement

All purchases for goods and services must comply with local established written procurement policies. If a grantee does not have an established written policy, then they must adhere to the Virginia Public Procurement Act:

<https://dgs.virginia.gov/procurement/policy-consulting--review/policy/>

Any exemption to this regulation requires the prior approval of DCJS and is only given in unusual circumstances. Any request for exemption must be submitted in writing to DCJS.

61. Nondiscrimination *under state grants and programs*

No person shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination on the basis of race, color, religion, national origin, sex, pregnancy, childbirth or related medical conditions, age, marital status, sexual orientation, gender identity, disability, or status as a veteran under any program or activity receiving state financial assistance or under any program or activity conducted by or on behalf of any state agency.

62. Personnel Cost

Grant funds may only be used for personnel costs and related benefits for individuals employed on the grant project. Payroll records must specify the grant program and funding sources, with clear identification by cost center or code. Charges for salaries, wages, and fringe benefits must accurately reflect the actual work performed by grant-funded staff during the project period. If a pay period extends beyond the project end date, you do not need to split the costs as long as the grantee is receiving a continuation grant. However, costs for salaries, benefits, or other related expenses cannot be charged to the grant after an individual leaves the grant program or outside the grant period.

Grant Special Conditions, Reporting Requirements and Project Due Dates

63. Program Guidelines

The grantee agrees to comply with the applicable Grant Program Guidelines and Attachments, available here:

https://www.dcjs.virginia.gov/sites/dcjs.virginia.gov/files/grants/PSN_EDVA_Funding_Opportunity_2026_0.pdf

DCJS may suspend (in whole or in part) or terminate funding, or impose another sanction on a grantee, for any of the following:

1. Failure to adhere to the standard terms and conditions or special conditions.
2. Failure to implement the project within 90 days of the start of the award period.
3. Implementing substantial program changes to the extent that the project is no longer aligned with the purpose of the funding.
4. Failure to submit reports (programmatic and/or financial) in a timely manner.
5. Failure to meet service objectives in the previous award period of performance.
6. Filing a false certification in this application or other report or document.

DCJS reserves the right to request the return of any funds disbursed to the grantee, including funds later determined to be unallowable, inadequately documented, unsupported, or otherwise inconsistent with federal, state or grant regulations.

65. Grantees may not use these grant funds to:

1. Cover indirect costs.
2. Purchase equipment unless it is a necessary part of, and incidental to, an approved project.
3. Supplant or replace, in whole or in part, federal, state, or local funds already supporting current program services.
4. Cover capital construction, renovation, or remodeling costs.
5. Pay for personal entertainment, personal calls, or alcohol.
6. Pay for lobbying.

66. Remedies for non-compliance of award requirements:

Failure to comply with any one or more of these award requirements -- whether a condition set out in full above, a condition incorporated by reference below, or a certification or assurance related to conduct during the award period -- may result in the Department of Criminal Justice Services (DCJS) taking appropriate action with respect to the grantee and the award. Among other things, DCJS may withhold award funds, disallow costs, or suspend or terminate the award.

67. Payment Offset Notification

This is the reduction or withholding of a grantee payment to satisfy a delinquent debt owed to the Commonwealth of Virginia or the United States federal government. Grantees are advised if delinquent debts are owed to the Commonwealth of Virginia or the United States Government, The Virginia Department of Taxation or United States Department of Treasury could withhold or reduce (offset) your claim reimbursement to satisfy the debt.

The Virginia Department of Taxation (TAX) is responsible for administering the Set-Off Debt Collection Program. The Set-Off Debt Collection Program is a legal remedy for collecting delinquent debts owed to the Commonwealth of Virginia by withholding reimbursement claim payments. If your reimbursement is reduced to satisfy a Virginia unpaid debt, and you have any questions or disagree, please contact The Virginia Department of Taxation Collections at [804.367.8045](tel:804.367.8045).

The United States Department of Treasury (USDT) is responsible for administering the Treasury Offset Program (TOP). The Treasury Offset Program is a federal government-wide debt collection program that recovers delinquent debts owed to the United States federal government by withholding reimbursement claim payments. If a TOP offset is applied, the grantee will receive a letter via USPS mail, that identifies the TOP offset amount and the federal agency(ies) to which the debt was applied. The federal agency contact(s) information will be included in the letter.

Before the Virginia Department of Criminal Justice Services issues a reimbursement claim payment, the Commonwealth's Financial Accounting System checks to see if there are any overdue debt claims owed to state or federal agencies. If there is a pending claim, or multiple claims, The Virginia Department of Taxation or The United States Department of Treasury may withhold or reduce your reimbursement claim payment by the amount of the debt owed. There is the possibility that grantee payment can have both TAX and USDT offsets applied.

DCJS does not maintain records of debts that may be owed to other state or federal agencies. If you have already paid your debt in full, or you don't owe the debt for other reasons, the agency collecting the debt is responsible for returning any part of your payment that should not have been reduced.

To avoid disruption in funding, we strongly encourage all grantees to regularly verify their organization's status with respect to any outstanding debts owed to the Commonwealth of Virginia or the United States federal government.

68. Legal Services for Aliens

Except as indicated in the following sentence, costs of providing legal services (that is, professional services of the kind lawfully provided only by individuals licensed to practice law) to any removable alien (see 8 U.S.C. § 1229a(e)(2)) or any alien otherwise unlawfully present in the United States are disallowed and may not be charged against the award.

Costs for legal services disallowed under the preceding sentence do not include costs for legal services—(1) to obtain protection orders for victims of crime (including associated or related orders (e.g., custody orders), arising from the victimization); (2) that are associated with or relate to actions under 18 U.S.C. ch. 77 (peonage, slavery, and trafficking in persons); (3) to obtain T-visas, U-visas, or “continued presence” immigration status (see, e.g., 8 U.S.C. § 1101(a)(15)(T) & (U); 22 U.S.C. § 7105(c)(3)); or (4) as to which such disallowance would contravene any express requirement of any law, or of any judicial ruling, governing or applicable to the award.

69. Additional “Action Item” encumbrances

Any additional “action item” encumbrances related to your award will be listed online on the DCJS On-Line Grant Management System (OGMS) website under the menu item Grants > Encumbrances. The grantee must address these items before DCJS staff can approve a claim marked as “Submitted” and disburse funds. If an encumbrance is placed on a grant while claims are in “Awaiting Payment, Correcting, Editing or Submitted” status, the claims will be voided or withdrawn by DCJS staff. The grantee may resubmit claims that were withdrawn or voided once the encumbrance is resolved.

Unless otherwise stated, encumbrances must be met by the stated deadline in OGMS. If they remain unmet after this date, the grantee must report to DCJS, by letter, detailing the steps taken to achieve compliance, the reasons for non-compliance, and the expected date of compliance. DCJS may terminate grant funding based upon unexplained or unreasonable failure to substantially comply with encumbrances within reasonably specified time frames.

- **GRANT CLOSEOUT:** The grantee has up to 45 days from the end of the award period to liquidate any unpaid obligations and submit a final financial report. The liquidation period exists to allow projects time to receive final invoices and make final payments -- no new obligations may be incurred during this period. Unclaimed funds will have the potential to be reappropriated by DCJS, 60 days from the end of the award period. The closeout financial reconciliations process can begin after the last claim is marked as 'Final Request – YES', even if the project end date has not arrived. Once the claims have been reconciled, any unexpended funds will be de-obligated from the award amount and grantee access to funds may not be available.

Closeout questions should be directed to Joseph Thompson at (804) 225-2782 or via email at Joseph.thompson@dcjs.virginia.gov.
