Employment eligibility confirmation with E-Verify

For purposes of satisfying the requirement of this condition regarding verification of employment eligibility, the recipient (or any subrecipient) may choose to participate in, and use, E-Verify (www.e-verify.gov), provided an appropriate person authorized to act on behalf of the recipient (or subrecipient) uses E-Verify (and follows the proper E-Verify procedures, including in the event of a "Tentative Nonconfirmation" or a "Final Nonconfirmation") to confirm employment eligibility for each hiring for a position in the United States that is or will be funded (in whole or in part) with award funds.

"United States" specifically includes the District of Columbia, Puerto Rico, Guam, the Virgin Islands of the United States, and the Commonwealth of the Northern Mariana Islands.

Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, or any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

Nothing in this condition, including in paragraph 4.B., shall be understood to relieve any recipient, any subrecipient at any tier, or any person or other entity, of any obligation otherwise imposed by law, including 8 U.S.C. 1324a(a)(1).

Questions about E-Verify should be directed to DHS. For more information about E-Verify visit the E-Verify website (<https://www.e-verify.gov/>) or email E-Verify at E-Verify@dhs.gov. E-Verify employer agents can email E-Verify at E-VerifyEmployerAgent@dhs.gov.

The subrecipient at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status.

17. Potential imposition of additional requirements

The subrecipient at any tier agrees to comply with any additional requirements that may be imposed by DCJS or the DOJ awarding agency (OJP or OVW, as appropriate) during the period of performance for this award, if the subrecipient is designated as "high-risk" for purposes of the DOJ high-risk grantee list.

18. Restrictions and certifications regarding non-disclosure agreements and related matters

No subrecipient at any tier under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the recipient--

19. Reclassification of various statutory provisions to a new Title 34 of the United States Code

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified (that is, moved and renumbered) to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

20. Requirement to report actual or imminent breach of personally identifiable information (PII)

The subrecipient's breach procedures must include a requirement to report actual or imminent breach of PII to DCJS and an OJP Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

Grant Special Conditions, Reporting Requirements and Project Due Date

If the subrecipient at any tier is designated "high risk" by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the recipient must disclose that fact and certain related information to DCJS by email. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient. The subrecipient's disclosure must include the following: 1. The federal awarding agency that currently designates the recipient high risk, 2. The date the subrecipient was designated high risk, 3. The high-risk point of contact at that federal awarding agency (name, phone number, and email address), and 4. The reasons for the high-risk status, as set out by the federal awarding agency.

22. Encouragement of policies to ban text messaging while driving

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages subrecipients at any tier to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

23. All subawards ("subgrants") must have specific federal authorization

The subrecipient at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any subaward are posted on the OJP web site at <https://ojp.gov/funding/Explore/SubawardAuthorization.htm> (Award condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.

Grant Special Conditions, Reporting Requirements and Project Due Date

24. Specific post-award approval required to use a noncompetitive approach in any procurement contract that would exceed \$350,000

The subrecipient at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (increased from \$250k to \$350k October 2025). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at <https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm> (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$350,000)), and are incorporated by reference here.

For any real property project using an amount of award funds that is equal to or over four times the simplified acquisition threshold, the subrecipient is required to file a Notice of Federal Interest in the official real property records for the jurisdiction in which the improved or purchased property is located.

25. Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OJP authority to terminate award)

The subrecipient at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

The details of the recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm> (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.

26. Requirement to report potentially duplicative funding

If the subrecipient currently has other active awards of federal or state funds, or if the subrecipient receives any other award of federal or state funds during the period of performance for this award, or uses matching funds from other sources as part of the project budget, the subrecipient promptly must determine whether funds from any of those other federal or state awards or matching funds from other sources have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the subrecipient must promptly notify DCJS in writing of the potential duplication, and, if so, requested by DCJS, must seek a budget-modification or change-of-project-scope to eliminate any inappropriate duplication of funding.

27. Reporting potential fraud, waste, and abuse, and similar misconduct

The subrecipients at any tier, must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award-- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by--(1) online submission accessible via the OIG webpage at <https://oig.justice.gov/hotline/contact-grants.htm> (select "Submit Report Online"); (2) mail directed to: U.S. Department of Justice, Office of the Inspector General, Investigations Division, ATTN: Grantee Reporting, 950 Pennsylvania Ave., NW, Washington, DC 20530; and/or (3) by facsimile directed to the DOJ OIG Investigations Division (Attn: Grantee Reporting) at (202) 616-9881 (fax).

Additional information is available from the DOJ OIG website at <https://oig.justice.gov/hotline>. The subrecipient must notify the DCJS Grant Monitor of any suspected fraud, waste, abuse, or misconduct involving or relating to funds under this award.

28. Requirements related to System for Award Management and Universal Identifier Requirements

The subrecipient at any tier must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/SAM/>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The subrecipient must maintain a valid UEI number (a unique twelve alphanumeric characters used for identifying and keeping track of entities receiving federal funds). Subrecipients must be registered in SAM to receive an award and must maintain an active registration for the entire period of the award. A person or entity debarred or suspended is excluded from federal financial assistance and benefits under federal programs and activities.

If the search returns that any organization has an active exclusion record, DCJS will not award or permit any award at any level to any party which is debarred or suspended from participation in Federal assistance programs.

If the subrecipient is found to have exclusion after the grant has been awarded, encumbrances will be placed on all active awards. Stop payment will begin on any pending payment claims. Audits will begin to verify compliance of all awards. DCJS will pursue repayment of funds that were expended during the exclusion period. If the subrecipient fails to remit funds owed to DCJS, the funds will then be deemed uncollectible debt by DCJS. Uncollectible debt will be reported to the Virginia Department of Taxation Debt Set Off program, Office of the Attorney General and third-party collections. DCJS may add fees, fines and penalties to the original amount of the debt owed.

29. Restrictions on "lobbying"

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the subrecipient at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to

Grant Special Conditions, Reporting Requirements and Project Due Date

Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a subrecipient would or might fall within the scope of these prohibitions, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

30. FFATA reporting: Subawards and executive compensation

DCJS must comply with applicable requirements to report first-tier subawards ("subgrants") of \$30,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients (first-tier "subgrantees") of award funds. The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the OJP web site at <https://ojp.gov/funding/Explore/FFATA.htm> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here.

This condition, including its reporting requirement, does not apply to-- (1) an award of less than \$30,000, or (2) an award made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

31. Justification of consultant rate

Approval of this award does not indicate approval of any consultant rate in excess of \$650 per day. A detailed justification must be submitted to and approved by the OJP program office prior to obligation or expenditure of such funds.

32. OJJDP Formula Grants Program

The subrecipient agrees that, consistent with applicable State law, staff directly associated with administration of the OJJDP Formula Grants Program will attend and participate in conferences, workshops, training sessions and other national or regional meetings deemed by OJJDP to be critical to the administration of this Program. OJJDP will determine which staff and the number of staff that should attend each meeting, consistent with the scope and subject matter of the meeting. Cost of attendance will be borne by the recipient as an administrative cost to the grant or paid from State Advisory Group set aside funds under Section 222(d), as appropriate.

33. State Advisory Group (SAG)

The subrecipient agrees that, as required by federal law (31 U.S.C. 1301(a)), the funds allocated to support its State Advisory Group (SAG) pursuant to 34 U.S.C. 11132(d) must be expended in a manner consistent with the purposes set forth at 34 U.S.C. 11133(a)(3)(B), (C), and (D). If the recipient's SAG chooses to use a portion of its limited formula grant set-aside for organizational membership fees, such costs are only allowable if those costs meet the requirements of 2 C.F.R. 200.454. The use of federal funds for 1) cash or in-kind contributions, 2) donations, or 3) payment of membership fees in organizations substantially engaged in lobbying, is specifically prohibited by 2 C.F.R. 434 and 454.

34. Juvenile Justice and Delinquency Prevention Act of 1974

Pursuant to Section 223(a)(3)(A)(iii) of the Juvenile Justice and Delinquency Prevention Act of 1974, as amended (34 U.S.C. 11101, et seq.), the chairperson of the State Advisory Group cannot be a full-time employee of the Federal, State, or local government. This prohibition applies also to an Acting Chair, or other person assuming the duties and responsibilities of the Chair, whether permanently or on a temporary basis.

35. Confidentiality of data
