Re: 2024 Operation Ceasefire Grant Program (Local Prosecutorial Resources)

---

The purpose of this Operation Ceasefire solicitation is to support local prosecution efforts to address violent crime. This solicitation was open to local Commonwealth's Attorneys only. We had approximately \$5,000,000 available and received 21 grant applications totaling \$7,374,826. After an extensive review of the grants, DCJS is recommending approval of 14 grants totaling \$5,417,317.

Seven applications were not recommended for funding. Of those seven, four were submitted for one year of funding, contrary to the guideline's instructions; one was submitted by a local sheriff's department, which was an ineligible applicant; one was submitted requesting only equipment; and one failed to adequately justify the need for the additional resources.

In summary, DCJS staff recommends approval to fund 14 projects for the 36-month period 1/1/24-6/30/26, totaling \$5,417,317, using State General Funds allocated for this purpose.
