In the first three quarters of the fiscal year 2020, 145 cases were assigned, which included 185 charges. It is important to note that our project was without a paralegal for at least a quarter of the fiscal year; and, therefore, the numbers are skewed.

## Project Performance to Date (if Continuation)

It is estimated that 750 charges will be prosecuted from July 1, 2020 - June 30, 2021. We anticipate a possible rise in the numbers due to a spike in cases seen with Covid-19. A portion of the award will also be used to support training and associated costs for project personnel.
