The Prince George Police Department justifies the need for an SRO, explaining the geographic location of the school is the furthest away from public safety resources in the county. Additional concerns are presented due to the transient nature of the population served by the school, as the school is comprised 30% of military families and 40% of the students are eligible for free or reduced lunches. Military families often have one or both parents deployed, creating an additional need for a safe and stable school environment.
