To: Criminal Justice Services Board Grants Committee

From: Michelle Miles, Program Coordinator

Date: May 2, 2023

Re: School Resource Officer and School Security Officers for Fiscal Year 24

Purpose of Funding

The purpose of the SRO/SSO Incentive Grant Program is to continue funding and establish new funding for School Resource Officer and School Security Officers positions in Virginia public schools. School Resource Officer positions provide law enforcement and security services to schools across the Commonwealth and School Security Officer positions maintain order and discipline, preventing crime, and investigate violations of school board policies. Funding originates from §9.1-110 of the *Code of Virginia*.

Number applications received + total amount requested

For State Fiscal Year 2024, DCJS staff request approval to award \$16,723,608 for SROs and \$4,090,874 for SSOs for a total of \$20,814,482 in state funds. This includes the funding of 154 continuation and 39 new grants, which funds a total of 298 SRO positions and 135 SSO positions in school divisions throughout the Commonwealth.

Number applications denied

This budget funds all the continuation grants and 39 out of 41 new applications. One of the applications was ineligible because the organization did not meet the criteria as a public school. The other application is requesting to supplant local funds which is unallowable.

Summary - request/recommendation to Committee

In summary, DCJS staff request approval to fund a total of 193 SRO and SSO grants for FY24 (July 1, 2023, through June 30, 2024) totaling \$20,814,482 in Special Funds with a local match totaling \$10,878,608.

SSO -- Grants Committee Recommendations (Cover Report)

School Security Officers

Grant Project Description

Given the sad events of recent school shootings, Al Madina School of Richmond is taking steps to protect its students and staff . According to the FBI Release 2020 Hate Crime Statistics,61.8% of hate crimes were motivated by race/ethnicity/ancestry. Al Madina School of Richmond is comprised of 70% of racial minority (American Indian/Alaska Native 11%, Asian 28%, Black 25%, Hispanic 3%, White 30%, and Two or More Races 2%).

The school is planning to hire an SSO for ensuring the safety, security, and welfare of all students, faculty, staff, and visitors. The SSO responsibilities include, maintaining order and discipline, preventing crime, investigating violations of school policies, and detaining students violating the law or school policies.

Project Performance to Date (if Continuation)

Additional Staff Recommendations/Comments

Per Va. Code § 9.1-101 for SROs and the Virginia Administrative Code, Title 6, Agency 20, Chapter 240: Regulations for School Security Officers, and the Budget Bill, these funds are available for public schools only. Al Madina School of Richmond is classified as a private school.

Grant Project Description

Buchanan County Public Schools will utilize DCJS grant funding to continue the placement of one part-time school security officer at Buchanan County Career, Technology, and Higher Learning Center during the 2023-2024 school year. The SSO is responsible for providing general daily school security, including checking visitors in, monitoring hallways and security cameras, and ensuring all entry points and outside areas are safe and secure; working with school administrators to address any student behavior concerns that arise in a prompt and effective manner; working with school administrators and staff to enforce school board policy; serving as a positive role model and mentor to BCCTHLC students; and working with the assigned SRO.

Project Performance to Date (if Continuation)

The BCCTHLC SSO has effectively carried out all goals and objectives in accordance with those in the grant application. The SSO plays a vital role in ensuring the safety and security of the school facility, students, staff, and visitors each day.

Grant Project Description

Buchanan County Public Schools will utilize DCJS grant funding to continue the placement of one part-time school security officer at Council Elementary/Middle School during the 2023-2024 school year. The SSO is responsible for providing general daily school security, including checking visitors in, monitoring hallways and security cameras, and ensuring all entry points and outside areas are safe and secure; working with school administrators to address any student behavior concerns that arise in a prompt and effective manner; working with school administrators and staff to enforce school board policy; serving as a positive role model and mentor to CEMS students; and working with the assigned SRO.

Project Performance to Date (if Continuation)

The CEMS SSO has effectively carried out all goals and objectives in accordance with those in the grant application. The SSO plays a vital role in ensuring the safety and security of the school facility, students, staff, and visitors each day.

Grant Project Description

Enderly is an open campus and does not have an SRO, we now have an retired law enforcement officer who is the SSO. He will be used to secure the perimeter of the school grounds, assist the principal, as need and will be an essential element of the DARE Program. The High School at the time of the original grant did not have an SRO or SSO; however, it now has both. Each will have specific duties as described by the principal and school needs.

Project Performance to Date (if Continuation)

We hired 2 retired law enforcement officers to be the SSOs for Enderly Heights Elementary and Parry McCluer High School. They will begin February 13, 2023.

Carroll	County Government		
Grant Application Category: >>>>>>			
Internal Status	Ranking Score (if New)	Requested	Recommended
Meets criteria with conditions	0	\$37,822	\$37,822

Grant Project Description

Carroll County Public Schools currently has ten school campuses, with four of these campuses being served by a full-time SRO. The remaining six campuses (5 elementary and 1 alternative education center) split time between three SSOs. With a land area of approximately 478 square miles it is imperative that we supplement our SRO/SSO program in a practice that best serves our students, staff, and community. Our goal is to have a SSO or SRO assigned to every school. This funding opportunity combined with others would allow coverage at each location for the full school day.

Project Performance to Date (if Continuation)

Funding secured as a result of the 23-1140-D grant award has allowed Carroll County Public Schools to provide patrolling, training and mentoring on two of our campuses. Reports and correspondence have been submitted in a complete and timely manner.

Charlottesville	City Government		
Grant Application Category: >>>>>>			
Internal Status	Ranking Score (if New)	Requested	Recommended
Meets criteria with conditions	17.5	\$150,000	\$150,000

Grant Project Description

Charlottesville City Schools currently employees DCJS certified School Security Officers (SSO?s) at the middle and high schools. The positions are called Care & Safety Assistants (CSA?s). Charlottesville High School (CHS) currently has 1 lead plus 3 CSA positions. Buford Middle School (grades 7 & 8) has 1 lead plus 2 CSA positions, and Walker Upper School (grades 5 & 6) does not have any CSA positions. As our safety model has continued to evolve, it has been determined we need one additional CSA at CHS to provide full campus coverage, and it would be very beneficial to add two CSA positions to serve our middle year students at Walker. This request would fund a total of 3 additional SSO positions to support our middle and high schools.

Danville	City Government		
Grant Application Category: >>>>>>			
Internal Status	Ranking Score (if New)	Requested	Recommended
Meets criteria with conditions	0	\$150,000	\$152,006

Grant Project Description

As a district, Danville Public Schools ranks near the bottom in Virginia. The social-economic decline in Danville has directly contributed to the rise in crime in the city and the decline in student achievement, which directly led to the decline in the quality of education in Danville to one of the lowest in the state.

DPS has 14 schools that serve 5,736 students. The problems experienced by the city have not been in a vacuum and have bled over into the school system. Violence in the community has been the bases for delinquent acts on school property and have involved a subset of students attending DPS. Adequately staffing schools with SSOs is critical to creating safe and orderly schools that are conducive for teaching and learning.

Project Performance to Date (if Continuation)

The work allowed officers to look for patterns of hotspots that included fights, skipping, and vape detections. These officers also assisted with several medical emergencies. Lastly, they were utilized at sporting events.

Grant Project Description

Williamsburg-James City County Schools (WJCC) seeks this grant to support safety and security of our elementary schools. Currently, our secondary schools have at least one SSO per building (3 at high schools and 1 at middle schools). Through this competitive process, we intend to add 9 (one for each elementary school) school security officers. Recently, WJCC had an outside consultant complete a Threat Risk Vulnerability assessment and the need for dedicated security personnel at elementary schools was a key finding/recommendation.

Project Performance to Date (if Continuation)

We have, to this point, hired 4 of the 9 SSOs for the WJCC Elementary Schools. As we look to the 23-24 school year, we believe that having the grant award for an entire academic year will enhance our program of safety and security.

Meets criteria with conditions	24	\$200,000	\$200,000

Grant Project Description

Currently, we have one SSO per middle school. However, we have multiple middle schools that are larger than our high schools and generate more security issues. It is difficult for one SSO to effectively provide outreach to students and staff in schools with over 1600 students. We would like to add a second SSO to four of our largest middle schools.

Project Performance to Date (if Continuation)

Lynchburg	City Government		
Grant Application Category: >>>>>>			
Internal Status	Ranking Score (if New)	Requested	Recommended
Meets criteria with conditions	0	\$600,000	\$600,000

Grant Project Description

This project will provide funding for School Security Officers in Lynchburg City Schools and alternative education programs with no School Resource Officer. These funds will provide resources to hire fifteen School Security Officers to serve the following locations: Hutcherson Early Learning Center Elementary Schools: Dearington, TC Miller, Heritage, Robert S. Payne, Perrymont, William Marvin Bass, Bedford Hills, Paul Munro, Linkhorne, Sheffield, and Sandusky Alternative Schools: Lynchburg City Schools Empowerment Academy & Virtual Academy (one SSO for this shared alternative education site), the Amelia Pride Center, and the Fort Hill Community School.

Project Performance to Date (if Continuation)

A Head School Security Officer was hired on January 19, 2023. Research was performed on implementing an armed SSO program. Best practices of other school systems were examined. Vacancies have been announced. Applications have been accepted.

Norton	City Government		
Grant Application Category: >>>>>>			
Internal Status	Ranking Score (if New)	Requested	Recommended
Meets criteria with conditions	0	\$50,000	\$50,000

Grant Project Description

To continue providing a school security officer for Norton Elementary and Middle School. The school security officer will be responsible for the safety and security of all students and staff of the school. This will create a secure learning environment and foster positive interactions with students.

Project Performance to Date (if Continuation)

Our SSO has proven to be a vital addition to our security plan. He currently enforces school rules and is a figure that discourages visitors to behave in a threatening manner. We have seen a reduction in trespassing, traffic issues, and threats.

Poquoson	City Government		
Grant Application Category: >>>>>>			
Internal Status	Ranking Score (if New)	Requested	Recommended
Meets criteria with conditions	26.5	\$199,800	\$199,800

Grant Project Description

Poquoson is a small school division of roughly 2200 students that does not receive a great deal of funding. We have four schools, PreK-2 (Primary), 3-5 (Elementary), 6-8 (Middle), and 9-12 (High) schools. We would like to utilize this grant to place a SSO in each school to enhance the safety of the school community. This would give us a total of 4 SSOs for the school division. This is one added layer of security that we would not be able to provide without the help of this grant funding.

Meets criteria with conditions	0	\$240,686	\$240,686

Grant Project Description

At Richmond Public Schools the School Security Officers work collaboratively with the Director, Safety and Security, and school-based leadership to cultivate and maintain a safe and loving school culture using both trauma and restorative lenses. Our SSOs investigate school board policy violations and deter policy violations & crime both during school hours and during school activities held after traditional hours. Additionally, they serve as mentors to students in need of additional social emotional support and work to engage parents and families as partners, in alignment with the Division's priorities.

Project Performance to Date (if Continuation)

The grant started on October 1, 2022 and of the 5 new SSO positions, one was hired and started in November 2022 and the other 4 positions have been filled as of March 27, 2023. Daily activities include checking the identity of visitors, escorting visitors, locking and unlocking school buildings, checking hallways, investigating suspicious behavior and investigating violations of school rules.

Meets criteria with conditions	0	\$159,606	\$166,031

Grant Project Description

The current climate of increased crime and violence, coupled with the COVID pandemic has strained existing resources in Roanoke City. As a result, Roanoke City Police Department has 35 unfilled vacancies, re-assigning prior SROs to street duty, leaving five deputies split among 17 elementary and one middle school with no SSO coverage. Given this situation, Roanoke City Public Schools (RCPS) is seeking to provide 12 SSO officers at the largest elementary schools: Crystal Spring, Fairview, Fallon Park, Grandin Court, Highland Park, Hurt Park, Lincoln Terrace, Monterey, Preston Park, Roanoke Academy, Round Hill, and Westside. And one additional at John Fishwick Middle which does not have coverage.

Project Performance to Date (if Continuation)

Roanoke City Public Schools has currently hired three (3) School Security Officers (SSO) and has 7 additional applicants in the pipeline to be hired to serve as SSO staff.

Grant Project Description

In Roanoke City the existing climate of increased crime and violence, coupled with the COVID pandemic has strained existing resources. Due to a large number of unfilled vacancies, SROs have been returned to street duty, leaving five deputies split among 17 elementary schools. Currently ten elementary schools do not have adequate coverage. These sites are Crystal Spring, Fallon Park, Highland Park, Hurt Park, Lincoln Terrace, Monterey, Preston Park, Round Hill, and Westside.

Meets criteria with conditions	0	\$50,000	\$50,000

Grant Project Description

This project will provide 1 SSO for Nottoway Elementary School. The SSO will assist teachers & admin. to maintain order and discipline in the school building and on grounds: he/she will monitor/surveil activity and respond to incidences. He/she will monitor visitor activity/assist with traffic control/drop-off and pick-up. He/she will meet with admin weekly to assess concerns/plan solutions. He/she will meet with repeat offenders 1/1 & mentor students weekly on topics such as self regulation and social/emotional growth and serve as a positive role model for students. He/she will collaborate with the sheriff's department as need arises for such things as highway traffic control for school events or other incidences as they arise.

Project Performance to Date (if Continuation)

The teachers, parents & administration at Nottoway Elementary School felt safer having an SSO on campus. The principal stated that behavior had been significantly improved over the year as well as incidents reduced. The principal request her return.

Spotsylvania	County Government		
Grant Application Category: >>>>>>			
Internal Status	Ranking Score (if New)	Requested	Recommended
Meets criteria with conditions	25.5	\$400,000	\$400,000

Grant Project Description

Spotsylvania County Public Schools is committed to providing a safe learning environment for students, staff, and visitors. School Security Officers (SSOs) play an important roll in supporting this vision. This project will help to provide one SSO for each of our seven middle schools that currently do not benefit from SSO support. This project would also provide an additional SSO for our Alternative Education Program that supports students with high levels of need. Ideal candidates for these SSO positions will be retired law enforcement officers and those with previous security experience.

West Point	Town Government		
Grant Application Category: >>>>>>			
Internal Status	Ranking Score (if New)	Requested	Recommended
Meets criteria with conditions	0	\$50,000	\$50,000

Grant Project Description

West Point Public Schools is a small, rural school division within King William County. We currently employ one SRO for our division, but we are looking to increase our safety and security measures moving forward. We would like to add an SSO for grades 6-12 starting with the 2023-2024 school year. Although unarmed, the SSO would be a presence in the building and would help deter acts of violence and potentially lesser infractions throughout our division. The SSO would be responsible for access control, patrolling hallways, restrooms, and other traffic areas, along with being an integral part of our incident response team. The SSO would be expected to develop relationships with students to identify and prevent potential issues.

Project Performance to Date (if Continuation)

The addition of an SSO to our secondary school has been a game changer. We have seen a decrease in major disruptions to the learning environment, and the overall student climate has seemed to improve. The SSO is an integral part of our safety team.
