

Purpose:

To provide all local community-based probation and pretrial services agencies who elect to provide services with a consistent and uniform procedure for providing supervision to offenders and defendants who reside in unserved localities in Virginia or other states that are contiguous to localities with state-approved services.

Authorization: §§ 9.1-173, 9.1-174 and § 19.2-152.2 of the *Code of Virginia*

Related Standard: Department of Criminal Justice Services *Minimum Standards for Local Community Corrections* Court Placement, § 3.4 B and *Pretrial Services* Judicial Officer Placement, § 4.4 B.

Related Policy: Guideline No. 3 -- Supervision Case Transfer; Guideline No. 6 – Community Service for Local Community-based Probation

Definitions:

- “Appropriate Supervision Placement” means, for the purposes of local probation, an adult offender or one who has been adjudicated as an adult, sentenced to a total of 12 months or less for a Class I or 2 misdemeanor or nonviolent felony, and who has been placed under the supervision of a local community-based probation agency with a sentence suspended in whole or in part or on local community-based probation following a deferred proceeding authorized by statute for any Class 1 or 2 misdemeanor offense.

For the purposes of pretrial services, appropriate supervision placement means an adult defendant, or one considered an adult, not charged with an offense punishable by death, and who has been released on bail to the custody and supervision of a pretrial services agency.

- “Contiguous” means a shared boundary by land with another county or city in Virginia or another state. “By land” includes shared boundaries that are connected by bridges over, and tunnels to, other localities. Contiguity applies to any county or city of the jurisdictions in a multijurisdictional area that has services and is connected to an unserved contiguous county, city or other state.
- “Unserved Area” means a county, city or state that does not have pretrial and/or local community-based probation services recognized by the Department of Criminal Justice Services.

I. Policy:

- A. Supervision services shall be provided only to residents in contiguous Virginia cities or counties or other contiguous states that are appropriate local court placements. This does not include transfer cases, monitoring cases, or those in temporary residence.
- B. Local probation and pretrial services agencies shall not accept “transfers-in” or make “transfers out” to agencies operating in unserved counties or cities in Virginia, or contiguous states.
- C. Agencies may stipulate the maximum mileage or travel time for offenders or defendants from any unserved contiguous locality in order to be served. This must be documented in the Standard Operating Procedures.
