

**Virginia Sexual and Domestic Violence Victim Fund
Program Guidelines and Application Procedures
Grant Period: January 1, 2011 to December 31, 2012**

Introduction

In 2004, the Virginia General Assembly passed legislation creating the Virginia Domestic Violence Victim Fund (VDVVF). In 2006, the Virginia General Assembly passed additional legislation changing the name of the fund from the Virginia Domestic Violence Victim Fund to the Virginia Sexual and Domestic Violence Victim Fund (VSDVVF), effective July 1, 2006. This change more accurately reflects the purpose of the funding and clarifies that resources should be focused on addressing both sexual and domestic violence.

The Department of Criminal Justice Services (DCJS) is the administering agency for this fund. Therefore, pursuant to § 9.1-116.1 of the Code of Virginia, DCJS is announcing the availability of funding to assist in protecting and providing necessary services to victims of and/or children affected by sexual violence, domestic violence, stalking, and family abuse.

Over the two-year grant period, approximately \$2.4 million will support projects in non-profit programs, local units of government, and state agencies that provide services to victims of and/or children affected by sexual violence, domestic violence, stalking and family abuse. These funds will be awarded through a competitive grant application process.

Over the two-year grant period, approximately \$2.4 million will also be distributed to local attorneys for the Commonwealth for the purpose of funding the cost of attorneys or to further dedicate existing resources to prosecute felonies and misdemeanors involving sexual violence, domestic violence, stalking, and family abuse. Awards to fund local attorneys for the Commonwealth for the purpose of supporting the cost of attorneys or to further dedicate existing resources to prosecute felonies and misdemeanors involving sexual violence, domestic violence, stalking, and family abuse will be made through a separate process. Eligible applicants in the prosecution category will be determined based on a formula and have been notified by DCJS if they qualify for funding.

Funds allocated during this cycle will be for the 24-month period January 1, 2011 - December 31, 2012. Separate awards will be made for each calendar year cycle (January 1 to December 31).

These guidelines provide detailed guidance to aid applicants seeking funds through the competitive grant process in determining eligibility, developing itemized budgets and budget narratives, and completing other related forms, including a need justification and project goals and objectives. Using the guidance presented in this document, applicants should be able to efficiently and effectively prepare complete applications.

Sources of Funding and Amount Available

The Virginia Sexual and Domestic Violence Victim Fund supports this grant program.

It is anticipated that approximately \$2.4 million will be available to support discretionary programs for the 24-month period, January 1, 2011 to December 31, 2012.

The amount available is dependent upon deposits into the Virginia Sexual and Domestic Violence Victim Fund. These funding amounts are based on the information available to DCJS at the time of publication. These figures are estimates and may change.

Eligibility Requirements for Continuation VSDVVF Applicants

During the 2011-2012 grant cycle, priority for funding will be given to continuation applicants who have successfully implemented their projects and are making satisfactory progress meeting the goals and objectives outlined in their 2011-2012 grant application.

In the event of a significant increase or decrease in the total amount of funds available in CY2012, DCJS will notify all grantees and provide guidance regarding changes to the CY2012 awards.

As a part of a long-term plan to ensure that a portion of VSDVVF grant funds is available for new initiatives, DCJS is developing a cost-assumption plan for grantees, including a timeline for project budget reductions. In future funding cycles, grantees should expect to reduce budgets.

Grant Limits

Current Grantees Applying for Continuation Funding

In response to the economic environment and in an effort to stabilize services, DCJS will **not** require continuation VSDVVF grantees to reduce their VSDVVF budget requests. However, no increases to continuation VSDVVF grantees will be approved. Current VSDVVF grantees are eligible to apply for level funding for CY2011 and CY2012.

Applicants for New Continuing Projects

Applicants submitting **proposals for new continuing projects** through the competitive grant process may request a **maximum award of \$50,000** for each calendar year of the 24-month period January 1, 2011 to December 31, 2012, for a total maximum request of \$100,000. As a part of long-term cost assumption plan, new continuing projects should expect to reduce budgets in future funding cycles.

Please note that **only one new continuing project is likely to be funded during the 2011-2012 grant cycle.**

Applicants for One-Time Projects

During the 2011-2012 grant cycle, approximately \$200,000 will be available for one-time projects addressing the priorities outlined on pages 4 and 5. Applicants submitting **proposals** for one-time

projects may request a **maximum award of \$50,000** for each calendar year of the 24-month period January 1, 2011 to December 31, 2012, for a total maximum request of \$100,000

It is anticipated that **two one-time grants** will be funded during the 2011-2012 grant cycle.

All applicants are strongly encouraged to request only the absolute minimum amount necessary to implement programs. For example, personnel costs for a part-time or full-time staff person and minimal, necessary operating expenses, including travel and supplies, are reasonable program costs.

To promote the retention of project staff, applicants are encouraged to request competitive salaries.

In future grant cycles, funded projects may be required to adjust the priorities outlined in their proposal to accommodate changes in statewide priority areas.

Eligibility Criteria for Discretionary Grants

Virginia Sexual and Domestic Violence Victim Fund grants are available to non-profit programs, local units of government, and state agencies that provide services to victims of and/or children affected by sexual violence, domestic violence, stalking, and family abuse. Eligible applicants include law enforcement agencies, victims' services programs, and programs that provide civil legal assistance. Public college and university campus programs are eligible to apply, as are private, non-profit hospitals.

Grant funds **may not** be used to support programs for perpetrators.

Eligibility Requirements for New VSDVVF Applicants

DCJS will only accept applications for **NEW** initiatives for the VSDVVF funding cycle that include calendar years 2011 and 2012 that address at least one of the specific priority areas detailed on pages 5 and 6. Please note that only **one (1) new project** is likely to be funded during the 2011-2012 grant cycle.

Priorities for Funding for Continuation Applicants and One Time Projects

As previously indicated, during the 2011-2012 calendar year grant cycles, priority for funding will be given to **continuation applicants** who have successfully implemented their projects and are making satisfactory progress meeting the goals and objectives outlined in their 2009-2010 grant applications.

As funds permit, DCJS will award up to 10% of the amount available through the competitive process for **one-time projects**, such as development of SART teams, training initiatives, resource development, or major equipment purchases directly related to providing or enhancing services to victims of sexual violence, domestic violence, stalking, and family abuse.

As funds permit, DCJS will award at least 25% of the amount available through the competitive process to applicants from **rural jurisdictions**.

In addition to the purposes outlined in § 9.1-116.1 of the Code of Virginia, the following **priorities** have been identified for **continuation applicants and one-time projects**:

- Initiatives that provide services to victims of sexual violence, including projects that specialize in adult, non-stranger sexual assault.
- Initiatives that provide services to children who experience sexual violence.
- Initiatives that provide services to children who witness domestic violence.
- Initiatives that provide training on collaboration and/or on developing, implementing, and maintaining an effective coordinated community response for local authorities and programs working with victims of and children affected by sexual violence, domestic violence, stalking, and family abuse.
- Initiatives that develop or improve protocols for forensic examination and evidence collection in cases that involve sexual violence, domestic violence, stalking, and family abuse. Allowable costs may include funding for a forensic nurse, equipment, training, or development of a SART protocol, among others. *Grant funds **cannot** be used to pay for the cost of PERK exams.*
- Initiatives that address sexual violence, intimate partner violence, and stalking on college and university campuses.
- Initiatives that develop and/or strengthen law enforcement response to sexual violence, domestic violence, stalking, and family abuse. Allowable costs may include funding for an officer focusing on crimes involving sexual and/or domestic violence; a civilian liaison to victims of sexual violence, domestic violence, stalking, and family abuse; or training to improve officer response to sexual violence, domestic violence, stalking, and family abuse.
- Initiatives that seek to improve services to underserved populations, including people affected by sexual violence, domestic violence, stalking, and family abuse in the following categories:
 - Geographic: people who live in rural areas or tribal areas.
 - Racial/Ethnic minorities: people who identify as African-American, Asian-American, Pacific Islander, Hispanic, Native American, or as a part of other underserved racial/ethnic groups.
 - Immigrants/Refugees: people who have come to the United States to take up temporary or permanent residence; people who have fled to the United States to escape danger or persecution.
 - Non-English speaking victims: people for whom English is not their primary language, who may speak Spanish, Korean, Arabic, or some other language as their primary means of communication.

- Other special needs: people with mental/emotional disabilities, people with physical/medical disabilities, older women, pregnant women, high risk (people who are formerly incarcerated, people who are currently or who have previously engaged in acts of prostitution, people who use and/or abuse substances, etc.) and people who self-identify as lesbian, gay, bisexual, or transgender.

During the 2011-2012 grant cycle, priority for funding will be given to continuation applicants who are successfully meeting the goals and objectives outlined in their 2009-2010 grant applications and who are also making satisfactory progress in implementing their projects.

Projects that do not meet the goals and objectives outlined in their grant proposal may be placed on probationary status and be required to provide corrective action plans, or may be denied continuation funding.

In addition to a project's implementation and performance, and the availability of funds, a key factor in determining eligibility for continuation funding will be compliance with grant financial and progress reporting requirements. **No current recipient of funding through this grant program will be considered for continuation funding if, as of the continuation application due date, any of the required Financial and Progress reports for the current grant are more than 30 days overdue.** For good cause, submitted in writing, DCJS may waive this provision. If an extension for a financial or progress report is needed, it must be requested by the grantee in writing before the report due date. This is a Criminal Justice Services Board policy that applies to all grant programs administered by DCJS.

Priorities for New Initiatives

DCJS will only accept applications for NEW initiatives for the VSDVVF funding cycle that includes calendar years 2011 and 2012 that address at least one of the specific priority areas identified below.

- Sexual violence projects that provide services to children and youth (17 years of age and under) who have been impacted by family violence and/or sexual violence
- Initiatives that provide services to children and youth (17 years of age and under) who are exposed to domestic violence
- Initiatives that provide services to children and youth (17 years of age and under) who are exposed to sexual violence
- Initiatives that provide services to victims of sexual violence, including projects that specialize in adult, non-stranger sexual assault
- Initiatives that seek to improve services to people affected by sexual violence in underserved populations, in the following categories:

- Individuals with mental/emotional disabilities,
- Individuals who are formerly incarcerated,
- Individuals who use and/or abuse substances.

Program Requirements

Non-supplantation: VSDVVF funds **may not be used to supplant** state, local or other funds which would otherwise be available for the same purpose. Instead, grant funds must be used to **increase** the total amount of funds used to support sexual violence, domestic violence, stalking, and family abuse services. State, local or other funds currently allocated to provide services to victims of or children affected by these crimes may not be reallocated to other purposes, if a VSDVVF grant is awarded.

All programs are required to comply with the General Grant Conditions and Assurances (Attachment 4).

Grant Period

These guidelines describe application procedures for the 24-month grant period January 1, 2011 through December 31, 2012. Applicants should submit a separate grant application for each calendar year of the 24-month grant cycle (January 1, 2011 to December 31, 2011 **and** January 1, 2012 to December 31, 2012).

Applicants requesting funds for one-time projects may submit applications for both calendar years of the two-year grant cycle **or** they may elect to apply for funding for only one year.

Separate awards will be made for each calendar year of the 24-month grant cycle.

Staffing Limits

Applicants are strongly encouraged to request only the absolute minimum number of staff necessary to implement programs. To promote the retention of project staff, applicants are encouraged to request competitive salaries.

Matching Funds

Grant applicants are not required to provide matching funds.

Evaluation and Reporting

All grant-supported programs are required to complete and submit quarterly Project Progress Reports and Financial Reports by the 12th business day after the close of each quarter. On-site monitoring visits of grant-funded activities, as well as annual telephone consultations will be conducted with each grant-funded program.

Quarterly Project Progress Reporting

Sexual and Domestic Violence Victim Fund Software

DCJS has developed a Sexual and Domestic Violence Victim Fund System (SDVVF) software package to capture required data elements. This software will be provided to grantees free of charge. Grantees are required to use the SDVVF system and may be required to submit progress reports electronically. DCJS also provides technical assistance for SDVVF users.

Information on reporting requirements, including necessary report forms, can be downloaded from the DCJS website at <http://www.dcjs.virginia.gov/victims/vdvvfForms.cfm>.

Financial Reporting:

DCJS has developed the Grants Management Online Information System to manage financial reporting. Quarterly financial reports and requests for funds must be completed on-line. Additional information about the on-line reporting system can be found on the DCJS website at <http://www.dcjs.virginia.gov/grantsAdministration/gmis/index.cfm>.

Deadline

An original and three (3) **unbound** copies of the grant application must be received by DCJS by **4:30 p.m. on Friday, October 15, 2010**. Applications should be submitted to:

Department of Criminal Justice Services

Review Process

Both DCJS and non-DCJS staff with subject matter expertise will review all applications. Based on the amount of funding available, the priorities outlined in these guidelines, the number of applications received, and the quality and completeness of applications, the grant review committee will make programmatic and budgetary recommendations for consideration by a subcommittee of the Criminal Justice Services Board (CJSB). The subcommittee will meet to review the recommendations and will make final recommendations for consideration by the full CJSB in December 2010.

If the subcommittee of the CJSB recommends for substantive reasons that an application not be funded, the applicant may appeal the recommendation before an appeals panel of the CJSB. **Applications denied due to insufficient funds cannot be appealed.** DCJS will notify any applicants eligible for appeal.

The recommendations of the appeals panel will be presented to the CJSB for final action. Based on the final approval of the CJSB subcommittee and the CJSB, awards for the 24-month grant period January 1, 2011 to December 31, 2012 will be issued in late December 2010. Fiscal and programmatic revisions may be required as a condition of funding.

Availability of Guidelines on the Internet

Instructions for Completing the Cover Sheet and Itemized Budget

Applicants should submit a grant application cover sheet (Attachment 1A) and itemized budget (Attachment 1B) for each calendar year of the 24-month grant period (January 1, 2011 to December 31, 2011 and January 1, 2012 to December 31, 2012).

Applicant:

List official name of local program or state organization applying for the grant (this may be the same as the Program Title).

Local, public agencies, such as law enforcement agencies, must apply through their local unit of government.

Jurisdiction(s):

List all primary localities to be served or, if appropriate, indicate “statewide.”

Program Title:

Indicate the name of the program or organization (this may be the same as the Applicant).

Grant Period:

For 2011, list “January 1, 2011- December 31, 2011.”

For 2012, list “January 1, 2012- December 31, 2012.”

Type of Application:

For applicants who received funding during the 2009-2010 grant cycle, check “Continuation.” Applicants indicating that they are submitting a continuation application should also include their current grant number.

Applicants that did not receive funding during the 2009-2010 grant cycle who are requesting funds for the first time should check “New.”

If your initiative is a one-time request and you will not apply for continuation funding for this project in future grant cycles, you should check “One-time request.”

Project Director, Project Administrator, and Finance Director:

Project Director: List the person at the project or local level whom DCJS can contact, if further information is needed. Typically, the Project Director is the senior staff person responsible for the day-to-day activities of the grant project.

Project Administrator: List the person who has authority to formally commit the local program, the locality, or the state organization to complying with all the terms of the grant application. Typically, the Project Administrator for a non-profit agency is the President of the Board of Directors. For a local unit of government, the Project Administrator is usually the city manager or county administrator.

Finance Officer: List the individual who will be responsible for fiscal management of the funds. Typically, the Finance Officer for a non-profit agency is the fiscal manager or the Treasurer of the organization.

Note: The three people listed on the cover sheets must be three separate individuals. One of these individuals should be a person outside of the funded organization (for example, a Board officer or government official). It is very important that you provide fax numbers and email addresses as well as phone numbers for each person above.

Brief Project Summary:

Provide a short summary of the proposed project. This will be used to describe your program to the Criminal Justice Services Board during grant review, and **must not exceed 6 lines**. Indicate the specific number of people that will to be impacted by your program in the proposed grant period. This number can be the anticipated number of victims served by the program, the anticipated number of participants in a training initiative, or another specific, determinate outcome.

For example:

The Harristown Sexual and Domestic Violence Advocacy Program (HSDVAP) is requesting funds from the VSDVVF for a part-time Hispanic Outreach Advocate (HOA). The HSDVAP anticipates serving 60 domestic violence victims, 20 sexual assault victims, and 20 stalking victims between January 1, 2011 and December 31, 2011. During the grant period, it is projected that the HOA will attend 18 events or meetings in the Hispanic community.

Statewide programs should also provide a description of their proposed projects.

For example:

The Virginia Law Enforcement Association is requesting funds to conduct statewide training on law enforcement response to sexual assault for 160 officers between January 1, 2011 and December 31, 2011. Training topics will include dynamics of sexual assault, model law enforcement response to sexual assault, and a coordinated community response to sexual assault.

Project Budget Summary:

Provide total figures from itemized budget categories. Verify that these figures match the budget totals on the budget category itemization pages. Round all figures to the nearest dollar.

Itemized Budget:

Itemize all budget amounts and place in appropriate category for each line item. Each item should reflect expenditures for a twelve-month grant period. Round all figures to the nearest dollar.

If the initiative is requesting funds for positions that do not presently exist, please list "To Be Hired" under the column requesting the names of employees. Typically, full-time employees work 2,080 hours annually.

Instructions for Completing the Budget Narrative

10 points

All applicants must explain the reasons for each requested budget item and how requested amounts were determined. A line-item budget narrative is required. Requested items not thoroughly justified will not be approved for funding.

Note: Applicants must document that the personnel costs and items requested are for the exclusive use of the program or staff supported with the VSDVVF grant. Applicants are reminded that grant funds cannot support the entire cost of an item that is not used exclusively for VSDVVF project related activities. However, grant funds can support a pro-rated share of such an item. For example, if a program requests a new computer to be shared by a part-time VSDVVF advocate and another non-VSDVVF funded advocate, only fifty percent of the cost of the computer can be requested through this grant.

Personnel

- **For salaries:** List each position by title. Show the annual salary rate for the employee and the hours of time to be devoted to the project by the employee. Typically, full-time employees work 2,080 hours annually.

Job descriptions and qualifications for positions to be funded through this project should be attached.

- **For employee benefits:** Indicate each type of benefit included and the total cost allowable to employees assigned to the project. Budgets should take into account time needed to acquire new staff and the changing demands for personnel during the course of the project. Provide

percentages used in calculating benefits for each employee. The following format should be used to detail employee benefits. List benefits for each employee separately.

For example:

Salary \$30,000

Fringe

FICA (7.65%)	\$2,295
Medicare (1.45%)	\$435
Retirement (7.5%)	\$2,250
Life Insurance (.98%)	\$294
Health Insurance	\$3,000
Dental Insurance	\$180
<u>Workers' Comp (.12%)</u>	<u>\$36</u>
Fringe Benefit Total	\$8,490

Total Personnel \$38,490

Consultants

- **For individuals to be reimbursed for personal services on a fee basis:** List each type of consultant or service (with numbers in each category and names of major consultants when available), the proposed daily fee rate, and the amount of time to be devoted to such services. An individual consultant's rate must not exceed \$450.00 per day.
- **For organizations, including professional associations and educational institutions, performing professional services:** Indicate type of services being performed and estimated contract price.
- **Consultant Travel and Subsistence:** Estimate actual cost. The cost must be reasonable and it should also adhere to the state or local travel policy. Maximum mileage rate is .50 cents a mile.

Requests for consultants will be carefully scrutinized. Only when it can be clearly justified that the use of outside consultants will significantly and permanently enhance project effectiveness will consultant fees be approved.

Travel

Itemize total travel expenses of project personnel by local mileage, non-local travel, and subsistence (lodging and meals). Grantees must follow local or state travel policy. Transportation costs, such as

air and rail fares, are at coach rates. The state-supported mileage reimbursement rate is .50 cents a mile. Requests for a higher mileage rate must be supported with documentation that the local government or agency travel policy specifies mileage reimbursement at a higher rate. Justify travel by explaining its relevance to job duties.

Requests for funding to support attendance at national level trainings will **not** be considered.

Equipment

DCJS strongly encourages applicants to request only equipment that is essential to the program. Applicants must thoroughly document the necessity and cost effectiveness of requested expenditures.

Each item to be purchased must be listed separately with unit cost. List each item to be leased or rented with the cost associated with the lease or rental. Justify equipment expenses by documenting that items would provide or enhance services to victims of and/or children affected by domestic violence, sexual abuse, stalking, or family abuse. Applicants are reminded that grant funds cannot support the entire cost of an item that is not used exclusively for project related activities. However, grant funds can support a pro-rated share of such an item.

All computers purchased with DCJS funds must be equipped with anti-virus protection software, which must be updated regularly.

Supplies and Other Operating Expenses

All costs should be itemized within this category by major types (e.g., office supplies, equipment use fees, printing, photocopying, postage, brochures, books and other victim-related materials, and telephone).

For each itemized cost, show the basis for computation ("x" dollars per month for office supplies; "y" dollars per person for training materials; telephone -- long distance at "z" dollars per month, etc.). Additionally, the rationale used to determine the basis for each computation should be explained (e.g. the photocopying cost estimate was determined based on factors including X number of staff; Y number of community presentations; Z average monthly cost of copies, etc.)

DCJS discourages requests for office space rental. DCJS will closely scrutinize office space rental requests. Applicants requesting funds to support office space rental must document efforts to secure non-grant funds.

DCJS will also carefully examine equipment maintenance requests. Applicants must thoroughly document the necessity and cost effectiveness of requested expenditures. Applicants should describe efforts to secure non-grant funds to support maintenance expenses.

Indirect Costs

Indirect costs are not allowed.

Cash/In-Kind Support from Sources Other Than Grant Program Sustaining This Project

Applicants may list source and amount of cash and in-kind support from the other sources that sustain this project. Applicants can add an attachment of this listing if more space is required. Applicants are reminded that no matching funds are required for VSDVVF grants.

Instructions for Completing the Project Description

90 points

The Project Description, including Project Overview, Need Justification, Goals & Objectives, Program Progress, Implementation Plan, Evaluation Plan, and Evidence of Community Coordination must be no longer than **15 pages for new applicants and no longer than 12 pages for continuation applicants**. These page limits also do **not** include the list of current cooperative agreements with implementation dates, which will be submitted by continuation grantees.

All applicants must adhere to the page limitations for each section of the Project Description. The Project Description should be **double spaced and completed in Arial 12 font**.

Label each section (i.e. Program Overview, Goals and Objectives, etc.) and provide the letter of each question or requirement. Limit miscellaneous attachments that are not specifically outlined in the project description.

Goal: To provide comprehensive services to adult victims of sexual assault in West County.

Objective	To-date progress	Significant Obstacles/Successes
The Sexual Assault Crisis Center anticipates providing crisis intervention services to 150 adult victims of sexual assault who reside in West County from January 1, 2009 to December 31, 2010.	From 1/1/2009 to 9/1/2010, the Sexual Assault Crisis Center has provided crisis intervention services to 116 adult victims of sexual assault who reside in West County.	A two-month delay in hiring the sexual advocate resulted in the project not meeting anticipated service targets.

At a minimum, cooperative agreements should be renewed every three years.

Projects are required to have cooperative agreements with the following agencies:

Victim/Witness programs

Prosecutors' offices
Domestic violence programs

Depending on the objectives of the project, cooperative agreements with the following agencies are also encouraged:

Court service units
Medical professionals
Legal aid offices
Mental health offices

Forensic nurse examiner programs
Social services
Offender treatment programs

New applicants and one time project applicants should include **copies of signed cooperative agreements** with the above listed agencies.

Continuation applicants should submit a **list** of current cooperative agreements and their implementation dates. **Entire copies of revised cooperative agreements should ONLY be submitted in the following cases:**

The cooperative agreement between Program A and Program B must be updated to specifically outline how the two agencies will coordinate these new services.

If cooperative agreements cannot be made with a particular agency, explain why and describe future plans to foster a relationship with the agency.
