Grant Project Description

This project is to continue local offender supervision in Accomack and Northampton Counties. Local offender supervision is to be provided in accordance with, and under the authority of, the Comprehensive Community Corrections Act for Local-Responsible Offenders. The application requests funds for staff (including administrative staff), office equipment, supplies, and standard office operating expenses.

Project Performance to Date (if Continuation)

Local probation and pretrial agencies continue to move toward a focus on practices that are evidence based, as will be captured in performance measures and grant reporting. This grantee is not meeting performance expectations at this time. However, the grant manager is working with the agency director and staff to provide support with implementing new practices and scheduling remedial training in core correctional practices (assessment and case planning).
