## Grant Project Description

These funds will be used to pay the salary and related expenses and travel to support the staff members responsible for assuring Virginia's compliance with the core requirements of the Juvenile Justice and Delinquency Prevention Act. Virginia, through DCJS, is required to monitor facilities throughout the state for compliance with sight and sound separation requirements, jail removal requirements, and deinstitutionalization of status offender requirements. We then make annual reports to the Administrator of the Office of Juvenile Justice and Delinquency Prevention on the results of our monitoring efforts. The funds we receive associated with JJDP Act are used to cover the expenses of our monitoring work.

## Project Performance to Date (if Continuation)

DCJS staff responsible for Compliance Monitoring continually monitors all jails, lockups and Juvenile Detention Homes and Juvenile Correctional facilities to insure the Deinstitutionalization of Status Offenders; sight and sound separation of juveniles from adult inmates, and the removal of juveniles from adult jails. Our compliance monitoring work continues to meet all performance requirements including the completion of the required annual Compliance Report.
