Staff Recommendation/Comments					
The recommendation is not to fund this project. Findings supporting this recommendation include: 1) the majority of the funding requested in this application is for national training for grant recipients, which is an unallowable expense and is not directly linked to the project scope outlined in the guidelines. 2) The applicant does not adequately address how the funding will be used to assist in meeting the requirements of 18.2-308.1:4(B) of the Code of Virginia.
