Grant Project Description

The ChildSafe Child Advocacy Center (CAC) is opening a satellite center in Shenandoah County during the Summer of 2017. Other funds have been secured to purchase equipment but it is not enough. An additional \$10,000 is needed to outfit the satellite space with forensic interview recording equipment to enable CAC staff to conduct interviews in the Shenandoah County space. Funds will be used to purchase and install a digital recording system, with the ability to see and hear the interviews in real time, and produce evidentiary information to the multidisciplinary team members to assist in the investigation of child abuse.
