## Grant Project Description

The project will support a Residential Substance Abuse Treatment (RSAT) program at Rustburg Correctional Center. The program will utilize the evidence-based program Cognitive Behavioral Intervention for Substance Abuse for Offenders with 6-12 months remaining to serve.

## Project Performance to Date (if Continuation)

Grantee has submitted all reports in a timely manner. First year of program implementation was slow due to program software issues and a delay in hiring. The program is now staffed with grant funded employees and the equipment issues have been worked out. It is anticipated that 60 offenders will complete the program in this grant year.
