## Grant Project Description

The Suffolk Police Department's Forensic Unit is a full service Crime Scene Unit that takes photographs and processes over 1,000 crime scenes a year. Equipment to accurately collect, preserve, and process evidence is vital to ensure the administration of justice. The Department is requesting new equipment to replace digital cameras, (obsolete and starting to fail), a forensic climate chamber (failing, limited, and not serviceable) and a fuming chamber (broken and unrepairable).

## Project Performance to Date (if Continuation)

New project.
