The Carroll County Sheriff's Office notes the school's location contributes to its need for an SRO, as it is situated close to the NC border, isolated at the base of the Blue Ridge Mountains, away from all of the other county schools and law enforcement. The population served by the school is one of the poorest in the county; 69% of the students are eligible to receive free or reduced lunch. Carroll County has also recently been designated as a High Intensity Drug Trafficking Area (HIDTA) by the federal government.

Military families often have one or both parents deployed, creating an additional need for a safe and stable school environment.
