## Grant Project Description

The Allegheny Reset Project is a collaboration between the administrators of the Allegheny Regional Jail and Allegheny Highlands Community Services Board. The project will take place at the jail and serve a minimum of 30 inmates identified as opioid users during the grant calendar year. Services will include assessment, evidence based groups to treat substance use, groups for co-occurring mental health disorders to reduce recidivism, and medication assisted treatment focused on opioid use. Post release drug free housing will be an option for a limited number of inmates. Staff involved will include licensed professional physician assistant, counselor, peer specialist, reentry case manager, nurse, and lieutenant deputy.

### Grant Project Description

The HOAP-Housing for Opioid Abusing Probationers-was designed to provide housing support in the form of rent subsidies and start-up costs, for at least 15 individuals on probation who have an opioid use disorder, particularly those who are enrolled in the Drug Court Program.

### Project Performance to Date (if Continuation)

### Staff Recommendation/Comments

Recommend funding at reduced amount. The amount of housing appeared, based on other grants with similar needs, to be excessive.

### Grant Project Description

RBHA seeks to expand and enhance the availability of medication-assisted treatment (MAT) to the residents of Richmond with Opioid Use Disorders (OUD). The agency will increase the number of individuals receiving MAT services as well as broaden the classes of medication available. This will be achieved by enhancing the existing relationships between RBHA and the Richmond Adult Drug Treatment Court and the Richmond City Justice Center.
