Application Type	Ranking Score (if New)	Requested Funding	Recommended
New	0	\$23,918	\$23,918

Grant Project Description

The AJC will purchase equipment used by staff at the Highlands Juvenile Detention Center and the Detention Alternatives Program in order to help us continue our efforts to meet our community's criminal justice needs within established ACJJP priorities. Specifically, we will purchase home electronic monitoring units, staff computers, and computer equipment required to operate safely and cost effectively. This will help us maintain the safety and security of the staff and juveniles at the HJDC, improve our ability to serve juveniles with alternative sanctions in the community, and assist staff in completing their job duties as outlined in state policies and standards.

New	0	\$11,427	\$11,427

Grant Project Description

Chesterfield County Public Schools (CCPS) has identified a marked trend of disparity in out-of-school suspensions. As a means of overcoming this problem, CCPS seeks to continue to expand the school district's Multi-Tiered Systems Support (MTSS) to reduce disproportionality concerns in discipline, which affect student attendance, academics and behavioral success. CCPS will provide MTSS to division staff, teachers and administrators to increase awareness of the identified out-of-school suspension disparities and provide alternative methods to handling situations that lead to suspensions.

Grant Project Description

Funds are being requested to create a Human Services Systems Analyst position to provide functional first-line countywide support for the development of a human services data system. The position will be responsible for researching data-sharing protocols and regulations around each human service field's data management systems. The position is intended to assist the county to improve the identification of minority youth in need of services, identify and to reduce or eliminate any duplication of services. In Loudon County, Black and Hispanic/Latino (Latinx) children are referred to the juvenile justice system more than White youth. The ultimate goal is for Loudon County to identify, serve and increase the diversion of minority youth that enter the juvenile justice system.

New	0	\$6,736	\$6,736

Grant Project Description

The Newport News Department of Juvenile Services is requesting funding to enhance documentation in the Secure Detention Division through the use of hand-held mobile devices. Currently, resident wellness checks, point of service meal accountability, and medication administration are logged manually on paper. New handhelds available through SoftTec, the sole source servicer of the Juvenile Tracking System(JTS), will allow for forms to be completed electronically by way of a mobile application that works with the JTS. The addition of the handhelds will assist the department in maintaining compliance with regulatory standards for audits, DJJ certification standards, and resident care.

Richmond	City	Juvenile Justice Services	
Grant Application Category: >>>>>>			
Application Type	Ranking Score (if New)	Requested Funding	Recommended
New	0	\$42,676	\$37,436

Grant Project Description

The requested funding will assist the City of Richmond's Peer Justice program to expand its reach and increase the program's impact by increasing referrals from multiple sources, including schools throughout Richmond. The program equips teens with knowledge, skills and support that will reduce the program likelihood of reoffending and/or involvement in the criminal justice system by using positive peer interaction. The Peer Justice program offers an alternative to traditional criminal punishment promoting a sense of responsibility and increasing pro-social skill and competencies. The program has received referrals from intake for teens charged with truancy, curfew violations, underage alcohol consumption and vandalism. Funding will support a part-time Casework Specialist, purchase of evidence based curriculum, training for peer leaders, and activities for all program participants.

Grant Project Description

The proposed funding will be used to increase family and community involvement for youth placed in the Post Dispositional Program. Social and emotional learning activities will be prioritized to establish and maintain positive relationships. A service provider will be procured to administer comprehensive family assessments, conduct strength based sessions to assess anger, anxiety and trauma, and coordinate family activities in the community. The Service provider will also serve as navigators to assist youth and their families in accessing community and neighborhood based resources. The program proposes to serve 15 youth and their families

Grant Project Description

The Timbrook Achievement Center (TAC) will provide a full continuum of services to status offenders, delinquent youths, and their families through “Saturday School”, after-school, and summer programs. The TAC will be a “one stop shop” that will provide education, services, family engagement, community service, and workforce development through collaboration with community partners. The TAC will work alongside “at-promise” youths and their support systems through individualized intake, education, and treatment plans to build skills to develop accountable, productive, and functional individuals to avoid youth being pushed further into the justice system.
