Grant Project Description

The grant will continue providing a full-time SRO for Monelison Middle School. Monelison Middle School has an enrollment of 612 students and 60 faculty and staff. The school is located in Madison Heights area of Amherst County.

Project Performance to Date (if Continuation)

Having the SRO present has defused a lot of situations and prevented the need from dispatching road units to deal with issues that the SRO has been able to handle, freeing up road units to deal with other issues outside of the school.

Grant Project Description

Funding is requested to continue a full-time SRO to be stationed at the Bedford "Alternative School," in the town of Bedford. This school houses students from all over the county, who, for various reasons, are unable to co-exist among the general population in the public school system. This SRO will also be in close proximity to the town's primary school and elementary school in case of need. There is currently no SRO stationed in the Town of Bedford due to Bedford City reverting back to a Town, so this responsibility now falls under the County of Bedford.

Project Performance to Date (if Continuation)

Bedford County Sheriff's Office has advertised for this position and also posted it in-house. There have been many applicants, but many are not qualified, and others have withdrawn their applications. A candidate was selected and was supposed to come in for pre-employment testing on April 1, 2020. However, with the advent of COVID-19, the candidate and the stay at home orders, he did not want to travel across state lines at this time. We will continue looking to find the appropriate candidate.

Grant Project Description

Continuation of the SRO Program with the Bluefield Virginia Police Department and Graham High School. SRO Bowman will continue to interact with high school students of diverse backgrounds and continue to be a familiar and approachable person among the students as well as the faculty. By doing so, SRO Bowman will not only be familiar with the physical layout of the school, but will be knowledgeable about the social environment, where there are potential conflicts—who belongs on school property and who does not. He will be able to continue to anticipate and practice early intervention in potential incidents. School safety, security and reducing/eliminating crimes among the students will continue to be the priority of SRO Bowman, working jointly with the Tazewell County School Division, our community and our department.

Project Performance to Date (if Continuation)

The SRO's presence is calming and helpful during the students daily routine and has reduced the reported incidents in most all areas of concern.

Grant Project Description

This application is for continued funding for a full-time SRO position at Parry McCluer Middle School, Enderly and Kling Elementary Schools. Our goal is to continue complete coverage of all our city schools. We are currently applying for the 3rd year continuation of SRO grant money which will enable us to keep our current SRO at the High School. The SRO program will allow the Buena Vista Police Department to provide a constant law enforcement presence for the students, teachers, and administrators. These efforts will enable our department to build and foster relationships with the students of all ages, to provide them with a safe learning environment, and will restore a much needed sense of calm to parents and teachers throughout the community.

Project Performance to Date (if Continuation)

Between October 1, 2019 and December 31, 2019, the SRO conducted ALICE Training Refresher for school staff, assisted with 10 incidents that resulted in 2 suspensions, and made referrals to school guidance counselors and truancy/dropout programs.

Grant Project Description

The Caroline County Sheriff's Office is seeking funding to continue placing a SRO at Bowling Elementary. The presence of a SRO in schools is vital given the present climate of society. The project will be measured by the reduction in crime from past years compared to the upcoming school year(s) if a SRO can be funded to place in the school. The goal is to reduce crimes that occur on school grounds by 15% by the end of the grant period.

Project Performance to Date (if Continuation)

Some of the SRO's highlights include patience working with several students with emotional issues and being positive resource for them. She has built a good rapport with several students that have, in the past, become physically aggressive with other students and staff, in which now those students feel comfortable talking with her and thus preventing situations from escalating further.

The Page County Sheriff's Office is applying for \$66,744 to continue the full-time SRO. The SRO's primary sector will be Page County Technical Center. This will be the second year that we will have a SRO at the Page County Technical Center. This position will promote school safety by decreasing barriers between law enforcement, students, staff, and parents. Without this funding, our department won't be able to have a full-time SRO at Page County Technical Center.

Project Performance to Date (if Continuation)

During the month of September 2019, the SRO encouraged the students to report crimes. The SRO had one student report vaping—enforced a Speed and Marijuana Citation—completed 336 hours of patrol and served 4 civil papers, 13 criminal papers, 14 traffic, and 216 calls for service.

Grant Project Description

The SRO onsite at Southampton Middle School promotes and provides a safe and non-threatening environment, thus helping all students learn and be productive. This will be the third year of having a SRO at SMS. He has provided immediate resolution of issues as they arise. He serves as a role model and is a steady source of hope for these children. They trust him. His presence and programs are helping to reduce the number of offenses on school grounds. Fifty percent of our students live in high risk neighborhoods. It is imperative to have a SRO in place to be onsite so he can quickly deal with serious fighting, volatile disputes, and disruptive behavior.

Project Performance to Date (if Continuation)

During the 2019-2020 school year, the SRO participated in the SMS open house, speaking on his purpose of safety and security and their children with 25% of all parents attending. As of January, there were 32 student offenders that had received suspension with zero expulsions, and no criminal files.

Grant Project Description

Riverdale Elementary School absolutely wants to continue having a SSO on site. 60% of the students at this school are from economically disadvantaged families (representing the highest poverty areas in Southampton Co). The SSO deters aggressive behaviors. He alerts of any intruders on the property and in the school. The presence of the SSO deters aggressive behaviors and has helped students develop a healthy respect for security personnel and persons of authority. The students go to the SSO for help and to share concerns. This maintains order, discipline, and helps in the students' adherence to safe secure guidelines. The SSO is also able to provide immediate response to issues or incidents, which is of the utmost importance. One of the continued goals is to reduce student offenders by 50%.

Project Performance to Date (if Continuation)

The SSO and school administrators meet weekly to problem solve issues in order to be pro-active in reducing incidents, suspensions, expulsions, alternative school and to promote safety in the school environment. The SSO has facilitated classes on topics dealing with stress, self-regulating behaviors, bullying and honesty.
