Grant Project Description

King and Queen Elementary School is a Primary School with a student body of Pre-K to 7th Grade in the southern area of the county with little to no law enforcement presence on a regular basis. King and Queen County does not have a designated middle school, the two elementary schools are a combined elementary and middle school. Response time to any incident at the school can vary from 15 to 45 minutes depending on the location of the deputies.

Our objective is to place a sworn Law Enforcement Officer in King and Queen Elementary School that provides a safe and secure environment for students and staff and also foster positive relationships between law enforcement and the citizens of the educational facility.

Grant Project Description

Clarke County Public Schools is requesting grant funding to cover the partial financial expense associated with a new School Security Officer at each of the two elementary schools. To assist in the fulfillment of this high-priority additional personnel, CCPS is prepared to supplement grant funding for any additional personnel expenses/benefits, travel, and training. Within each building, at minimum, the SSO would assist in the following key areas:

- Completion of ALICE Principles/Scenario training for all staff and students in his/her elementary building
- Coordination and supervision of safety and security procedures and drills
- Reduction in discipline referrals by positive interaction
- Successful return to school for virtual students.

Grant Project Description

The Smyth County Sheriff's Office is requesting funds to provide a School Resource Officer for Saltville Elementary School (SES) in Saltville, Virginia. The Saltville Police Department had provided an SRO for SES but will discontinue this position due to budget reasons. This would leave SES the only school in Smyth County without an assigned SRO. SES has 210 students in grades Pre-K through 5th. An SRO placed in SES would be essential to provide safety and security for administration, faculty, and students who work and attend SES.

Grant Project Description

Using existing SRO programs at two of the County's other elementary schools, Dinwiddie County will establish an SRO program at Dinwiddie Elementary School for the 2021-2022 school year. While the primary role of the SRO will be to provide law enforcement, the SRO will also serve as a law-related educator in classrooms and a role model for students. The SRO will develop and nurture relationships with students, faculty, school administrators, parents, and the community, thereby preventing and reducing juvenile crime and ensuring the safety and security of all students and staff at Dinwiddie Elementary School.
