Grant Project Description

Assist low income and previously incarcerated persons to restore their driving privileges so that they can drive to work and keep a job. Drive-To-Work provides legal assistance through attorneys to perform this service.

Project Performance to Date (if Continuation)

Drive-To-Work is the only firm or organization which provides legal assistance to help persons whose licenses are suspended by the Virginia Department of Motor Vehicles (DMV) to reinstate their driver's licenses. Our program is well known among judges, lawyers and public defenders, probation officers and reentry programs, which refer persons to us. Statewide we have served over 2,600 clients and obtained 806 licenses since 2007. For the 9 months ending March 31, 2021, we received 88 applications, served 38 clients and obtained 12 licenses. During the pandemic, limited services were available from the courts and DMV which negatively impacted the program.
