Re: 2023 Coronavirus Emergency Supplemental Funding Grant Program

The Coronavirus Emergency Supplemental Funding Grant (CESF) Program made federal funds available to assist eligible applicants in preventing, preparing for, and responding to the coronavirus. Virginia received an initial award of \$10.8 million. Most of those funds were made available and disbursed in two prior funding opportunities to a variety of entities, including local and state agencies, non-profit organizations, and colleges and universities.

Staff is proposing that the remaining \$1.1 million be awarded to the twenty-two (22) Virginia regional jails. Each facility would be eligible for up to \$50,000. This is a non-competitive award, which will provide additional funding to assist Virginia's regional jails with meeting their safety and other organizational needs as they continue and prepare to deal with the effects of the coronavirus.

If approved, applications would be submitting in OGMS documenting proposed purchases of qualified personal protective equipment (PPE), cleaning supplies and other related equipment.

The grant period for these awards would be from November 1, 2023 – January 31, 2024.

No applications were denied.

In summary, DCJS staff request **approval to fund 22 awards, totaling \$1,100,000 through the 2023 Coronavirus Emergency Supplemental Funding Grant Program.**
