To: Criminal Justice Services Board Grants Subcommittee

From: Tracy Matthews, Manager, Division of Public Safety Training and Virginia Center for School and Campus Safety

Date: April 25, 2024

Re: Edward Byrne Memorial Justice Assistance Grant - Law Enforcement Equipment

The purpose of Edward Byrne Memorial Justice Assistance Grant (“JAG”) funds is to allow states and units of local government, including tribes, to support a broad range of activities to prevent and control crime based on their own state and local needs and conditions. As the State Administrative Agency (SAA), DCJS has the responsibility of managing the coordination and distribution of JAG funds in a manner that supports and improves the overall criminal justice system of the Commonwealth of Virginia.

This competitive funding opportunity was open to all local and public campus law enforcement agencies. Applicants were invited to submit applications with a project to purchase equipment that improves or enhances the delivery of daily law enforcement services to the community and/or ensures the safety of citizens and officers.

For this funding opportunity, DCJS received and reviewed 127 applications. Staff is requesting the approval to award \$2,939,123.00 in federal JAG funds to seventy-one (71) Law enforcement agencies.

Twenty-three (23) applications were denied for this JAG funding opportunity.

In summary, DCJS staff request approval to **fund seventy-one (71) projects for the 9-month period (7.1.2024-3.31.2025), totaling \$2,939,123.00, using federal JAG funds** allocated for this purpose.

Staff continue to review thirty-three (33) additional applications that required clarification and/or budget revisions, due to proposed projects that extended beyond the grant period.

Byrne/JAG -- Grants Committee Recommendations (Cover Report)

Byrne/Justice Assistance Grant Program LE Equipment

Byrne/JAG -- Grants Committee Recommendations (Summary Report)

Byrne/Justice Assistance Grant Program LE Equipment

25-Apr-24

| Grant Application Number | Grant Program | Applicant Location | Implementing Agency | Requested Funding | Recommended Funding | Internal Status | Applicant Brief Project Overview | Type of Application |
|--------------------------|--------------------------------|--------------------|---------------------|-------------------|---------------------|--|---|---------------------|
| 528414 | Byrne Justice Assistance Grant | Abingdon | Town Government | \$ 24,573.41 | \$ 24,574.00 | Meets criteria with conditions | The Abingdon Police Department is seeking funding for equipment through the Byrne/Justice Assistance Grant Program to obtain and upgrade the technological infrastructure within our patrol vehicles. The project goal is to purchase and install new laptop computers, complimented by a suitable docking station and power supply, to enhance the operational capabilities of our patrol vehicles and support patrol officers. Additionally, the implementation of laptop computers in patrol vehicles will improve real-time data access, support incident reporting, and sharing of communication in the field. | New |
| 528604 | Byrne Justice Assistance Grant | Alberta | Town Government | \$ 50,600.00 | \$ - | Does not meet criteria | This project is to be used to replace and upgrade dated police equipment that is currently being used. To include a patrol vehicle and the equipment necessary to protect and serve the citizens of the Town Of Alberta and all who visit or travels through the area. | New |
| 526827 | Byrne Justice Assistance Grant | Alberta | Town Government | \$ 56,527.00 | \$ - | Does not meet criteria | This Project has been established in order to purchase/lease four flock cameras to be placed throughout the Town Of Alberta, in aiding with police protection and community security. | New |
| 526468 | Byrne Justice Assistance Grant | Appomattox | County Government | \$ 98,495.30 | \$ 98,495.00 | Meets criteria with conditions | To provide new and updated equipment for local law enforcement to better serve the community. | New |
| 527694 | Byrne Justice Assistance Grant | Arlington | Other | \$ 75,000.00 | \$ 75,000.00 | Meets criteria with conditions | The Arlington County Police Department (ACPD) is applying to request consideration of funding for equipment and supply needs in support of its efforts to improve and enhance the delivery of daily law enforcement services to the community, by ensuring the safety of our officers, community members, and their property. The items requested for funding will all help officers conduct their duties in a more safe and efficient manner, as they work to reduce crime and improve the quality of life for all our residents and visitors. If awarded, grant funding for these requests will provide the critical difference that allows these important improvements by supplementing our limited local budget. ACPD is currently in-process for CALEA reaccreditation. | New |
| 526549 | Byrne Justice Assistance Grant | Augusta | County Government | \$ 67,423.00 | \$ 67,423.00 | Meets criteria with conditions | The Augusta County Sheriff's Office plans to utilize the 2024 Byrne Justice Assistance Equipment Grant Solicitation to acquire new non-lethal equipment that will improve our ability to properly intervene with a reduced use of force level to take individuals into custody. We also plan on utilizing this grant opportunity to improve our training and make it more dynamic by acquiring target systems that can be utilized for both lethal and non-lethal training. We plan on utilizing this grant funding opportunity to acquire new non-lethal Pepperball launchers and Auto Targets. Auto Targets provide highly effective training through features that provide moving, dynamic targets that can be used for lethal, less-lethal, and non-lethal training. | New |
| 526708 | Byrne Justice Assistance Grant | Bath | County Government | \$ 100,000.00 | \$ 100,000.00 | Meets criteria with conditions | Bath County is a very mountainous area in the Federal Radio Quiet Zone. We have approval to switch to VHF from UHF radios to enhance radio coverage. This will allow us to have communications with dispatch in most of the county without the federal restrictions from the Greenbank Observatory. We have been successful with Highland County in receiving a grant for some equipment already but over \$4,000,000.00 will be needed to complete this project to provide adequate communications for both Counties. We also transport our prisoners to and from Alleghany regional jail some 23 miles away. Some prisoners are transported multiple times and due to low staffing sometimes with only one officer. Equipment to enhance officer and offender safety. | New |
| 528480 | Byrne Justice Assistance Grant | Bedford | County Government | \$ 63,500.44 | \$ 62,851.00 | Meets criteria at reduced level/conditions | Bedford County intends to use this funding to purchase equipment that has been difficult to obtain by other means. Since COVID-19, there has been an increase in mental health situations, domestic violence, drug use and related crime, theft, and violent crimes. Along with that, we have experienced a loss of certified law enforcement officers that we are finally gaining some ground to replace. Bedford County wishes to purchase a Valorence Advanced Pole Camera Mini, 6 sets of Stinger Spike systems, 4 Handheld FLIR units, and 4 NVG units. The equipment will be used to better enable officers to serve the county while ensuring the safety of citizens and officers. | New |
| 526907 | Byrne Justice Assistance Grant | Blacksburg | Town Government | \$ 72,114.80 | \$ 72,115.00 | Meets criteria with conditions | The Blacksburg Police Department is seeking grant funds to replace gas masks that have long expired. The Department seeks to purchase this equipment to ensure that officers are issued equipment that is both practical and necessary. These pieces of equipment are essential for the protection of officers during critical incidents. | New |
| 527776 | Byrne Justice Assistance Grant | Bluefield | Town Government | \$ 50,688.00 | \$ 50,688.00 | Meets criteria with conditions | Our department is actively seeking grant funding to revive our K9 program to address and combat the escalating drug use and distribution within our jurisdiction situated in a federally designated hi-intensity drug trafficking area in Tazewell County in Southwest Virginia and neighboring Mercer County in Southern WV. Following the decriminalization of marijuana in Virginia, our previous K9 units trained to detect marijuana among other drugs were retired as their training could not be adapted to the new legal landscape leading to the departure of our experienced K9 handlers. Our plan includes purchasing K9's from a reputable supplier ensuring comprehensive training for both K9's & their handlers. | New |

| | | | | | | | | |
|--------|--------------------------------|---|-------------------|---------------|--------------|--|---|-----|
| 528566 | Byrne Justice Assistance Grant | Botetourt | County Government | \$ 23,695.00 | \$ 23,695.00 | Meets criteria with conditions | When a violent crime occurs all eyes are on law enforcement. The public expects law enforcement to leave no stone unturned and bring the responsible party quickly to justice. At a time when trust in LE is at an all time low we must do everything we can to protect our citizens and rebuild their faith in us. This year Botetourt County has seen an increase in violent crime including a violent homicide. We all know that trace evidence and DNA are crucial in these investigations. If awarded the Botetourt Sheriff's Office would purchase a Forensic Light Source capable of finding trace evidence that without it could be easily overlooked. | New |
| 526396 | Byrne Justice Assistance Grant | Bridgewater | Town Government | \$ 75,000.00 | \$ 75,000.00 | Meets criteria with conditions | The are several items in our Police Department that we have a need for this year. Equipment such as communication equipment. Replacement of few in car radios that are old and outdated, and a few portable radios as we add auxiliary officers. We currently have no spare portable radios. Also, evidence security equipment in our police department such as a firearms locker. We also are in need the Preemptive traffic light signals for our locality. Also a radar feedback sign to slow traffic down as well. | New |
| 526955 | Byrne Justice Assistance Grant | Brunswick | County Government | \$ 62,400.00 | \$ 62,400.00 | Meets criteria with conditions | The Brunswick County Sheriff's Office is seeking grant funds to support the enhancement of equipment for the department. Planned purchases include Mobile Data Terminals, Docking stations, keyboards, printers, bar code scanners; radios, and in-car cameras. Costs for equipment have increased significantly placing a burden on taxpayers already struggling due to inflation. This equipment is needed for the safety and protection of deputies and citizens, as well as improving the efficiency of daily operations. These costs are not included in the department operating budget as funds are not available. In order to purchase this equipment other operational needs will be sacrificed to cover said unbudgeted items. | New |
| 528826 | Byrne Justice Assistance Grant | Buena Vista | City Government | \$ 5,439.96 | \$ - | Ineligible | We have SSO/SROs at every school; however, they cannot bring their rifles into the school building due to no safe way to secure them which makes them ineffective if needed in the result of an emergency. | New |
| 527025 | Byrne Justice Assistance Grant | Capital Region Airport Commission | Other | \$ 100,000.00 | \$ - | Ineligible | The Richmond International Airport Police Department is requesting grant funding for the purpose of creating a police surveillance hub. The objective of the hub would be to expand on current crime prevention efforts by centralizing current technology and upgrading police specific surveillance capabilities. Additionally, the center would produce a prime location to establish unified command and/or coordinate with sworn and non-sworn resources during airport incidents. This would be particularly helpful when responding to airfield/airline incidents, working large-scale public events, and providing dignitary escorts that warrant the presence of law enforcement. | New |
| 528047 | Byrne Justice Assistance Grant | Charlotte | County Government | \$ 82,147.20 | \$ 53,680.00 | Meets criteria at reduced level/conditions | The Charlotte County Sheriff's Office is in desperate need for new body cameras for use by deputies. The existing cameras are failing and obsolete. They are no longer introductions, and we are not able to find replacement parts or vendors who can service them. | New |
| 528586 | Byrne Justice Assistance Grant | Charlottesville-Albemarle Airport Auth. | Other | \$ 28,282.00 | \$ - | Ineligible | The CAADPS currently employs a paper system for policy creation and management. This approach often leads to inconsistencies, delays in updates, and difficulty in tracking compliance within the agency. As a result, our department struggles to maintain compliance Our policy manual that has not been updated in over a decade. We have completed policies up for approval and implementation, but our current methodology does not allow this to be accomplished promptly. Implementing police policy software will enhance our organizational efficiency, transparency, and compliance within our department. With the support of policy management software, our department will be better equipped to uphold the highest standards of professionalism. | New |
| 527781 | Byrne Justice Assistance Grant | Chesapeake | City Government | \$ 104,200.00 | \$ - | Does not meet criteria | The City of Chesapeake Police Department (CPD) seeks to create a Real-Time Crime and Information Center (RTCC). The RTCC will aid in the identification, investigation, and reduction of violent crime throughout the city. The RTCC will combine state-of-the-art analytical technology, data processing systems, and competent detective work to help CPD more quickly respond to crimes in progress as well as follow investigative leads from information derived from the RTCC systems. These systems include integration of existing license plate reader technology, gunshot detection, security and surveillance cameras, and real-time location of deployed officers all into one system. | New |
| 527528 | Byrne Justice Assistance Grant | Chesterfield | County Government | \$ 99,995.00 | \$ 99,995.00 | Meets criteria with conditions | The Chesterfield County Police Department (CCPD) requests funding to procure a sole source hand-held x-ray instrument for our Special Investigations division and GORUCK equipment for our training academy. | New |
| 528887 | Byrne Justice Assistance Grant | Chilhowie | Town Government | \$ 10,192.28 | \$ 9,803.00 | Meets criteria with conditions | The Chilhowie Police Department is seeking funds to purchase the BOLA wrap system to assist in de-escalation with subjects in deadly and force situations where a firearm or Taser is used with negative results. We hope to use this device as a non-pain compliance and de-escalation tool to incapacitate an individual before having to resort to any physical or deadly force option. | New |
| 528488 | Byrne Justice Assistance Grant | Clarke | County Government | \$ 99,205.03 | \$ 98,813.00 | Meets criteria with conditions | Grant Funds will be used to upgrade and replace our current portable radios, which were purchased in 2007. These radios are no longer able to be repaired due to their advanced age. This creates a safety issue for our personnel. Clarke County has just completed a large scale communications upgrade and replacement to enhance our 911 Center and radio coverage. Replacing our existing portables will allow greater operability of this system. | New |
| 527135 | Byrne Justice Assistance Grant | College of William & Mary | State University | \$ 24,331.00 | \$ 18,391.00 | Meets criteria at reduced level/conditions | William & Mary Police Department is respectfully requesting funding to provide our department with updated technology to produce, maintain, and train Policy and Procedures to continue our commitment with VLEPSC Accreditation. | New |

| | | | | | | | | |
|--------|--------------------------------|------------------|-------------------|--------------|--------------|--------------------------------|---|-----|
| 527230 | Byrne Justice Assistance Grant | Colonial Heights | City Government | \$ 99,063.00 | \$ 98,938.00 | Meets criteria with conditions | The Colonial Heights Police Department is seeking funding to purchase equipment that will assist officers with crime reduction in our City. This will take form through targeted purchases that will provide mobile video surveillance equipment, to monitor large events, as well as high crime areas. The need to establish internet and intranet connectivity inside the police vehicle and evidence collection and storage needs will also be addressed. | New |
| 526599 | Byrne Justice Assistance Grant | Culpeper | County Government | \$ 99,999.65 | \$ - | Does not meet criteria | The Culpeper County Sheriff's Office would like to establish a Drone Program utilizing grant funds to purchase necessary equipment. By providing an aerial perspective, drones can swiftly assess emergencies, such as active shooter incidents or natural disasters, and provide invaluable information that enables law enforcement to make well-informed decisions, safeguarding both officers and the public. | New |
| 528668 | Byrne Justice Assistance Grant | Danville | City Government | \$ 15,999.96 | \$ 16,000.00 | Meets criteria with conditions | The Danville Police Dept. is seeking grant funding in the amount of \$15,996 to purchase (4) RTS Active Shooter Ballistic Shields for patrol deployment. The agency currently does not deploy ballistic shields on patrol, but recognized an urgent need after a recent officer involved shooting incident. The City is separated into (4) quarters and the requested amount provides the ability for one shield to be in each area for quick deployment at all times. The shields allow for safe advance on a suspect in an active shooter situation, but also allow for a safe barrier to allow for de-escalation attempts by officers in a crisis or mental health case with an armed subject when no other options exist. Time reduces the chance of use of deadly force. | New |
| 528046 | Byrne Justice Assistance Grant | Exmore | Town Government | \$ 25,000.00 | \$ 25,000.00 | Meets criteria with conditions | The Exmore Police Department will use funds from this grant to upgrade the current Network Camera System by adding five more Network Cameras to provide more video coverage of high traffic, high crime areas of town. The current camera system has reduced crime in town and assisted both Accomack and Northampton County Sheriff's Office with solving crimes. | New |
| 528606 | Byrne Justice Assistance Grant | Fluvanna | County Government | \$ 36,515.58 | \$ 36,516.00 | Meets criteria with conditions | Our law enforcement agency seeks to enhance the safety of our officers and improve traffic management protocols through the implementation of two key initiatives: the acquisition of guardian angel safety lights for deputies and mobile radar speed and messaging trailers. These measures are essential to address the inherent risks faced by our deputies while directing traffic on roadways, managing emergencies, and overseeing special events. The Guardian Angel lights will improve officer visibility, reducing the risk of accidents and enhancing overall safety. The mobile radar speed and messaging trailers will increase driver awareness of speed limits and safety information, promoting and improving roadway safety in Fluvanna county. | New |
| 527240 | Byrne Justice Assistance Grant | Frederick | County Government | \$ 92,950.00 | \$ 92,951.00 | Meets criteria with conditions | To obtain funding for a Dynamometer to be used for the biannual calibration of our fleet of policing vehicles. Funding for this project would allow for the safe and timely calibration of our fleet. In the past, we have used both local public roads and airport runways. Due to circumstances beyond our control using the local airport runway is no longer an option. Finding straight stretches of open road is problematic best. Obtaining the necessary speed of 100 mph on an open road puts both the safety of the public and that of the Deputy at risk. Weather can also be a factor in completing the necessary testing. The purchase of a Dynamometer would remedy our needs and allow our organization to focus more time on serving its population. | New |
| 528199 | Byrne Justice Assistance Grant | Fredericksburg | City Government | \$ 12,600.00 | \$ 12,600.00 | Meets criteria with conditions | The FPD is requesting funds to purchase four License Plate Reader (LPR) cameras. The cameras will monitor the city's entry and exit points to identify motor vehicles that are stolen or potentially involved in other crimes, and for which a vehicle tag is entered into the national database for purposes of criminal behavior, such as an amber alert for a missing or abducted child. LPR's will capture images of vehicles, including license plate numbers and other identifying aspects such as bumper stickers, dents, etc. Pairing the LPR intelligence with the mobile surveillance platforms will reduce officers' time commitment devoted to viewing camera footage. | New |
| 528463 | Byrne Justice Assistance Grant | Gate City | Town Government | \$ 25,169.20 | \$ 25,169.00 | Meets criteria with conditions | These funds will be used to purchase and install mobile data terminals in five of our patrol vehicles that currently are not equipped with mobile data terminals. We believe the terminals will allow officers to complete warrant checks, license checks, and registration of vehicle checks more efficiently while at the same time not burdening Scott County E-911 dispatch with excessive radio transmissions requesting these checks. This time saving measure will be even more important during highway safety campaigns when radio transmissions for NCIC queries are much higher while Scot County E-911 has the same number of dispatchers to serve all emergency services in Scott County. Officers will be certified to use the MDT's through Scott County E-911 | New |
| 528511 | Byrne Justice Assistance Grant | Gloucester | County Government | \$ 7,500.00 | \$ 7,500.00 | Meets criteria with conditions | This project will help replace police bikes that are in use as well as bolster our fleet. We currently have five working police bikes, however, with festivals, parades and other functions, there is a need for a larger amount of police bikes in use. This grant would allow for us to strengthen our unit and have more effective mobility with the police bikes at functions such as these. | New |
| 527304 | Byrne Justice Assistance Grant | Grayson | County Government | \$ 78,779.76 | \$ 78,780.00 | Meets criteria with conditions | The Grayson County Sheriff's strives to provide its citizens with extraordinary service and protection. While doing so, it is routinely important to upgrade the outdated equipment and resources. Several areas in our office need attention, from patrol to Animal Control as well as our Civil division. The budget request details our current needs. Our current operating budget does not provide an avenue for these items, making it imperative to utilize these JAG Grant funds. | New |

| | | | | | | | | |
|--------|--------------------------------|---------------------|-------------------|---------------|---------------|--|--|-----|
| 528787 | Byrne Justice Assistance Grant | Grundy | Town Government | \$ 45,817.47 | \$ 44,631.00 | Meets criteria at reduced level | Updating communications equipment and technology to improve training capabilities. Providing officers with up to date state of the art communications is vital to the service of our rural community. Updated communications will increase the safety of officers responding to calls for service and the ability to effectively dispatch additional resources. Currently, our department is the smallest in the state of Virginia to become Accredited. New equipment for training will allow the department to train virtually in a less crowded environment with increased visibility of instruction. Better equipping our instructors will allow them to offer virtual (Accreditation) training to other agencies from outside our department. | New |
| 527082 | Byrne Justice Assistance Grant | Hampton | City Government | \$ 67,148.32 | \$ 67,148.00 | Meets criteria with conditions | In 2023, the City of Hampton approved for Sheriff K. Bowden to open the Sheriff's Transition and Re-entry (S.T.A.R) Center. Currently the S. T. A.R. Center is still being developed and does not have the necessary equipment to meet its function. The Hampton Sheriff's Office is seeking to purchase office equipment and supplies such as desktop computers, laptop computers, monitors, smart boards, photo cameras, chairs, desks, classroom type chairs/desk, Smart TVs, wall mounts, portable cloths racks, partitions/cubicles, clothes, and food for the S.T.A.R. Center. The equipment that is requested is necessary to provide re-entry services to the community to reduce recidivism and crime. | New |
| 528088 | Byrne Justice Assistance Grant | Hanover | County Government | \$ 46,700.00 | \$ 46,700.00 | Meets criteria with conditions | The Hanover County Sheriff's Office desires to purchase three groups of equipment. First, medium sized ballistic shields are requested which are to be issued to deputies whose primary assignment is inside public schools. Second, six new law enforcement use mountain bikes are requested which will be issued to members of the Sheriff's Office Bike Team to update outdated bikes that are in service. And third and finally, ten new RADAR based speed measurement devices are requested to provide further ability for our patrol officers to enhance highway safety in Hanover County. | New |
| 528657 | Byrne Justice Assistance Grant | Haysi | Town Government | \$ 15,700.00 | \$ 15,700.00 | Meets criteria with conditions | Purchase a Speed Measurement Trailer with Messaging Capabilities, to assist in the protection of the community from speeding motorist, also providing a public notification systems to the community about hazards, accidents, and event congestion. | New |
| 528343 | Byrne Justice Assistance Grant | Henrico | County Government | \$ 88,557.00 | \$ 88,557.00 | Meets criteria with conditions | The James City County Police Department seeks funding to enhance respiratory protection for sworn personnel. Our project involves acquiring Gas Mask Fit Testing Equipment, Individually Assigned Gas Masks (Avon Model C50), and Gas Mask Filters (Avon Model CTCF50). This equipment ensures compliance with federal guidelines and our Respiratory Protection Plan, enhancing safety during hazardous incidents. The project aims to improve officer safety, ensure readiness against various threats, and align with our commitment to community safety. | New |
| 528852 | Byrne Justice Assistance Grant | James City | County Government | \$ 74,245.00 | \$ 74,240.00 | Meets criteria with conditions | Longwood University Police Department (LUPD) seeks to switch vendors for our reports management software. The Farmville Emergency Communications Center is our primary public safety answering point for Prince Edward County. With the exception of the LUPD, the law enforcement agencies within Prince Edward County and this 911 center utilize a common software suite for reporting of incidents. We wish to switch to this vendor in order to have a more unified database among partner agencies and to allow us increased capabilities such as being able to run DMV checks without tying up dispatch staff. This would involve not just purchasing licenses for use of the software but also conversion of our current report database. | New |
| 528362 | Byrne Justice Assistance Grant | Longwood University | State University | \$ 60,268.26 | \$ 60,268.00 | Meets criteria with conditions | Longwood University Police Department (LUPD) seeks to switch vendors for our reports management software. The Farmville Emergency Communications Center is our primary public safety answering point for Prince Edward County. With the exception of the LUPD, the law enforcement agencies within Prince Edward County and this 911 center utilize a common software suite for reporting of incidents. We wish to switch to this vendor in order to have a more unified database among partner agencies and to allow us increased capabilities such as being able to run DMV checks without tying up dispatch staff. This would involve not just purchasing licenses for use of the software but also conversion of our current report database. | New |
| 528526 | Byrne Justice Assistance Grant | Louisa County | County Government | \$ 164,922.16 | \$ - | Does not meet criteria | Purchase defibrillators for the 63 patrol deputies needed during their response to a Cardiac Arrest call in the county as they are first on the scene and perform life saving techniques (CPR) for adults and children to save lives of our community. Purchase 1 hand held MX 908-c a chemical detection device for narcotics and fentanyl. This piece of equipment will help deputies at roadside in detection of a narcotics and counterfeit pills being used and transported in the county. | New |
| 528854 | Byrne Justice Assistance Grant | Louisa Town | Town Government | \$ 58,179.00 | \$ 31,200.00 | Meets criteria at reduced level/conditions | There are two main goals of this project - 1. Purchase software, equipment, and services which will allow us to become an accredited law enforcement agency. We plan to contract with a company to provide services and software for our department to improve our policies and effectively manage policies and documents relevant to our accreditation process. 2. Purchase equipment that will improve our level of service and safety for our staff and community members. | New |
| 526421 | Byrne Justice Assistance Grant | Madsion | County Government | \$ 106,621.00 | \$ 106,621.00 | Meets criteria with conditions | The Madison County Sheriff's Office is a rural community with a major highway passing through. We have 12 officers assigned to our patrol/traffic division. They write over 2500 summons/citations a year, with a majority being on the highway. The E-ticket citation management program is a technology that will streamline tickets and processing. | New |
| 528489 | Byrne Justice Assistance Grant | Manassas | City Government | \$ 20,899.95 | \$ 20,900.00 | Meets criteria with conditions | The purpose of this program proposal is to request a Police K9 and related first year equipment needs to successfully enhance the capacity and efficiency of the Manassas City Police Department K9 program. The equipment will allow effective police response to criminal justice community needs thus ensuring safety of citizens and officers. | New |

| | | | | | | | | |
|--------|--------------------------------|-----------------------------------|-------------------|---------------|--------------|--|---|-----|
| 526665 | Byrne Justice Assistance Grant | Marion | Town Government | \$ 25,488.00 | \$ 25,488.00 | Meets criteria with conditions | Marion Police Department is looking to improve functionality within the department to store gear, weapons, and files. Officers spending less time sorting through gear and more time on the streets. | New |
| 527265 | Byrne Justice Assistance Grant | Mathews | County Government | \$ 50,018.51 | \$ 46,503.00 | Meets criteria at reduced level/conditions | In 2024, the Mathews County Sheriff's Office is seeking to replace aging and/or expired police equipment to include speed radar units and in-car dash cameras as well as the installation costs for those. We are also seeking to replace courthouse security metal detecting wands, OC spray, Kydex outer vest equipment carriers, replacement taser cartridges, Alco-Sensors for breath tests, PVC vest badge patches, and duty belts. | New |
| 528902 | Byrne Justice Assistance Grant | Middleburg | Town Government | \$ 22,639.00 | \$ 22,639.00 | Meets criteria with conditions | The Middleburg Police Department would like to request funding to enhance traffic safety to purchase LIDAR units. We would like to improve the safety and security of our police headquarters by purchasing and having safety and security window film installed on all of our doors and windows. We also would like to purchase equipment to upgrade our patrol rifles such as purchasing quad rails, tactical lights and optics for our rifles. These items will allow us to better protect and serve those who live, work and visit the Town of Middleburg. Danny Davis is listed as the Project Administrator and the Finance Officer at this time until we hire a new Finance Officer. | New |
| 528629 | Byrne Justice Assistance Grant | Montgomery | County Government | \$ 30,043.50 | \$ 30,044.00 | Meets criteria with conditions | The Montgomery County Sheriff's Office provides full-service law enforcement services to over 100,000 citizens encompassing two towns and Virginia Tech, along with the more rural areas of the county. Many times, deputies are the first to arrive when citizens or co-workers sustain gunshot and stab wounds, along with accidents causing life-threatening blood loss or injury. Having the proper supplies available to treat these types of injuries can often prove to be life-saving measures. Unfortunately, medical go-bags are expensive and impractical to provide. By obtaining this grant, we would be able to equip deputies with vital and life-saving supplies to triage individuals until EMS arrives. | New |
| 526253 | Byrne Justice Assistance Grant | Mountain Empire Community College | State University | \$ 17,400.00 | \$ 17,400.00 | Meets criteria with conditions | Mountain Empire Community College Police Department serves the main campus community located in Wise County, as well as offsite locations in rural Wise County, Lee County, and Scott County areas. MECC Police Department strives to provide the students, faculty, and visitors with the upmost safety and security while on campus and off. The Byrne Justice grant would help our department purchase necessary communication equipment to upgrade our existing radio equipment to be P25 compliant as well as better communications when we are on duty or assisting outside agencies. This grant would greatly help our small agency keep up with the need for communication in the event of unrest or active shooter situations in the school. | New |
| 528740 | Byrne Justice Assistance Grant | Newport News | City Government | \$ 75,000.00 | \$ 75,000.00 | Meets criteria with conditions | Technology equipment to assist with legislation requirements as it pertains to a tremendous increase in requests for jury trials, evidence, presentation, victim care, and overall handling of violent crime cases. Technology platform that will assist in allowing surveillance software to be accessible at one time in one location and allows detectives to have quicker respond times to solve violent crime. | New |
| 527329 | Byrne Justice Assistance Grant | Norfolk | City Government | \$ 68,377.91 | \$ - | does not meet criteria | To enhance public safety and officer protection by reducing criminal activity, particularly violent gun crimes, through the procurement of outer ballistic carriers and plates. | New |
| 528798 | Byrne Justice Assistance Grant | Nottoway | County Government | \$ 47,000.00 | \$ 47,000.00 | Meets criteria with conditions | Funding from this grant will allow Nottoway Sheriff's Office to enhance the security system within the Sheriff's Office building, giving employees protection and piece of mind so they can better perform their duties. | New |
| 528714 | Byrne Justice Assistance Grant | Onancock | Town Government | \$ 25,000.00 | \$ 26,250.00 | Meets criteria with conditions | Increase the number of town operated security cameras. Due to lower police officer staffing we have had to increase the usage of the security cameras. If funding is approved approximately ten or more security cameras would be purchased and added to our current system. A majority of these cameras would be placed in the higher crime areas. | New |
| 528599 | Byrne Justice Assistance Grant | Onley | Town Government | \$ 30,000.00 | \$ - | Does not meet criteria | To obtain high quality forensic collection kits and materials that will better serve our community and surrounding jurisdictions, and train our officers to utilize these tools to assist in solving crimes in and outside of the town. | New |
| 528221 | Byrne Justice Assistance Grant | Patrick Henry Community College | State University | \$ 172,535.00 | \$ 99,730.00 | Meets criteria with conditions | Patrick & Henry Community College (P&HCC) is requesting funds to upgrade the radio system in use by college law enforcement personnel, security officers, and Campus Emergency Response Team (CERT) members. In addition to main campus, P&HCC has multiple sites across its service region including the Manufacturing and Engineering Technology Complex (MET) located one mile from campus, the IDEA Center in Uptown Martinsville, and a Patrick County site located in Stuart, Virginia. New integration technology and repeaters will greatly enhance the range of the radios, which do not currently allow for communication across all these separate sites. | New |
| 528735 | Byrne Justice Assistance Grant | Petersburg PD | City Government | \$ 90,603.33 | \$ - | Does not meet criteria | The funds from this opportunity would go towards the purchase of ballistic vest for our Crisis Response Team, as well as new up to date uniforms. This group plays a crucial role in responding to critical incidents that Patrol operations may not be able to handle at their level. They also execute high risk search warrants and this type of equipment plays a key role in their safety. | New |
| 528538 | Byrne Justice Assistance Grant | Petersburg SO | City Government | \$ 60,000.00 | \$ - | Ineligible- not LE in locality | The Petersburg Sheriff's Office provides courtroom security, civil process services, and other law-enforcement and community-based services. It is the goal of the Sheriff to outfit all sworn deputies with body worn cameras, upgrade our radio equipment, and upgrade our Selective Enforcement personnel with current radar equipment. These equipment and upgrades will enhance the quality of performance for all sworn staff, but also increase accountability and integrity towards the community we serve. The project will also augment steps taken toward obtaining our VLEPSC Accreditation. | New |

| | | | | | | | | |
|--------|--------------------------------|-----------------------|-------------------|--------------|--------------|--|--|-----|
| 527014 | Byrne Justice Assistance Grant | Pittsylvania | County Government | \$ 60,000.00 | \$ - | Does not meet criteria | The Pittsylvania County Sheriff's Office did not reapply for VLEPSC, and is currently in progress of obtaining the CALEA certification. The funding requested in this grant will help fund the FLOCK camera program in Pittsylvania County. A DCJS police equipment grant will fund the program until June 30, 2026. The funds requested in this grant will allow this program to be funded until June 2028. The cost of the FLOCK program is \$30,000 annually and is a strain on the local budget; therefore, having the program paid in advance will help our local budget. | New |
| 526797 | Byrne Justice Assistance Grant | Pocahontas | Town Government | \$ 24,579.00 | \$ - | Does not meet criteria | If award these much needed funds, our department plans to purchase 2 new in-car video camera's and 3 new body worn camera's along with a new server for storage of data in house. Currently, we do not have this equipment and with the size of our Town and limited budget do not for see any means in the near future to be able to obtain this valuable equipment for the protection of our officers and community. | New |
| 528444 | Byrne Justice Assistance Grant | Portsmouth PD | City Government | \$ 21,269.20 | \$ 21,269.00 | Meets criteria with conditions | Portsmouth will use grant funds to purchase defibrillators for the Police Department. The Portsmouth Police Department will provide lay responder service for cardiac emergencies by equipping select department members, facilities and/or patrol cars with Automated External Defibrillators (AED). | New |
| 528707 | Byrne Justice Assistance Grant | Portsmouth SO | City Government | \$ 60,676.00 | \$ - | Ineligible- not LE in locality | The Portsmouth Sheriff's Office is respectfully requesting funds to assist in the purchase of ballistic and non-ballistic shields, new/working cameras, and a DVR unit for the Portsmouth City Jail, and to purchase color laser printers. | New |
| 528811 | Byrne Justice Assistance Grant | Pulaski COUNTY | County Government | \$ 44,500.00 | \$ - | Does not meet criteria | We currently have a Search and Rescue Program and have deployed the program on numerous incidents to include missing juveniles, runaway juveniles, missing adults with disabilities, lost persons and wanted subjects. We have found during these incidents we lack equipment that would expedite locating these persons and waiting on resources coming from hours away or resources that are unavailable and/or out of service at the time. We would like to expand the program by added two more drones so each of the four shifts would have a drone that could be deployed immediately while awaiting other drones to arrive. We have found that a UTV and ATV have been a great resource in search and rescue but it is typically hours away if available when needed. | New |
| 528793 | Byrne Justice Assistance Grant | Pulaski TOWN | Town Government | \$ 47,857.21 | \$ - | Does not meet criteria | Replacement of unmarked investigations vehicle. | New |
| 527947 | Byrne Justice Assistance Grant | Richard Bland College | State University | \$ 99,883.00 | \$ 98,310.00 | Meets criteria at reduced level/conditions | The mission of this project is to expand the emergency communication to and from the community of Richard Bland College. | New |
| 526400 | Byrne Justice Assistance Grant | Richlands | Town Government | \$ 72,716.00 | \$ 72,716.00 | Meets criteria with conditions | The grant funds will be used to replace portable radios utilized by all uniformed officers in the Richlands Police Department. The current portable radios that are in operation are 15 years old. They are now five years past the expected life of use date, which was surpassed in 2019. | New |
| 528481 | Byrne Justice Assistance Grant | Richmond City | City Government | \$ 75,000.00 | \$ 75,000.00 | Meets criteria with conditions | The Richmond Police Department (RPD) is seeking funding to update officer protective equipment by purchasing Ballistic Helmets for the Crowd Management Team (CMT). This equipment will improve officer safety when the CMT is deployed to maintain order during large gatherings, public protests or a law enforcement response in a hostile situation. The current helmets are not ballistic rated and do not provide protection from projectiles. The new ballistic helmets will increase officer safety and provide a higher level of protective coverage. The CMT is tasked with being the frontline in some of the most volatile situations that officers must face. | New |
| 528778 | Byrne Justice Assistance Grant | Roanoke City | City Government | \$ 74,173.19 | \$ 74,173.00 | Meets criteria with conditions | Roanoke Police will be using the funds in two manners: 1) to purchase tactical and operational equipment that will aid in the protection and safety of officers and 2) purchase license plate reader cameras that will be utilized to increase safety and surveillance in high crime areas. | New |
| 528658 | Byrne Justice Assistance Grant | Roanoke County | County Government | \$ 73,480.00 | \$ 73,480.00 | Meets criteria with conditions | The Roanoke County Police Department proposes to implement the Edward Byrne Memorial Justice Assistance Grant. The purpose is to enhance the safety of Roanoke County Police Department personnel and the citizens of Roanoke County. Project activities include the purchase of ten Preliminary Breath Test instruments, five in car speed measuring devices, eight Special Weapons and Tactics uniforms, ten Mobile Data Terminals (MDTs) and ten docking stations for the MDTs. The expected outcome is to provide an increased level of safety to officers and citizens by providing the necessary equipment to perform at the highest level as well as the reduction of crime and traffic crashes. | New |
| 528847 | Byrne Justice Assistance Grant | Rockbridge | County Government | \$ 71,650.00 | \$ 71,650.00 | Meets criteria with conditions | The Rockbridge County Sheriff's Office is the primary law enforcement agency in the county. The Rockbridge County Sheriff's Office Optic Systems Project will facilitate the procurement of equipment that will aid our deputies in the performance of their duties. The equipment to be procured under this project includes 50 red dot sights for department-issued service pistols, 50 suppressor height pistol sights, and 30 red dot sights for department-issued rifles. | New |
| 528880 | Byrne Justice Assistance Grant | Scott | County Government | \$ 16,015.87 | \$ 16,016.00 | Meets criteria with conditions | Scott County Sheriff's Office is looking to replace the Interview Room System currently in place. The system we have is dated, with many steps in order to activate the recording before beginning the interview process. The Investigators have reported audio issues and trouble getting the cameras to begin recording. With the funding to purchase new and updated equipment Investigators will be able to record interviews with high quality picture and audio, redact an individual from the video to protect the identity, especially in cases involving juveniles. The Sheriff's Office will be requesting 13 computers to replace out of date models. | New |

| | | | | | | | | |
|--------|--------------------------------|-------------------|-------------------|--------------|--------------|--------------------------------|--|-----|
| 527845 | Byrne Justice Assistance Grant | Scottsville | Town Government | \$ 18,228.54 | \$ 18,228.00 | Meets criteria with conditions | The Town of Scottsville, Virginia is a small rural town located in southern Albemarle County. It has a population of 550 residents with businesses located in the center of town. The Town of Scottsville hosts a number of large community events such as the annual July 4th parade and fireworks event, the annual James River Batteau Festival, Scottsville's Holiday Happenings events, the annual Halloween event and many others, which attract thousands of motorists and people to the town each year. Messaging these events to the public has been problematic as the Town Police Department does not have any message boards or street barriers to assist with traffic flow. The purchase of this equipment is critical to the town's public safety mission. | New |
| 527072 | Byrne Justice Assistance Grant | Shenandoah County | County Government | \$ 73,375.00 | \$ 72,553.00 | Meets criteria with conditions | In an effort to improve and enhance the delivery of daily law enforcement services to the community and/or ensure the safety of citizens and deputies, we are requesting funding for equipment. We are in need of up-to-date laptops, desktops, Toughbooks, monitors, tablets, presentation equipment, and a designated presentation computer. | New |
| 526586 | Byrne Justice Assistance Grant | South Hill | Town Government | \$ 11,820.00 | \$ - | Does not meet criteria | We are requesting funds for our Gray Key License. This device is used to download cell phone data related to criminal activity. Across the board, from murders to child pornography cases, rapes, and drug investigations, our Investigations Unit uses this device to gather a great deal of evidence. | New |
| 527520 | Byrne Justice Assistance Grant | Staunton PD | City Government | \$ 61,628.40 | \$ 61,628.00 | Meets criteria with conditions | The purpose of this grant is to provide essential equipment for our Critical Incident Response Team, which is charged with providing a specialized response to tactical situations in our community. The items requested through this grant are meant to improve the outcomes of critical incidents through the use of technology. This includes mitigating risk to both officers and involved subjects. The pole camera system and camera robot will each allow officers to secure areas visually without exposing themselves directly to hazards. The tactical mask communications system and voice projection units will allow officers to communicate clearly with each other and suspects while operating in environments where a gas mask is required. | New |
| 527828 | Byrne Justice Assistance Grant | Staunton SO | City Government | \$ 28,963.00 | \$ - | Ineligible- not LE in locality | The Staunton City Sheriff's Office plans to utilize the 2024 Byrne Justice assistance Equipment Grant Solicitation to obtain new courthouse equipment that will assist in our ability to maintain security of the building and all individuals we serve. We also plan on using this grant opportunity to obtain new law enforcement equipment to further support our deputies with their day-to-day responsibilities. The Staunton City Sheriff's Office plans on using this grant funding opportunity to obtain new training equipment for our deputies. Currently, the Sheriff's Office has to use old or rented equipment when training their deputies. We would plan on purchasing new adult and infant CPR manikins, new eye and ear protection and a trauma kits. | New |
| 526591 | Byrne Justice Assistance Grant | Strasburg | Town Government | \$ 17,996.56 | \$ 17,996.00 | Meets criteria with conditions | The Strasburg Police Department wants to purchase two (2) InstAlert 24 Variable Message signs to improve traffic management in and around the Town of Strasburg. With this equipment, our department will be able to inform the public exactly what it needs to know. These lightweight message boards are easy to set up and can be displayed anywhere we need them. | New |
| 528738 | Byrne Justice Assistance Grant | Suffolk PD | City Government | \$ 72,500.00 | \$ 72,500.00 | Meets criteria with conditions | The Suffolk Police Department is committed to keeping all levels of their agency on the cutting edge of industry standards. Likewise, the Department is dedicated to providing safety and security efforts to the citizens of Suffolk. In order to continue these efforts, supplies and equipment are an important priority. It is important to provide officers with efficient equipment; supplies become obsolete, break, or new technology edges out the old. Improving and upgrading supplies and software helps make agencies work more efficiently. New supplies also make the job of the law enforcement officer and the citizens they serve safer. This proposal focuses on supplies to improve functions and technology for more efficient investigative practices. | New |
| 528537 | Byrne Justice Assistance Grant | Suffolk SO | City Government | \$ 24,189.35 | \$ - | Ineligible- not LE in locality | The Suffolk Sheriff's Office aims to enhance courthouse security, preparedness for responses to civil unrest and active shooter threats, and. This grant will help the office supplement upgrade law enforcement response equipment and increase the efficiency within the agency. Threats of civil disturbances and active shooter events continue to increase throughout the country so law enforcement agencies must continue to strengthen protective and response strategies. This equipment will also improve the delivery of daily law enforcement services to the community by providing community safety services and improved safety measures for courthouse patrons. | New |
| 527300 | Byrne Justice Assistance Grant | Sussex | County Government | \$ 30,518.00 | \$ 30,505.00 | Meets criteria with conditions | Sussex County Sheriff Department is looking for assistance in purchasing new radars to put into our patrol vehicle. With 2 major highways running through the county radars are need to help eliminate speeders and to reduce the number of highway crashes and death associated with high speeds. | New |
| 528086 | Byrne Justice Assistance Grant | Tazewell County | County Government | \$ 72,000.00 | \$ 72,000.00 | Meets criteria with conditions | The Tazewell County Sheriff's Office will utilize the requested funds to purchase RIOS LITE licenses for deputies' smartphones and mobile radios, portable radios, and radio repeaters for the Tazewell County Sheriff's Office police cruisers. | New |
| 528520 | Byrne Justice Assistance Grant | Tazewell Town | Town Government | \$ 74,545.00 | \$ 74,545.00 | Meets criteria with conditions | Funds from this grant will be used to help modernize our department and bring some of the outdated equipment up to standards of operating to provide our officers with the best equipment possible as they are on the front line serving the citizens of the community. | New |

| | | | | | | | | |
|--------|--------------------------------|---|---|---------------|---------------|--|--|-----|
| 527110 | Byrne Justice Assistance Grant | Timberville | Town Government | \$ 31,176.67 | \$ - | Meets criteria with conditions | The Timberville Police Department is applying for the Byrne/Justice Assistance Grant to purchase 7 Panasonic Toughbook laptops. The purchase will replace the department's current Panasonic Toughbooks, which are having problems staying connected to the internet and virtual network and losing GPS connectivity that relays their location to the dispatch center. These issues were reported to the Harrisonburg/Rockingham Emergency Communications Center (HRECC) but were unresolved. The Town's IT provider and Panasonic were also consulted but were unable to resolve these issues. The connectivity and GPS problems compromise officer safety, not knowing an officer's location. | New |
| 528808 | Byrne Justice Assistance Grant | Town of Culpeper | Town Government | \$ 74,376.23 | \$ 41,567.00 | Does not meet criteria | The Culpeper Police Department Drone Team has been operating for five (5) years. We were one of the first smaller agencies in our area to equip officers with Drone technology. We have assisted multiple agencies around us and have even helped some start their own program. Our current fleet is reaching end of life and showing technical problems and issue. The replacements for this program is not under any operational budget. The expansion of this program will enable the team to provide additional detailed information with updated aircraft and technology. The current fleet is quickly approaching end of life and is in need of replacement. There have been some mechanical issues because of the constant use of the aircraft. | New |
| 527341 | Byrne Justice Assistance Grant | Vinton | Town Government | \$ 36,278.00 | \$ 36,279.00 | Meets criteria with conditions | The Vinton Police Department will strengthen its law enforcement operational footprint by utilizing the awarded funding to strengthen and increase its capability to respond to critical incidents safely, conduct traffic safety measures, and have readily accessible tools in terms of officer first aid. | New |
| 528689 | Byrne Justice Assistance Grant | Virginia Beach | City Government | \$ 22,000.00 | \$ - | Does not meet criteria | Special Investigations has four Narcotics Detection Canines, and one is nearing his life expectancy for his breed and beginning to develop some health issues. This canine purchase is for a single purpose police canine for narcotics detection. An Explosive Detection Dog (EDD) is needed to respond to shotspotter, election proceedings, & events within the city. The Special Operations Unit is down two trained dogs and is at a critical point to maintain calls for service levels. K-9 detection wheel is necessary to train service canines in discreet presentations of target odors. This ensures training on pure target of choice at the odor level necessary, and not training on built up, contaminated or residual odors. | New |
| 527457 | Byrne Justice Assistance Grant | VA Peninsula Community College | State University | \$ 100,000.00 | \$ 90,000.00 | Meets criteria at reduced level/conditions | Funding is requested to replace an unsupported, legacy, records management-computer aided dispatch solution that is nearly twenty-years old by procuring a new Records Management System (RMS) and the integrated solutions (computer aided dispatch, mobile reporting, data integration/sharing, data analytics/analysis, security/medical records management, etc.) to support cross-departmental collaboration, interoperability, multi-functional reporting and data analysis, and the effective deployment of information and resources to answer requests for service, and continue to meet regulatory reporting and data sharing requirements. | New |
| 527173 | Byrne Justice Assistance Grant | VA Polytechnic Inst. & State University | Commonwealth of VA - College/University | \$ 48,011.00 | \$ 48,011.00 | Meets criteria with conditions | The Virginia Tech Police Department wishes to increase/upgrade our electric bicycle fleet in order to improve the delivery of daily law enforcement services to the community in the form of public safety, community outreach & traffic control. In addition to creating a larger community policing presence, we also wish to enhance our Emergency Response capabilities for faster, more efficient responses. Often, a quick response requires the breach of doors, which on campus are often solid core/frame, so this request is also to purchase a Kinetic Breaching Tool (KBT). Furthermore, this tool would be available for request by our surrounding agencies, to further our partnerships, and enhance the safety of our off-campus students and community. | New |
| 526821 | Byrne Justice Assistance Grant | Warren | County Government | \$ 124,716.00 | \$ 100,000.00 | Meets criteria with conditions | Grant needed to fund the purchase of 10 in-car cameras and body-worn camera systems. This agency has a policy in accordance with recommendations from the President's Task Force on 21st Century Policing and will be used to record law enforcement incidents to improve public safety. This agency has ten failing camera systems and does not have the funding to replace this essential equipment. All ten in car and body-worn cameras will be individually assigned to officers who need the equipment while performing their duties. | New |
| 526402 | Byrne Justice Assistance Grant | Washington | County Government | \$ 74,500.00 | \$ 74,500.00 | Meets criteria with conditions | The Washington County Sheriff's Office is seeking funding from Byrne - Justice Assistance Grant - Law Enforcement Equipment opportunity to add useful equipment to our department, which would expand our capabilities and increase functionality. | New |
| 528711 | Byrne Justice Assistance Grant | Weber City | Town Government | \$ 71,255.90 | \$ 71,254.00 | Meets criteria with conditions | The Weber City Police Department is seeking funding to purchase AXON's Officer Safety Plan 7 Package which includes body cameras, evidence storage, training, and tasers. The Police Department is currently utilizing body cameras that are unreliable and not secure. We want to have cameras that will be reliable at recording video and audio of officer interactions with the public, store that video securely, and allow us to easily share that video with our Commonwealth's Attorney's Office. This allows us to increase transparency and have evidence in prosecuting cases. We are able to have a savings bundling these with the Taser 7 that is included in the package, which gives officers a less lethal option when interacting with combative suspects. | New |

| | | | | | | | | |
|--------|--------------------------------|-------------|-------------------|---------------|---------------|--|--|-----|
| 527786 | Byrne Justice Assistance Grant | Wincheser | City Government | \$ 50,000.00 | \$ 50,000.00 | Meets criteria with conditions | The City of Winchester is applying for funding through the Edward Byrne Memorial Justice Assistance Grant opportunity to procure two items of law enforcement equipment which would strongly enhance the Winchester Police Department's ability to provide high-quality police services to its residents: a contactless fingerprint recovery system and a dynamic scenario-based training simulator. The contactless fingerprint recovery system would enhance the WPD's ability to collect latent fingerprints for evidence in criminal investigations, and the training simulator would allow the WPD to conduct a wide range of interactive, scenario-based in-service training with greater frequency and reduced time and resource demands. | New |
| 526508 | Byrne Justice Assistance Grant | Wise County | County Government | \$ 100,000.00 | \$ 100,000.00 | Meets criteria with conditions | If this grant is funded it will be used to purchase in-car camera systems for our patrol cars. | New |
| 528722 | Byrne Justice Assistance Grant | Woodstock | Town Government | \$ 18,544.82 | \$ - | Does not meet criteria | The Department demonstrates a proactive approach towards public safety and improving the lives of approximately 5,900 residents within a close-knit community. Acknowledging the numerous stakeholders with a shared mission, the Department values collaboration both internally within the Town's organization and externally. Investing in basic equipment including a drone and speed sign several years ago has facilitated service delivery to residents and community members. However, the Department seeks to acquire updated and more comprehensive equipment to further enhance these programs. | New |
| 526598 | Byrne Justice Assistance Grant | Wythe | County Government | \$ 71,000.00 | \$ 71,000.00 | Meets criteria with conditions | The Wythe County Sheriff's Office would like to update its aging evidence storage units. The agency is currently using 35 year old high school lockers to store evidence which are deteriorating. The Wythe County Sheriff's Office would like to purchase new storage cabinets with storage bins to streamline and modernize evidence storage to bring more efficiency to the agency. The agency would also like to purchase an interview room recording system that has server storage to save the interviews as evidence. When an interview is recorded with a suspect or victim it is considered evidence. The current system is greater than 8 years old and is beginning to have issues. This upgrade will make the department more efficient. | New |
| 526874 | Byrne Justice Assistance Grant | Wytheville | Town Government | \$ 14,000.00 | \$ 17,702.00 | Meets criteria at reduced level/conditions | The weapons of today have been developed and engineered to meet the high risk demands and needs of Law Enforcement Agencies across the Country. Updating our backup weapons with a red dot lighting system will increase both accuracy and target acquisition time, which in return builds confidence increasing both citizen and officer safety. These sight afford the end user the ability to take accurate shots at distances which may be otherwise left to larger weapon systems. All while at closer ranges increasing hit probability during high stress situations. Also, weapon lighting system would also assist the officer in knowing what they are aiming their weapons at with a clear and focus area of the suspect with a broader range area without question | New |
