

**Committee on Training Approved Minimum
Training Performance Outcomes for
Dispatchers
Effective Date-March 30, 2019**

General Notice

June 14, 2018, the Department of Criminal Justice Services' Committee on Training approved a comprehensive re-write of the compulsory minimum training standards for dispatchers. All basic dispatcher training will need to conform to the approved revisions in this document by March 30, 2019.

Communication

Performance Outcome 1.1.

Identify the development, evolution and role of today's dispatcher.

Training Objectives Related to 1.1.

1. Given a written exercise, identify the historical development of the role of the dispatcher.
2. Given a written exercise, describe the evolution of dispatching.
3. Given a written exercise, identify the dispatcher's responsibilities and the important role they play in officer safety.

Criteria: The trainee shall be tested on the following:

- 1.1.1. Identify the historical development of the role of the dispatcher.
- 1.1.2. Describe the evolution of dispatching:
 - 1.1.2.1. Federal Communications Commission (FCC)
 - 1.1.2.2. Training standards
 - 1.1.2.3. Equipment
 - 1.1.2.4. Technology
- 1.1.3. Identify the dispatcher's responsibilities and the important role they play in officer safety.

Lesson Plan Guide: The lesson plan shall include all items in the Criteria Section.

Performance Outcome 1.2.

Identify utilization of equipment and various components.

Training Objectives Related to 1.2.

1. Given a practical or written exercise, describe typical components of communication centers.
2. Given a practical or written exercise, identify communication equipment functions, and terminology of 911/ emergency communications equipment.
3. Given a practical or written exercise, explain various means of technology to contact 911/emergency communications.

Criteria: The trainee shall be tested on the following:

1.2.1. Describe typical components of communication centers.

1.2.2. Identify communication equipment functions, and terminology of 911/emergency communications equipment:

1.2.2.1. Phone

1.2.2.2. Radio

1.2.2.3. CAD/computer.

1.2.3. Explain various means of technology to contact 911/emergency communications:

1.2.3.1. Landlines

1.2.3.2. Telematics

1.2.3.3. Cell phones

1.2.3.4. Specialized equipment (e.g. text to 911, voice over IP, and social media).

Lesson Plan Guide: The lesson plan shall include all items in the Criteria Section.

Performance Outcome 1.3.

Demonstrate dispatcher communication and interpersonal skills.

Training Objectives Related to 1.3.

1. Given a practical exercise, demonstrate the use of a calm and controlled voice on radio and telephone.
2. Given a practical or written exercise, demonstrate or identify the use of interpersonal skills with internal and external customers.
3. Given a practical and written exercise, demonstrate and identify the importance of clear and distinct speech.
4. Given a practical and written exercise, demonstrate and explain the difference between hearing and active listening.
5. Given a practical or written exercise, explain the difference between a fact and an inference.
6. Given a practical exercise, demonstrate the ability to give and follow instructions.

Criteria: The trainee shall be tested on the following:

- 1.3.1. Demonstrate the use of a calm and controlled voice on radio and telephone.
- 1.3.2. Demonstrate or identify the use of interpersonal skills with internal and external customers.
- 1.3.3. Demonstrate and identify the importance of clear and distinct speech.
- 1.3.4. Demonstrate and explain the difference between hearing and active listening.
- 1.3.5. Explain or demonstrate the difference between a fact and an inference.
- 1.3.6. Demonstrate the ability to give and follow instructions.

Lesson Plan Guide: The lesson plan shall include the information below and all items in the Criteria Section.

1. Given a practical and written exercise, demonstrate and explain the difference between hearing and active listening.
 - a. Hearing - part of five senses – the act of perceiving sound by the ear
(understanding what you are hearing (hearing simply happens))
 - b. Active listening – receiving – understanding/analyze value of words –ability to paraphrase/rework/repeat/mirror callers requests/needs
 1. Requires concentration (brain processes the meaning from words and sentences.)
 2. Learned skill - message received (information/knowledge acquired.)
 - a. Acknowledge - ask questions: closed, open and probing
 - b. Decipher the request/emergency/need
 1. Put caller at ease
 2. Understand the meaning and content before replying
 - a. Short periods of silence or pauses (allowing caller or dispatcher to collect themselves, when applicable/appropriate)
 - b. Patience
 - c. Eliminate distractions
 - d. Express compassion and empathy
(when appropriate/applicable)

Performance Outcome 1.4.

Demonstrate dispatcher telephone techniques, call control, and information dissemination.

Training Objectives Related to 1.4.

1. Given a practical exercise, demonstrate telephone techniques including call handling.
2. Given a practical exercise, demonstrate how to manage specialized calls.
3. Given a practical or written exercise, explain the importance of call control and information dissemination.
4. Given a practical or written exercise, describe the call type using the classification process – Emergency, Non-emergency, and Routine (**Note:** Refer to Performance Outcome 2.1.)
5. Given a practical or written exercise, describe how dispatchers communicate with officers by radio or computer to check their status and safety.

Criteria: The trainee shall be tested on the following:

1.4.1. Demonstrate telephone techniques including call handling.

1.4.1.1. Answer incoming calls promptly

1.4.1.2. Speak directly into the mouthpiece

1.4.1.3. Explain holds, pauses, actions and delays

1.4.1.4. Calmly and collectively respond to abusive or difficult caller(s)

1.4.1.4.1. Productive Responses

1.4.1.4.1.1. Project verbally

1.4.1.4.1.2. Control voice level (loudness) and tone (concern, empathy)

1.4.1.4.1.3. Be attentive, control conversation,
set time limits as needed

1.4.1.4.1.4. Problem solve as quickly as possible

1.4.1.4.2. Avoids unproductive responses

1.4.1.4.2.1. Avoids engaging in verbal debates

1.4.1.4.2.2. Avoids being evasive or playing games

1.4.1.4.2.3. Avoids expressing personal thoughts and/or
opinions

1.4.2. Demonstrate and identify how to manage specialized calls.

1.4.2.1. Callers in crisis, panic, or under stress

1.4.2.1.1. Suicidal callers

1.4.2.1.2. Domestic Violence/Intimate Partner Violence

1.4.2.2. Mentally impaired

1.4.2.3. Child or elderly

1.4.2.3.1. Keep questions simple and direct

1.4.2.3.2. Use short step by step directions /instructions

1.4.2.3.3. Check for understanding and completion of
instruction/task

1.4.2.4. Language barrier(s) (e.g. non-English speaker, limited English,
speech impediments, hearing impaired)

1.4.2.4.1. Request interpreter services

1.4.2.4.2. Request caller allow an available third party at
scene assist with relaying information

1.4.2.5. False (e.g. pocket dialing), nuisance calls, or prank

1.4.2.6. Hang up calls, silent call, and open line

1.4.2.7. Cell phone caller: Unable to identify location of call

1.4.2.8. Telecommunication device for the deaf (TDD)/ or hearing/ speech impaired teletype writer (TTY) [and devices used to communicate with the deaf and hard of hearing.](#)

1.4.2.9. Active shooter/assailant/threat incident or incidents.

1.4.2.9.1. Recognize active shooter/assailant/threat incident or incidents

1.4.2.9.2. Obtain and relay immediate and pertinent updates specific to assailant's location

1.4.2.9.3. Identify special clothing or protective gear (e.g. vest, helmet, armor)

1.4.2.9.4. Identify possible bomb (e.g. visible wires, suicide vest, backpack, remote detonator, suspicious packages)

1.4.2.9.5. Instructions to caller

1.4.2.9.5.1. Escape

1.4.2.9.5.2. Avoid

1.4.2.9.5.3. Deny

1.4.2.9.5.4. Defend

1.4.3. Explain the importance of call control and information dissemination:

1.4.3.1. Provide responding units with initial knowledge of the situation.

1.4.3.2. Differentiate emergency calls from non-emergency calls.

1.4.3.3. Establish the order of dispatch and the level of response.

1.4.4. Describe the call type using the classification process- Emergency, Non-emergency, and Routine (**Note:** Refer to Performance Outcome 2.1):

1.4.4.1. Determine the nature of the call.

1.4.4.2. Use basic questioning techniques.

1.4.5. Describe how dispatchers communicate with officers, by radio or computer, to check their status and safety.

Lesson Plan Guide: The lesson plan shall include all items in the Criteria Section.

Performance Outcome 1.5.

Identify call-taking and appropriate dispatching techniques.

Training Objectives Related to 1.5.

1. Given a written exercise identify the four parts of a call.
2. Given a written exercise, identify the steps /process used when receiving and dispatching emergency and non-emergency calls.
3. Given a practical exercise, demonstrate methods to obtain and dispatch calls to include those with descriptive information.
4. Given a practical or written exercise, identify the appropriate techniques for dispatching law enforcement officers during time/life critical incidents (e.g. active shooter, officer mayday, pursuit).
5. Given a practical exercise, demonstrate multi-functional dexterity.

Criteria: The trainee shall be tested on the following:

1.5.1. Identify the four parts of the call:

1.5.1.1. Greeting "911... _____"

[**NOTE:** Agencies that are secondary public safety answering points may modify this greeting. A secondary PSAP is defined as a PSAP to which 911 calls are transferred from a primary PSAP (e.g. Virginia State Police and Virginia Department of Game and Inland Fisheries)].

- 1.5.1.2. Information Gathering: First priority - Identify an address/location of the emergency
- 1.5.1.3. Dispatching
- 1.5.1.4. Closing
- 1.5.2. Identify the steps/process used when receiving and dispatching emergency and non-emergency calls:
 - 1.5.2.1. Initiate queries
 - 1.5.2.1.1. Where
 - 1.5.2.1.2. What
 - 1.5.2.1.3. Weapon/s (used, threatened or are available)
 - 1.5.2.1.4. When
 - 1.5.2.1.5. Who
 - 1.5.2.1.6. How
 - 1.5.2.2. Order of dispatch and level of response (**Note:** Refer to Performance Outcome 2.1)
 - 1.5.2.3. Instructions for caller prior to law enforcement arrival (e.g. unlock door, turn on lights)
 - 1.5.2.4. Relay and document narrative data
 - 1.5.2.5. Relay any new relevant information and update documentation as needed
- 1.5.3. Demonstrate methods to obtain and dispatch descriptive information:

1.5.3.1. Descriptive information – Persons/Suspects

1.5.3.1.1. Ethnicity

1.5.3.1.2. Gender

1.5.3.1.3. Approximate age

1.5.3.1.4. Approximate height/weight/build

1.5.3.1.5. Hair color/facial hair (beard/mustache)

1.5.3.1.6. Eye color/glasses

1.5.3.1.7. Clothing (head to toe and outer to inner description)

1.5.3.2. Descriptive information -- Vehicle (CYMBALS)

1.5.3.2.1. Color (top to bottom)

1.5.3.2.2. Year

1.5.3.2.3. Make/model

1.5.3.2.4. Body style

1.5.3.2.5. Additional information

1.5.3.2.5.1 Unusual markings

1.5.3.2.5.2 Number of occupants

1.5.3.2.5.3. Direction of travel

1.5.3.2.6. License plate number

1.5.3.2.7. State

1.5.4. Identify the appropriate techniques for dispatching law enforcement officers during time/life critical incidents (e.g. active shooter, officer mayday, pursuit).

1.5.4.1. Dispatch consistently and accurately.

1.5.4.2. Receive and disseminate updates and handle other radio traffic.

1.5.4.3. Eliminate nonessential communications.

1.5.4.4. Anticipate responders' needs (e.g. domestic violence call - determine if there is an active protective order).

1.5.4.5. Place the radio channel or talk group on urgent or emergency radio traffic only.

1.5.4.6. Announce an alternate radio channel/s or talk group/s for routine radio traffic

1.5.4.7. Remain focused

1.5.4.8. Release resources and document incidents

1.5.5. Define multi-functional dexterity in the context of dispatching- simultaneously obtaining, processing and deciphering, relaying and documenting information.

1.5.6. Demonstrate multi-functional dexterity in response to multiple incidents occurring simultaneously:

1.5.6.1. Simultaneous performance of two or more tasks by one individual:

1.5.6.1.1. Bomb threats/Improvised Explosive Device (IED)/Weapon of Mass Destruction (WMD)

1.5.6.1.2. Terrorism/terrorists/terrorist attacks

1.5.6.1.3. Chemical, Biological, Radiological, Nuclear, Enhanced Conventional Weapons (CBRNE)

1.5.6.1.4. Mass fatalities

1.5.6.1.5. High risk entry teams

1.5.6.1.6. Human made event(s)

1.5.6.1.7. Natural disaster(s)

1.5.6.1.8. Missing person(s)

1.5.6.1.9. Pursuit(s)

1.5.6.1.10. Active shooter incidents

Lesson Plan Guide: The lesson plan shall include all items in the Criteria Section.

Performance Outcome 1.8.

Informing colleagues and supervisors.

Training Objective Related to 1.8.

1. Given a practical or written exercise, explain the importance of knowing and informing colleagues and supervisors of incidents that could adversely affect operations.

Criteria: The trainee shall be tested on the following:

- 1.8.1. Explain the importance of knowing and informing colleagues and supervisors of incidents that could adversely affect operations:

- 1.8.1.1. High priority/major events

- 1.8.1.2. Information vital to staff, agency, responder and public:

- 1.8.1.2.1. Evacuations

- 1.8.1.2.2. Sheltering in place

- 1.8.1.2.3. Violent weather

- 1.8.1.2.4. Hostage situation(s)

- 1.8.1.2.5. Infrastructure failure(s)

- 1.8.2. News media events

- 1.8.3. Provide updates

- 1.8.4. Brief incoming dispatch personnel with concise and vital information

Lesson Plan Guide: The lesson plan shall include all items in the Criteria Section.

Performance Outcome 1.9.

Identify calls for service related to disaster(s) or potential disaster(s) and various rescue operations.

Training Objectives Related to 1.9.

1. Given a written exercise, identify the role of dispatchers during a disaster(s) or potential disaster(s) and various rescue operations.
2. Given a written exercise, define disaster per § [44-146.16](#) of the *Code of Virginia*.
3. Given a written exercise, identify the functions of the dispatcher as part of the Incident and Unified Command Systems and the National Incident Management System (NIMS).

Criteria: The trainee shall be tested on the following:

- 1.9.1. Identify the role of dispatchers during a disaster(s) or potential disaster(s) and various rescue operations.
- 1.9.2. Define disaster per § [44-146.16](#) of *Code of Virginia*
- 1.9.3. Define the Incident Command System (ICS):
 - 1.9.3.1. Identify the components of ICS
 - 1.9.3.2. Identify the structure of ICS
 - 1.9.3.3. Identify the purpose of Unified Command under ICS
 - 1.9.3.4. Identify the transfer of command by the first responder using ICS
 - 1.9.3.5 Define Unified Command - In the Incident Command System, a Unified Command is an authority structure in which the role of incident commander is shared by two or more individuals, each already having authority in a different responding agency.

1.9.4. Explain the purpose of the National Incident Management System (NIMS):

1.9.5. Identify the Executive Order of the Governor requiring NIMS in Virginia and the presidential directive related to NIMS.

1.9.6. Explain the purpose and function of the Emergency Operations Center.

Lesson Plan Guide: The lesson plan shall include all items in the Criteria Section.

NOTE:

- 1. Complete ICS 700 NIMS Introductory training course and provide certificate of completion to the Training Academy Director.**
- 2. Complete ICS 100 Introductory training course and provide certificate of completion to Training Academy Director.**

Performance Outcome 1.10.

Identify applicable laws, definitions and background information related to terrorism.

Training Objectives Related to 1.10.

1. Given a written exercise, define terrorism according to 18 U.S.C. § 2331 and applicable laws in § [18.2-46.4](#) of the *Code of Virginia*.
2. Given a written or practical exercise, identify the differences between extremist beliefs, terrorist activity, and acts/speech protected by the First Amendment.
3. Given a written or practical exercise, identify the distinctions between an individual acting alone, domestic and international terrorist organizations and their supporters.

Criteria: The trainee shall be tested on the following:

1.10.1. Define terrorism according to 18 U.S.C. § 2331 and applicable laws in § [18.2-46.4](#) *Code of Virginia*.

1.10.2. Identify the difference between extremist beliefs, terrorist activity, and acts/speech protected by the First Amendment.

1.10.3. Identify the distinctions between an individual acting alone, domestic and international terrorist organizations and their supporters:

1.10.3.1. Extreme political groups (Sovereign Citizens)

1.10.3.2. Race-based hate groups (White Supremacist, Black Separatists)

1.10.3.3. Religious-based hate groups (Christian Identity, Westboro Baptist Church)

1.10.3.4. Special interest groups (anti-abortion, animal rights)

1.10.3.5. Foreign Terrorist Organizations (al Qaeda, ISIS, Boko Haram)

1.10.4. Identify the primary objectives of terrorists:

1.10.4.1. Recognition

1.10.4.2. Coercion

1.10.4.3. Intimidation

1.10.4.4. Provocation

1.10.4.5. Insurgency Support

1.10.4.6. Potential targets

Lesson Plan Guide: The lesson plan shall include all items in the Criteria Section.

Dispatcher Judgment

Performance Outcome 2.1.

Identify category assignment and dispatch prioritization.

Note: It is important that dispatchers understand the concept of prioritization and have the ability to readily identify those factors impacting the nature and urgency of the call when determining call priority. This performance outcome is intended to provide dispatchers with a framework for assessing prioritization in the call taking process. This framework shall be utilized when completing practical and written exercises.

Training Objectives Related to 2.1.

1. Given a practical or written exercise, identify three categories of law enforcement response.
2. Given practical or written exercise, identify types of incidents mandating an **emergency law enforcement** response(s).
3. Given practical or written exercise, identify types of incidents requiring a **non-emergency law enforcement** response(s).
4. Given a practical or written exercise, identify types of incidents appropriate for a **routine law enforcement** response(s).
5. Given a practical or written scenario, demonstrate decision-making skills and determine when the initial non-emergency or routine law enforcement response to an incident evolves into an incident requiring an emergency law enforcement response.

Criteria: The trainee shall be tested on the following:

2.1.1. Identify three categories of response:

2.1.1.1. Emergency law enforcement response

2.1.1.2. Non-emergency law enforcement response

2.1.1.3. Routine law enforcement response

2.1.2. Identify three types of incidents mandating an emergency (high priority or urgent) law enforcement response(s):

2.1.2.1. Immediate threat to life (e.g. crime, accident, natural disaster)

2.1.2.2. Criminal act in progress

2.1.2.3. Criminal offense just occurred and/or perpetrator/suspects are still in the area or fleeing the scene

2.1.2.4. Potential violence or imminent danger (e.g. domestic violence)

2.1.2.5. Firearms and other weapons present

2.1.2.6. Potential for violence without police intervention

2.1.2.7. Death Investigations

2.1.3. Identify three types of incidents requiring a non-emergency (e.g. direct or expedient) law-enforcement response(s):

2.1.3.1. Report of crime - no risk to public safety

2.1.3.2. No offense in progress

2.1.3.3. A delay is not likely to result in further injury, loss of property or adversely affect investigation

2.1.3.4. No reason to believe that suspect is on scene or in area

2.1.3.5. Time delay between occurrence of offense and reporting

2.1.3.6. No risk that evidence will be lost if response is delayed

2.1.4. Identify three types of incidents requiring a routine (judicious – exercising sound judgment) law enforcement response(s):

2.1.4.1. No complainant is waiting

2.1.4.2. Minor incidents

2.1.4.3. Delayed investigation or report

2.1.4.4. Follow-up incident

2.1.4.5. Welfare checks:

2.1.4.5.1. Requests from concerned family member or citizen

2.1.4.5.2. Investigation of 911 hang up

2.1.4.6. Citizen complaint/question - Caller referred to the appropriate law enforcement unit/ personnel (e.g. Media inquiries, personnel complaints, administrative inquiries)

2.1.5. Demonstrate decision-making skills and determine when the initial non-emergency or routine law enforcement response to an incident evolves into an incident requiring an emergency law enforcement response.

Lesson Plan Guide: The lesson plan shall include all items in the Criteria Section.

Performance Outcome 2.2.

Provide caller instructions prior to law enforcement arrival and identify responder safety issues.

Training Objectives Related to 2.2.

1. Given a practical or written exercise, provide caller instructions prior to law enforcement arrival based on situation and assessment of risk.

2. Given a practical or written exercise, determine if there is a known safety issue or potential safety issue for responding personnel.
3. Given a practical or written exercise, demonstrate the ability to recognize when information received is appropriate to the situation or appears suspicious.

Criteria: The trainee shall be tested on the following:

2.2.1. Provide caller instructions prior to law enforcement arrival based on the situation and assessment of risk:

2.2.1.1. Determine whether the caller is in a clearly unsafe location (e.g. car on active railroad tracks, armed individual, vehicle crash)

2.2.1.2. Provide caller appropriate instructions (e.g. shelter in place, evacuate structure, If you are able move to a safe location)

2.2.2. Determine if there is a known safety issue or potential safety issue for responding personnel.

2.2.3. Recognize when information received is appropriate to the situation or appears suspicious.

Lesson Plan Guide: The lesson plan shall include all items in the Criteria Section.

Instructor Note: Instructors should inform students they will not always be able to determine if a situation is clearly unsafe based on the information provided by the caller but in instances where it is clear instructions are needed they should be provided.

Legal

Performance Outcome 3.1.

Identify the federal laws and regulations established for dispatch operations and explain the relationship of the law to dispatch operations.

Training Objective Related to 3.1.

1. Given a written exercise identify the relevant federal law, rules and regulations that govern dispatch operations.

Criteria: The trainee shall be tested on the following:

3.1.1. Identify the purpose of the *Communications Act of 1934* relevant to dispatch operations:

3.1.1.1. Identify the role of the Federal Communications Commission (FCC)
47 U.S.C. § 151.

3.1.1.2. Identify exceptions and exclusions 47 U.S.C. § 222 and 47 U.S.C.
§ 227

3.1.1.3. Define the following terms per 47 U.S.C. § 225:

3.1.1.3.1 Telecommunications Device for the Deaf (TDD)

3.1.1.3.2. Telecommunications relay services

3.1.2. Identify the purpose of the Wireless Communications and Public Safety Act of 1999 (911 Act)

3.1.3. Explain the *Americans with Disabilities Act* and how it is applicable to emergency call taking:

3.1.3.1. Explain how the ADA criterion of “equal and direct access” applies to TTY call taking.

3.1.3.2. Explain how ADA regulations apply to the maintenance and back up capabilities of TTYs.

3.1.4. Explain when the *Health Insurance Portability Accountability Act* (HIPAA) is and is not applicable to dispatching:

3.1.4.1 Define covered entities

3.1.4.2 Identify exceptions for covered entities

3.1.5. Identify the purpose of the *Federal Privacy Act* 5 U.S.C. § 552, and the conditions required for disclosure of information.

Lesson Plan Guide: The lesson plan shall include the information below and all items in the Criteria Section.

1. Purpose of the *Communications Act of 1934*

2. Role of the FCC:

a. Exceptions and exclusions

b. Definitions of TDD and telecommunications relay services

3. Purpose of the *Wireless Communications and Public Safety Act of 1999* (911 Act)

4. ADA regulation requires 9-1-1 or other telephone emergency service providers to provide TTY users with the following:

a. Direct access to 9-1-1.

b. Equal access - An opportunity to benefit from the emergency services that is equal to the opportunity afforded others.

5. Direct access means PSAPs can directly receive TTY calls without relying on an outside Relay Service or third party services:

a. ADA requires PSAPs to have the appropriate equipment to

communicate with TTY callers.

- b.** Direct and Equal access requires PSAPs to use proper procedures and practices when receiving TTY calls.
- 6.** Equal access means that the telephone emergency services provided for TTY users areas effective as those provided for persons who make voice calls. Equal access is measured in terms of:
 - a.** Response Time
 - b.** Response Quality
 - c.** Hours of operation
 - d.** All other features offered to voice callers
- 7.** Telecommunication Relay Services (TRS)-Relay Centers are mandated by Title IV of the ADA and allows people who are deaf, hard of hearing, or speech impaired to use the telephone. TRS services are regulated by the FCC.
- 8.** HIPAA:
 - a.** Covered entities
 - b.** Exceptions for covered entities
- 9.** Identify the purpose of the *Federal Privacy Act* 5 U.S.C. § 552, and the conditions required for disclosure of information.

Performance Outcome 3.2.

Identify the state laws (*Code of Virginia*) established for dispatch operations and explain the relationship of the laws to dispatch operations and law enforcement.

Training Objective Related to 3.2.

- 1.** Given a written exercise identify the relevant state laws affecting dispatch operations.

Criteria: The trainee shall be tested on the following:

- 3.2.1. Identify the purpose of the *Virginia Freedom of Information Act* (FOIA) relevant to dispatch operations.
- 3.2.2. Define the terms identified in § [56-484.12](#) of the *Enhanced Public Safety Telephone Services Act*.
- 3.2.3. Define the term Alternative Method of Providing Call Location Information per § [56-484.19](#).
- 3.2.4. Identify the differences between basic, enhanced 9-1-1, and Next Generation 9-1-1 for PSAP and # 77 for State Police telecommunications systems.
- 3.2.5. Define the terms felonies, misdemeanors, and traffic infractions per § [18.2-8](#).
- 3.2.6. Distinguish the difference between criminal offenses, civil violations, ordinance violations and traffic violations.
- 3.2.7. Identify the purpose and use of the Virginia Criminal Information Network (VCIN).
- 3.2.8. Identify the purpose of the *Missing Children's Clearing House Act* (§ 52-3 et. al).
- 3.2.9. Identify the purpose of the *Virginia Privacy Act* § 2.2-3800 et al. *Government Data Collection and Dissemination Practices Act* and the conditions required for disclosure of information.

Lesson Plan Guide: The lesson plan shall include all items in the Criteria Section.

Performance Outcome 3.3.

Prepare for and testify for a deposition and courtroom testimony.

Training Objective Related to 3.3.

1. Given a written scenario or practical exercise, define relevant terms and identify steps a dispatcher should take to prepare to testify for a deposition and in court.

Criteria: The trainee shall be tested on the following:

3.3.1. Given a written exercise define relevant terms:

3.3.1.1. Testimony

3.3.1.2. Perjury

3.3.1.3. Suborning perjury

3.3.2. Given a written or practical exercise, prepare for court testimony and/or deposition.

3.3.3. Given a written or practical exercise, demonstrate the characteristics of testifying professionally in court.

Lesson Plan Guide: The lesson plan shall include the information below and all items in the Criteria Section:

1. Define relevant terms:

a. Testimony: a formal or written statement that involves taking an oath declaring the individual is telling the truth, the whole truth and nothing but the truth.

b. Perjury: per § [18.2-434](#)

1. To lie by commission is to tell an untruth

2. To lie by omission is to leave out information relevant to the truthful presentation of information

Performance Outcome 3.5.

Identify factors relevant to dispatcher and emergency communications agencies liability civil/criminal.

Training Objectives Related to 3.5.

1. Identify the different circumstances dispatchers and emergency communication agencies can be potentially held liable.
2. Define and identify the elements of negligence.
3. Define vicarious liability in an employer-employee relationship.
4. Define legal duty (duty to act/implied duty).

Criteria: The trainee shall be tested on the following:

3.5.1. Identify three different circumstances dispatchers and emergency communication agencies can be potentially held liable:

3.5.1.1. Failure to train

3.5.1.2. Equipment failure

3.5.1.3. Insufficient staffing (e.g. failure to maintain minimum staffing levels)

3.5.1.4. Improperly trained staff

3.5.1.5. Inappropriate and no response to caller

3.5.1.6. Inefficient response to caller

3.5.1.7. Improper, misuse and/or disclosure of confidential information

3.5.1.8. Failure to follow procedure or use of improper or outdated procedures

3.5.1.9. Failure to document and maintain accurate records

3.5.2. Define negligence:

3.5.2.1. Identify the elements of negligence

3.5.2.1.1. Duty

3.5.2.1.2. Breach

3.5.2.1.3. Causation

3.5.2.1.4. Damages

3.5.3. Define vicarious liability in an employer-employee relationship.

3.5.4. Define legal duty (duty to act/implied duty):

3.5.4.1. Appropriate and timely response

Lesson Plan Guide: The lesson plan shall include all items in the Criteria Section and the information below.

1. Identify the different circumstances dispatchers and emergency communication agencies can potentially be held liable. (See Criteria Section)

2. Define and identify the elements of negligence.

a. Negligence – the failure to exercise the standard care that a reasonably prudent person would have exercised in the same situation (*Black's Law Dictionary*).

b. The elements of negligence include:

1. Duty - A duty arises when the law recognizes a relationship between two parties and due to this relationship, one party has a legal obligation to act in a certain manner toward the other:

Relationships: dispatcher and caller, dispatcher and the public, dispatcher and entity (e.g. business) dispatcher and first responders

Dispatcher's basic legal obligation to act: receive 911 calls/emergency communications, relay information to first responders, and initiate the appropriate level of response

2. Breach of duty - A person or entity breaches the duty owed by failing to exercise reasonable care in fulfilling the duty:

Common ways a dispatcher can fail to exercise reasonable care in fulfilling their duties: disregarding a caller's cry for help, failing to respond, failing to relay information to first responders, failing to follow established procedures, failure to initiate the appropriate level of response

3. Causation -

Cause in fact - the dispatcher's actions actually caused the individual's or entities damages.

Proximate cause – the scope of a dispatcher's responsibility in a negligence case. A dispatcher in a negligence case is only responsible for those harms that the dispatcher could have foreseen through his or her actions.

4. Damages -The injured person or entity must have suffered damages. The damages are usually a physical injury, loss of life, or destruction/damage to property.

3. Define vicarious liability in an employer-employee relationship.

a. Vicarious liability –Liability that a supervisory party (such as an employer) bears for the actionable conduct of a subordinate or associate (such as an employee) because of the relationship between the two. (*Black's Law Dictionary*)

1. The employer is responsible for the employee's negligence if the negligent act is committed by the employee while performing an act that is within the scope of the duties, functions, and responsibilities of his or her employment.

4. Define legal duty (duty to act):

a. An obligation arising by contract or by operation of law (*Black's Law Dictionary*)

1. Dispatcher has a duty to act appropriately and within their scope of training (e.g. traffic accident, or domestic violence incident):

a. Call taking/dispatching

b. Record keeping/documentation

Professionalism

Performance Outcome 4.4.

Identify techniques to prevent and manage stress.

Training Objectives Related to 4.4.

1. Given a written exercise, define stress.
2. Given a written exercise, identify two types of stress.
3. Given a written or practical exercise, identify or demonstrate techniques to prevent and manage stress.
4. Given a written or practical exercise, identify or demonstrate habits and behaviors that could increase stress.
5. Given a written exercise, describe stressors unique to public safety professionals.
6. Given a written exercise, define Critical Incident Stress Management (CISM).

Criteria: The trainee shall be tested on the following:

4.4.1. Define stress.

4.4.2. Identify two types of stress:

4.4.2.1. Acute

4.4.2.2. Chronic

4.4.3. Given a practical or written exercise, identify habits and behaviors that could increase stress.

4.4.4. Identify techniques to prevent and manage stress.

4.4.4.1 Avoidance

4.4.4.2 Change the situation

4.4.4.3. Coping mechanisms/behaviors/strategies

4.4.4.4 Acceptance

4.4.5. Describe stressors unique to public safety professionals.

4.4.6. Given a written exercise, define Critical Incident Stress Management (CISM).

Lesson Plan Guide: The lesson plan shall include all items in the Criteria Section.

ON THE JOB TRAINING

In conjunction with completing basic academy training, the dispatcher must review local policies and procedures and competently and accurately perform the tasks/skills identified in the On-The-Job-Training performance outcomes below.

5.1 - 5.100. Equipment Use

5.1. Demonstrate the ability to use and manage a phone system:

5.1.1. Log in and out

5.1.2. Answer phone calls

5.1.3. Make phone calls

5.1.4. Transfer and conference calls

5.1.5. Disconnect calls

5.1.6. Search phone numbers
