Locust Hill, VA 23092
(masking is required)**

Dr. Kent Corso, Psychologist

Dr. Corso, a U.S. Air Force Veteran, has researched, developed, and trained others to implement evidence-based methods of suicide prevention for over two decades.

»» Learning Objectives ««

- Adopt language for suicidality that is respectful and nonjudgmental
- Assist patients with suicidal symptoms in a collaborative empowering way, anchored in their values and priorities
- Assess suicide risk in 10 mins or less
- Discuss with patients, ambivalence and reasons for living
- Collaboratively devise a crisis response plan that may reduce suicide attempts by 76%
- Provide brief interventions to de-activate the suicidal mode
