

GRANT SPECIAL CONDITIONS

Virginia Department of Criminal Justice Services
1100 Bank Street, 12th Floor
Richmond, Virginia 23219

FY22 OVW Improving Criminal Justice Responses (ICJR) to Domestic Violence 2023

Acceptance of this grant award by the subrecipient ("subgrantee") constitutes its agreement that it assumes full responsibility for the management of all aspects of the grant and the activities funded by the grant, including assuring proper fiscal management of and accounting for grant funds; assuring that personnel paid with grant funds are hired, supervised and evaluated in accordance with established employment and personnel policies; and assuring that all terms, conditions and assurances--those submitted with the grant application, and those issued with this award--are complied with.

By signing the Statement of Grant Award/Acceptance, the subgrantee agrees to:

- use the grant funds to carry out the activities described in the grant application, as modified by the terms and conditions attached to this award or by subsequent amendments approved by DCJS;
- adhere to the approved budget contained in this award and amendments made to it in accord with these terms and conditions; and,
- comply with all terms, conditions and assurances either attached to this award or submitted with the grant application.

1. National Environmental Policy Act Compliance

Renovations and construction are unallowable under this grant, and therefore none of the following activities will be conducted under the OVW federal action (i.e., the OVW-funded grant project) or a related third-party action:

1. New construction.
2. Any renovation or remodeling of a property located in an environmentally or historically sensitive area, including property (a) listed on or eligible for listing on the National Register of Historic Places, or (b) located within a 100-year flood plain, a wetland, or habitat for an endangered species.
3. A renovation which will change the basic prior use of a facility or significantly change its size.
4. Research and technology whose anticipated and future application could be expected to have an effect on the environment.
5. Implementation of a program involving the use of chemicals.

In addition, the OVW federal action is neither a phase nor a segment of a project that, when reviewed in its entirety, would not meet the criteria for a categorical exclusion.

Consequently, the subject federal action meets the Office on Violence Against Women's criteria for a categorical exclusion as contained in paragraph 4(b) of Appendix D to Part 61 of Title 28 of the Code of Federal Regulations (adopted by OVW at 28 CFR § 0.122(b)). Also, no further analysis is required under the National Historic Preservation Act or other related statutes and regulations.

2. Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any certifications or assurances submitted by or on behalf of the subgrantee that relate to conduct during the period of performance also is a material requirement of this award.

By signing and accepting this award on behalf of the subgrantee, the authorized subgrantee official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized subgrantee official, all assurances or certifications submitted by or on behalf of the subgrantee that relate to conduct during the period of performance.

Failure to comply with any one or more of these award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or a certification or assurance related to conduct during the award period -- may result in the Office of Violence Against Women (OVW) or the Department of Criminal Justice Services (DCJS) taking appropriate action with respect to the subgrantee and the award. Among other things, the OVW and DCJS may withhold award funds, disallow costs, or suspend or terminate the award. The OVW or DCJS also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

3. Applicability of Part 200 Uniform Requirements and DOJ Financial Guide

The subgrantee agrees to comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements"), and the current edition of the DOJ Grants Financial Guide as posted on the OVW website, including any updated version that may be posted during the period of performance. The subgrantee also agrees that all financial records pertinent to this award, including the general accounting ledger and all supporting documents, are subject to agency review throughout the life of the award, during the close-out process, and for three years after submission of the final Federal Financial Report (SF-425) or as long as the records are retained, whichever is longer, pursuant to 2 C.F.R. 200.334, 200.337.

4. Requirement to report potentially duplicative funding

If the subgrantee currently has other active awards of federal funds, or if the subgrantee receives any other award of federal funds during the period of performance for this award, the subgrantee promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the subgrantee must promptly notify DCJS in writing of the potential duplication, and, if so requested by DCJS, must seek a budget-modification or change-of-project-scope to eliminate any inappropriate duplication of funding.

5. Requirements related to System for Award Management and Universal Identifier Requirements

The subgrantee must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/SAM/>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The subgrantee must maintain a valid Unique Entity Identifier (UEI is used for identifying and keeping track of entities receiving federal funds) assigned by SAM. Subgrantees must be registered in SAM to receive an award and must maintain an active registration for the entire period of the award.

The details of the /subrecipient's obligations related to SAM and to Unique Entity Identifiers (UEI) are posted on the OVW website at <https://www.justice.gov/ovw/award-conditions>

(Award Condition: Requirements related to System for Award Management (SAM) and unique entity identifiers), and are incorporated by reference here.

6. Requirement to report actual or imminent breach of personally identifiable information (PII)

The subgrantee must have written procedures in place to respond in the event of an actual or imminent "breach" (OMB M-17-12) if it -- 1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of "personally identifiable information

(PII)" (as defined in 2 CFR 200.1) within the scope of an OVW grant-funded program or activity, or 2) uses or operates a "Federal information system" (OMB Circular A-130). The subgrantee's breach procedures must include a requirement to report actual or imminent breach of PII to DCJS no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

7. Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OVW authority to terminate award)

The subgrantee at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, sub recipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

The details of the sub recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OVW web site at <https://www.justice.gov/ovw/award-conditions> (Award Condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OVW authority to terminate award)), and are incorporated by reference here.

8. Determinations of suitability to interact with participating minors

This condition applies to this award if it is indicated in the application for the award (as approved by DOJ)(or in the application for any subaward at any tier), the DOJ funding announcement (solicitation), or an associated federal statute - that a purpose of some or all of the activities to be carried out under the award (whether by the recipient or a subrecipient ("subgrantee") at any tier) is to benefit a set of individuals under 18 years of age.

The recipient, and any subrecipient ("subgrantee") at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status. The details of this requirement are posted on the OVW web site at <https://www.justice.gov/ovw/award-conditions> (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

9. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ),

including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears on the OVW website at <https://www.justice.gov/ovw/conference-planning>.

10. OVW Training Guiding Principles

Any training or training materials that the subgrantee develops or delivers with these award funds must adhere to the OVW Training Guiding Principles for Grantees and Subgrantees, available at <https://www.justice.gov/ovw/resources-and-faqs-grantees#Discretionary>.

11. Effect of failure to address audit issues

The subgrantee understands and agrees that DCJS or OVW may withhold award funds, or may impose other related requirements, if (as determined by DCJS or OVW) the subgrantee does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

12. Potential imposition of additional requirements

The subgrantee agrees to comply with any additional requirements that may be imposed by DCJS and/or OVW during the period of performance for this award, if the subgrantee is designated as "high-risk" for purposes of the DCJS/DOJ high-risk grantee list.

13. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 42

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpart E of 28 C.F.R. Part 42 that relate to an equal employment opportunity program.

14. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 38

Among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38 also sets out rules and requirements that pertain to subgrantee organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to subgrantees

15. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 54

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 54, which relates to nondiscrimination on the basis of sex in certain "education programs."

16. Restrictions on "lobbying" and policy development

In general, as a matter of federal law, federal funds may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, in support of the enactment, repeal, modification or adoption of any law, regulation or policy, at any level of government, in order to avoid violation of 18 U.S.C. § 1913. The recipient, or any subrecipient ("subgrantee") may, however, use federal funds to collaborate with and provide information to federal, state, local, tribal and territorial public officials and agencies to develop and implement policies and develop and promote state, local, or tribal legislation or model codes designed to reduce or eliminate domestic violence, dating violence, sexual assault, and stalking (as those terms are defined in 34 U.S.C. § 12291(a)) when such collaboration and provision of information is consistent with the activities otherwise authorized under this grant program.

Another federal law generally prohibits federal funds awarded by OVW from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. § 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OVW for guidance, and may not proceed without the express prior written approval of OVW.

17. Compliance with general appropriations-law restrictions on the use of federal funds for the fiscal year (FY 2021)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, for each fiscal year, are set out at <https://www.justice.gov/ovw/award-conditions> (Award Condition: General appropriations-law restrictions on use of federal funds) and are incorporated by reference here.

Should a question arise as to whether a particular use of federal funds by a subgrantee would or might fall within the scope of an appropriations-law restriction, the subgrantee is to contact DCJS for guidance, and may not proceed without the express prior written approval of DCJS and OVW.

18. Reporting potential fraud, waste, and abuse, and similar misconduct

The recipient, and any subrecipient ("subgrantee") at any tier, must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subgrantee, contractor, subcontractor, or other person has, in connection with funds under this award -- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by:

19. Restrictions and certifications regarding non-disclosure agreements and related matters

No recipient or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the recipient or subrecipient ("subgrantee") --

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

20. Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)

The recipient (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

The recipient (and any subrecipient at any tier) also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the subgrantee is to contact DCJS for guidance.

21. Encouragement of policies to ban text messaging while driving

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages recipients and subrecipients ("subgrantees") to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

22. Requirement to disclose whether recipient/ subrecipient is designated "high risk" by a federal grant-making agency outside of DOJ

If the recipient/ subrecipient is designated "high risk" by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the recipient/subrecipient must disclose that fact and certain related information to OVW by email to OVW.GFMD@usdoj.gov. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's / subrecipients past performance, or other programmatic or financial concerns with the recipient. The recipient's disclosure must include the following:

1. The federal awarding agency that currently designates the recipient/subrecipient high risk,
2. The date the recipient/subrecipient was designated high risk,
3. The high-risk point of contact at that federal awarding agency (name, phone number, and email address), and
4. The reasons for the high-risk status, as set out by the federal awarding agency.

23. Availability of general terms and conditions on OVW website

The subgrantee agrees to follow the applicable set of general terms and conditions that are available at <https://www.justice.gov/ovw/award-conditions>. These do not supersede any specific conditions in this award document.

24. Compliance with statutory and regulatory requirements

The recipient (and any subrecipient ("subgrantee") at any tier) agrees to comply with all relevant statutory and regulatory requirements, which may include, among other relevant authorities, the Violence Against Women Act of 1994, P.L. 103-322, the Violence Against Women Act of 2000, P.L. 106-386, the Violence Against Women and Department of Justice Reauthorization Act of 2005, P.L. 109-162, the Violence Against Women Reauthorization Act of 2013, P.L. 113-4, the Omnibus Crime Control and Safe Streets Act of 1968, 34 U.S.C. §§ 10101 et seq., and OVW's implementing regulations at 28 C.F.R. The subrecipient agrees that it will comply with this provision. The subrecipient also agrees to ensure that any subrecipient at any tier will comply with this provision.

26. Misuse of award funds

The recipient (and any subrecipient (“subgrantee”) at any tier) understands and agrees that misuse of award funds may result in a range of penalties, including suspension of current and future funds, suspension or debarment from federal grants, recoupment of monies provided under an award, and civil and/or criminal penalties.

27. Limitation on the use of funds to approved activities

The subgrantee agrees that grant funds will be used only for the purposes described in the subgrantee's application, unless OVW or DCJS determines that any of these activities are out of scope or unallowable. The subgrantee must not undertake any work or activities that are not described in the subgrantee’s application, award documents, or approved budget, and must not use staff, equipment, or other goods or services paid for with grant funds for such work or activities, without prior written approval, from DCJS.

28. Non-Supplanting requirement

The recipient (and any subrecipient (“subgrantee”) at any tier) agrees that grant funds will be used to supplement, not supplant, non-federal funds that would otherwise be available for the activities under this grant.

29. Confidentiality and information sharing

The recipient and all subrecipients ("subgrantees") at any tier agree to comply with the provisions of 34 U.S.C. § 12291(b)(2), nondisclosure of confidential or private information, which includes creating and maintaining documentation of compliance, such as policies and procedures for release of victim information. The recipient and all subrecipients ("subgrantees") at any tier also agrees to comply with the regulations implementing this provision at 28 CFR 90.4(b) and “Frequently Asked Questions (FAQs) on the VAWA Confidentiality Provision (34U.S.C. § 12291(b)(2))” on the OVW website at <https://www.justice.gov/ovw/resources-and-faqs-grantees> .

30. Activities that compromise victim safety and recovery and undermine offender accountability

The recipient and all subrecipients ("subgrantees") at any tier agree that grant funds will not support activities that compromise victim safety and recovery or undermine offender accountability, such as: procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or sex of their children; procedures or policies that compromise the confidentiality of information and privacy of persons receiving OVW-funded services; procedures or policies that impose requirements on victims in order to receive services (e.g., seek an order of protection, receive counseling, participate in couples' counseling or mediation, report to law enforcement, seek civil or criminal remedies, etc.); procedures or policies that fail to ensure service providers conduct safety planning with victims; project design and budgets that fail to account for the access needs of participants with disabilities and participants who have limited English proficiency or are Deaf or hard of hearing; or any other activities outlined in the solicitation under which the approved application was submitted.

31. Policy for response to workplace-related incidents of sexual misconduct, domestic violence, and dating violence

The recipient, and any subrecipient at any tier, must have a policy, or issue a policy within 270 days of the award date, to address workplace-related incidents of sexual misconduct, domestic violence, and dating violence involving an employee, volunteer, consultant, or contractor. 32. Termination or suspension for cause

The Director of OVW, upon a finding that there (1) has been substantial failure by the recipient (or any subrecipient ("subgrantee") at any tier) to comply with applicable laws, regulations, and/or the terms and conditions of the award or relevant solicitation, (2) has been failure by the recipient to make satisfactory progress toward the goals, objectives, or strategies set forth in the application, or (3) have been project changes proposed or implemented by the recipient/subrecipient to the extent that, if originally submitted, the application would not have been selected for funding, will terminate or suspend until the Director of OVW, is satisfied that there is no longer such failure or changes, all or part of the award, in accordance with the provisions of 28 C.F.R. Part 18, as applicable mutatis mutandis. The federal regulation providing uniform rules for termination of grants and cooperative agreements is 2 C.F.R. 200.340.

33. Subrecipient program income

Program income, as defined by 2 C.F.R. 200.80, means gross income earned by a non-federal entity that is directly generated by a supported activity or earned as a result of the federal award during the period of performance. Without prior approval, program income must be deducted from total allowable costs to determine the net allowable

costs. In order to add program income to a subaward, subgrantees must seek approval from DCJS prior to generating any program income. Any program income added to a subaward must be used to support activities that were approved in the budget and follow the conditions of the subaward agreement. Any program income approved by DCJS must be reported by the subgrantee to DCJS so that it is reported on the quarterly Federal Financial Report (SF-425) in accordance with the addition alternative. If the program income amount changes (increases or decreases) during the project period, DCJS must provide approval by the end of the project period. Failure to comply with these requirements may result in audit findings for both the recipient and the subgrantee.

Project income must be reported on the Subgrantee Financial Report for Project Income provided by DCJS. Instructions for the Project Income form can be downloaded at: <http://www.dcjs.virginia.gov/forms/grants/subgrantProjectIncomeInstructions.doc>. The Project Income form can also be downloaded from the DCJS website at: <http://www.dcjs.virginia.gov/forms/grants/subgrantProjectIncome.xls>. Examples of project income might include service fees; client fees; usage or rental fees; sales of materials; and income received from sale of seized and forfeited assets (cash, personal or real property included).

34. Subrecipient product development

The subrecipient (“subgrantee”) at any tier agrees to ensure that materials and products (written, visual, or sound) developed with OVW formula grant program funding fall within the scope of the grant program and do not compromise victim safety.

35. Publication disclaimer

The subrecipient (“subgrantee”) at any tier agrees that all materials and publications (written, web-based, audio-visual, or any other format) resulting from subaward activities shall contain the following statement: "This project was supported by Subgrant No. _____ awarded by the Virginia Department of Criminal Justice Services for the Office on Violence Against Women, U.S. Department of Justice's. The opinions, findings, conclusions, and recommendations expressed in this publication/ program/ exhibition are those of the author(s) and do not necessarily reflect the views of the state or the U.S. Department of Justice."

36. Copyrighted works

Pursuant to 2 C.F.R. 200.315(b), the recipient/subrecipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. OVW reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work, in whole or in part (including in the creation of derivative works), for federal purposes, and to authorize others to do so.

OVW also reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, in whole or in part (including in the creation of derivative

works), any work developed by a subrecipient (“subgrantee”) of this award, for federal purposes, and to authorize others to do so.

In addition, the recipient (or subgrantee, contractor, or subcontractor of this award at any tier) must obtain advance written approval from the OVW program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

It is the responsibility of the recipient (and of each subgrantee, contractor, or subcontractor as applicable) to ensure that this condition is included in any subaward, contract, or subcontract under this award.

37. Consultant compensation rates

The subrecipient (“subgrantee”) acknowledges that consultants paid with award funds generally may not be paid at a rate in excess of \$81.25 per hour, not to exceed \$650 per day. To exceed this specified maximum rate, subgrantees must submit to DCJS a detailed justification and have such justification approved by DCJS, prior to obligation or expenditure of such funds. Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, subgrantees are required to maintain documentation to support all daily or hourly consultant rates.

38. Required SAM and FAPIIS reporting

The subrecipient (“subgrantee”) must comply with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this OVW award or any other grant, cooperative agreement, or procurement contract from the federal government. Under certain circumstances, recipients of OVW awards are required to report information about such proceedings, through the federal System for Award Management (known as "SAM"), to the designated federal integrity and performance system (currently, "FAPIIS"). The details of subrecipient (“subgrantee”) obligations regarding the required reporting (and updating) of information on certain civil, criminal, and administrative proceedings to FAPIIS within SAM are posted on the OVW website at: <https://www.justice.gov/ovw/award-conditions> (Award Condition: Recipient/subrecipient Integrity and Performance Matters, including Recipient/subrecipient Reporting to FAPIIS), and are incorporated by reference here.

39. Withholding of funds pending determination of compliance with HIV certification

The subgrantee understands and agrees that five percent of its grant funds have been withheld because the subgrantee has not satisfied the requirements of 34 U.S.C. 10461(d) concerning HIV

testing of individuals charged with or convicted of sexual assault.
