

DCJS ARPA Decision Matrix – Higher Education

All higher education police department ARPA allocations followed the same two-factor methodology regardless of if the college or university was public or private.

- 1) The first factor distributed a base allocation of \$15,000 to each police department.
- 2) The second factor added an additional \$3,000 for each sworn law enforcement officer serving a department.

College or University Name	Total Allocation
Blue Ridge Community College Pd	\$ 18,000.00
Bridgewater College Police Department	\$ 36,000.00
