I. Introduction

The Department of Criminal Justice Services (DCJS) administers general funds designated to support Pre-Release and Post-Incarceration Services (PAPIS) programs. Applications for continuation funding for Fiscal Year 2023 are being accepted.

This grant is intended specifically to facilitate case management, reentry planning, transitional housing, treatment, employment readiness, and employment placement for individuals returning to the community. In addition to providing resources for basic needs, programs should incorporate research-informed practices that target individual criminogenic risk factors and needs associated with recidivism.

Pre-release services are intended to prepare individuals for transition from incarceration to the community. Jail pre-release services include assessment, reentry and transition planning, programming, information, and referrals to resources in the community. Programming should focus on both basic needs and criminogenic needs of individuals soon to be released. Pre-release services in state correctional institutions include collaboration with Department of Corrections' staff in developing reentry and transition plans, and connection with providers in the community prior to release.

Post-incarceration services are intended to provide services to individuals that have been recently released from incarceration. These services may include job readiness and employment services, educational groups, treatment groups, and emergency services such as food, clothing, transportation, and shelter. Post-incarceration services may also include risk and recidivism reduction services, such as cognitive-behavioral programming and interventions.

The OGMS link is <https://ogms.dcjs.virginia.gov/index.do>.

DCJS will not consider applications received after the deadline unless there are documented technical issues with the submission in the OGMS system.

V. Amount Available

Applicants may request the same amount for FY2023 as awarded in FY2022; however, DCJS has the discretion to make awards for greater or lesser amounts than requested and to negotiate the scope of work and budget with applicants prior to making an award.

VI. Grant Period

The grant period is for state Fiscal Year 2023 (July 1, 2022–June 30, 2023).

VII. Match Requirement

Unless otherwise indicated in the Appropriations Act, there are no matching funds required for this grant; however, cash and in-kind support must be documented in the itemized budget and the budget narrative.

VIII. Restrictions

Grant recipients may not use these grant funds to:

1. Cover indirect costs.
2. Purchase equipment unless it is a necessary part of, and incidental to, an approved project.
3. Supplant or replace, in whole or in part, federal, state, or local funds already supporting current program services.
4. Cover capital construction, renovation, or remodeling costs.
5. Pay for personal entertainment, personal calls, or alcohol.
6. Duplicate services in geographical areas where services are already established by a PAPIS-funded program.
7. Pay for professional or association membership fees or dues.
8. Exceed 20% of the total grant award for executive and administrative salaries and benefits.

IX. Availability of Continuation Funding

The award of a PAPIS grant does not guarantee funding awards in subsequent years. In addition to the availability of funds, a project's implementation, performance, compliance with reporting requirements, and any special conditions placed on the grant are key factors in determining eligibility for continuation funding.

X. Grant Application Review Process

DCJS will base its review on the quality and thoroughness of the application. DCJS will consider each application based on content, clarity, and strength of the request made for funding. Reviewers may also consider past performance, geographic location, budget justification, cost effectiveness of proposed projects, and the availability of funds.

DCJS reserves the right to change program budgets based on allowable costs, justification of items, and available funding. DCJS has the discretion to make awards for greater or lesser amounts than requested.

In addition to a program's performance, and the availability of funds, a key factor in determining eligibility for continuation funding will be compliance with grant financial and progress reporting requirements. No current recipient of funding through this grant will be considered for continuation funding if, as of the continuation application due date, any of the required Financial or Status Reports for the current grant are more than 30 days overdue. For good cause submitted in writing by the grant recipient, DCJS may waive this provision.

The Grants Committee of the Criminal Justice Services Board (CJSB) will review the request for level funding for each PAPIS agency at the March 3, 2022 meeting. The Grants Committee will then make funding recommendations to the full CJSB. **The CJSB will make conditional grant award decisions, pending grant monitor review and approval of grant applications, at its meeting on March 17, 2022.**

DCJS will issue grant awards based on the conditional approval of the CJSB and final approval of applications by the grant monitor via the new Online Grants Management System (OGMS). Fiscal and programmatic revisions may be required as a condition of funding and negotiated in the OGMS prior to the grant award.
