

2024 Virginia School Survey of Climate and Working Conditions: CLASSROOM INSTRUCTORS VERSION

This is a review copy, not for circulation or use. The actual survey is taken online with formatting for ease of navigation. Questions are grouped around school climate and working conditions topics (in **BOLD CAPS** below). These topic groupings do not appear in the online survey.

To access the online survey, you must enter the unique Access Code for the adult survey which was assigned to your school. Your principal, or your principal's designee, will have this Access Code for you. All classroom instructors and school staff members at the same school will have the same Access Code, so you will not be identified by this Access Code. It is important that you submit **only one completed survey** for each school at which you work. The administrators of this survey are obligated to protect your identity.

What is your Access Code for taking this survey?	

Do you want to take the survey in English or Spanish? Mark one.

- □ English
- □ Spanish

Instructions for classroom instructors and other school staff members:

Any individual employed in Virginia's public schools may take this survey, including:

- 1. Classroom instructors (teachers and teacher's aides and assistants) who interact with students in classroom settings.
- 2. School staff members who interact with or support students outside of the classroom setting.

All classroom instructors (including substitutes) and school staff members are asked to complete the survey regardless of the grade level of the students with whom they teach or interact. The purpose of the survey is to help schools create and maintain safe and supportive working environments for education professionals in Virginia's public schools.

Your individual answers to the survey are anonymous, which means that no one will know how you answered. It is important that you submit only **one completed survey** for each school at which you work.

Some of the questions differ for classroom instructors and school staff members. The survey should take about 20-25 minutes to complete.

Use the Next and Previous buttons at the bottom of the screen to go to the next or previous page.
