Welcome & Remarks

The meeting started at 10:32 a.m., with a quorum present.

Approve Minutes from February 2018 Meeting

Yolanda Thompson presented the February 20, 2018 minutes for approval. A request was made to correct the spelling of one of the member's name. Jennifer Bourne made a motion to approve the minutes. The motion was seconded by Kandy Freeman and approved.

Vote on Introduction and Value Statement

Ms. Thompson presented the accreditation standard's Introduction and Value Statement for approval. The committee made minor wording and grammar changes. Caroline Jones made a motion to approve the Introduction and Value Statement. The motion was seconded by Jennifer Bourne and approved.

Review and Draft Performance Measures

The committee reviewed sample measures from the Action Alliance and Washington State. The committee discussed which measures from the Action Alliance and Washington State would fit under each of the standards. Ms. Thompson had the committee focus on measures for the standards under the Administration section.

After much discussion, in order to promote a more organic approach to the measures, members were given homework to assign measures they think would best fit under each standard. This result will be shared at the April meeting. Additionally, the committee decided to table a discussion about picking a format for the standards and measures until the next meeting.

Onboarding Checklist for New Members

The Professional Standards Coordinator presented the sample onboarding checklist for new committee members for the committee's review. The committee added another point to the checklist regarding the chair and co-chair being informed of the new member, the code and vision/purpose/value statement to the new member's onboarding packet, and a brief summary of the two codes that allow for electronic participation prior to the table showing the differences between the two codes. The committee discussed developing member role descriptions in the future since their roles will be evolving as they move towards implementing the standards. With the additions and grammar changes, Caroline Jones made a motion to approve the onboarding checklist. The motion was seconded by Jennifer Bourne and approved.

Closing Remarks

Ms. Thompson adjourned the meeting at 2pm due to inclement weather warnings.

Actions before next meeting

The Professional Standards Coordinator will create a document with the standards and the measures the committee selected from the Action Alliance and Washington State samples underneath each standard. The Committee members will present homework results at the next meeting.
