Dear STOP School Violence Grantee,

The Bureau of Justice Assistance (BJA) has recently reviewed the implementation timeline for FY 2018 STOP School Violence Program grant awards and has considered several factors that may have impacted or delayed implementation across a significant number of grants. Due to these factors, BJA plans to take administrative action to extend each grant's project period by 12 months. There is no action necessary on your part as this no-cost extension will be processed on your behalf.

If your agency would like to accept this administrative action, please confirm that in writing by responding to this e-mail asap so that we may begin the process. If you would like to decline this administrative action, please reply to this email to officially decline and reference your grant award number **by August 12, 2019.**

Sincerely,

*Tamaro White*
