Final Thoughts

	2. What did you like most about the training?
	Instructor was very knowledgeable and passionate
	Realistic dangers that could occur
	Threat assessment procedures and case example
	high interest engaging speaker, well spoken, knowledgeable
	Material provided in helping Threat Assessment
	Excellent instructor!!
	handouts
	Practicals
	Stories, relatable information
	The need for practice by threat assessment team if there hasn't been many events to address
	Excellent instructor - knowledgeable, passionate, engaging (realistic to real world and roles that staff take on outside of threat assessment team)
	Presentation delivery, excellent speaker
	Specific case information
	Group exercises and working with people from other places
	Role playing, help to better understand gathering info to assist in assessing situation
	Speaker was knowledgeable (extremely), engaging and credible (experience)
	Experience/expertise of presenter
	Group work
	Practical information
	The instructor kept the training engaging. He is a very good teacher and speaker.
	It was very engaging and educational
	The facilitator experiences helped me to understand better.
	Knowledge and experience level of instructor
	Speaker sharing his experiences were educational
	Presenter kept me engaged
	Instructor's knowledge base and ability to relate to all the specialties within the class
	Group exercise

	Realistic life examples
	The speaker and his knowledge
	Personal stories and knowledge Great understanding of the issues and school
	Gene was informative and engaging. Great presentation style, so much good information!
	Excellent information and trainer was knowledgeable and engaging. Great experience.
	The presenter is excellent, great speaker, brilliant, and great sense of humor
	Knowledge of trainer
	Very informative and explained with real world examples and applications

	3. What do you think needs to be changed or added?
	Great training
	nothing
	More of it
	Time for sharing local experiences, without divulging confidential information
	additional training focusing specifically on training staff of threat protocol
	Nothing. Great for professional development in education/teachers
	Made mandatory for all school administrators
	More group work
	More case studies
	I wish we had more time to review/practice cases
	More examples on how to handle different situations.
	Working lunch - Release earlier to maintain focus and/or break into a 2 day training. Would like to work with TAT from county on all this
	2 days would be better:)

4. Please share any final thoughts on this training session and/or facilitator.	
	Good training
	Great training. Thanks.
	Would highly recommend this class to others in law enforcement/education
	all good
	Excellent instructor
	very helpful and insightful
	excellent information, skills and knowledge provided for daily use in my role
	Felt like it was geared/made for school administration not LE. But good to see the process of what schools go through while determining threats
	Great
	Great class, Great information
	Excellent resources - Up to date research/info, very applicable material
	facilitator was one of the best speakers I have heard in my 27 years
	Thank you!
	Gene does a fantastic job.
	Truly wonderful. Thank you!
	Learned a lot - great class
	Want this in my area!
	Would like to see this, give some of the case studies for PD at school - To train more in certain areas - a lot just to create awareness, etc. Have us bring cases we had to review to see what we did and did not do - Help us improve.
	I am new on the TAT. I had no clue what it was about. I am soo thankful for this session today!!
	Very professional and helpful Kept my attention and increased my knowledge greatly. Helped initiate our school to review our TAT and make changes.
	Thank you so much!
	Facilitator was one of best I have seen in my 19 years in education
	Thank you for what you do!
	Very helpful and beneficial to my continued education as an administrator
