Yes

**2. The pace of the training was good.**

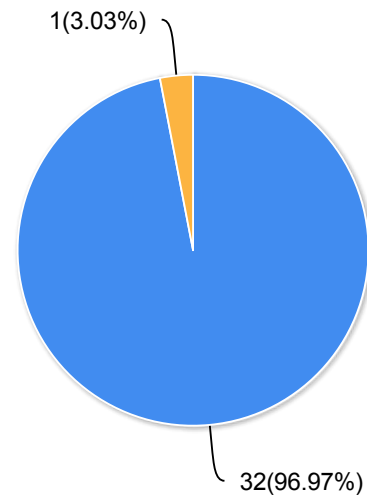

■ Yes ■ No

## Session length was appropriate for training objectives

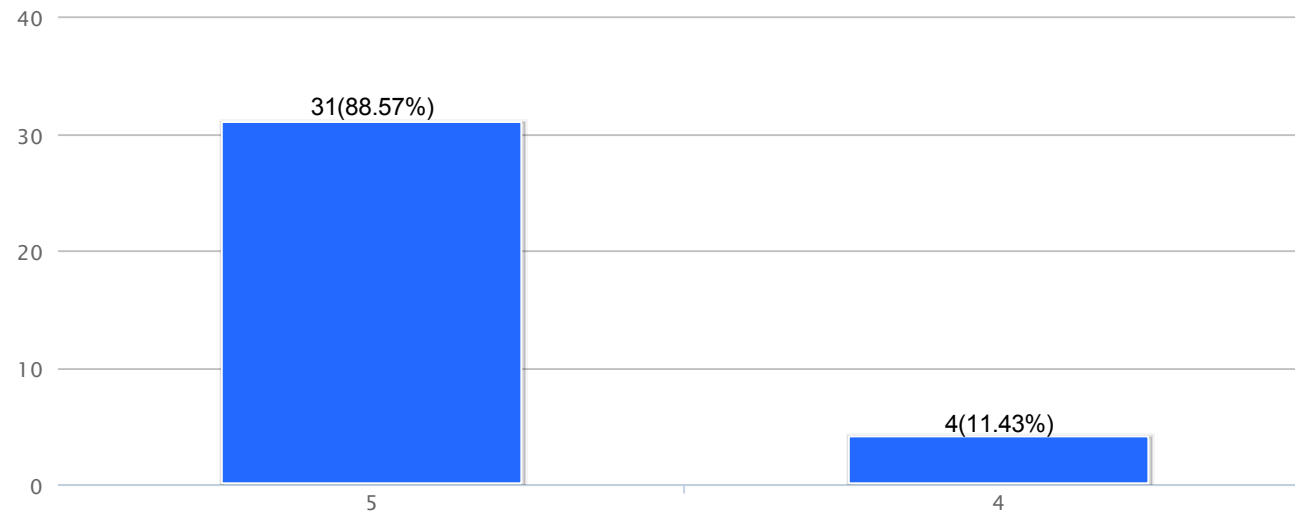

Yes

#### 4. Role-plays/simulations were helpful for learning the...nt

## Final Thoughts

	2. What did you like most about the training?
	Speaker was great. Experience. Engaging. Knowledgeable.
	pace, presenters knowledge, delivery
	Dr. Deisinger is so very knowledgeable. I appreciated his insight in the breadth of knowledge he has.
	The exercise - going through a threat assessment. (Not on a TAT, but on a Crisis Team)
	Relation to life/real experiences
	All the info was necessary, relevant, helpful, clear & presented in an interesting manner.
	The instructor was great because of his experience with a lot of situations
	access to updated information
	-specific examples helped add clarification -Dr. Deisinger is very knowledgeable and engaging
	I appreciated the lecture and the insights of the subject matter expert
	Love it all - so much information
	The debrief of the role-play
	examples, thorough explanations
	The pace was great! I'd love to have the opportunity for more case studies.
	Excellently organized, engaging, and applicable. The facilitator's approach was amazingly well-tailored for content.
	Knowledgeable speaker. Good examples, engaging.
	Personal stories to explain content.
	personal experiences & the case study
	Everything
	Facilitator is interesting and compelling
	case studies Dr. Deisinger's energy and experience
	stats about violence/history of threat assessment practice w/ case study in small groups
	clear examples good handouts
	Relating material to real-life situations
	engaging presenter, great information
	Dr. D was passionate about the subject and his enthusiasm kept everyone engaged. Great training!
	His personal experience

	A lot of my questions were answered. I have a better understanding of what constitutes threat assessments.
	Content, format and facilitator
	actual examples
	It was new and interesting to me
	The presenter/his knowledge and ability to relate to the audience.

3. What do you think needs to be changed or added?	
	More guidance on documentation
	It's a long day, I appreciated the breaks. Copies of information that is maybe slightly more detailed.
	Smaller group sizes on actual threat assessment practice
	Nothing!
	Everything was great
	After the case study, the presenter walked through a series of questions, it would be good to have access to that set of guiding questions
	more examples of scenarios w/ guided discussion is helpful
	No recommendations to what needs to change.
	nothing
	Pace was a little fast, but interesting
	More case studies
	I think more time may be needed.
	slow moving, work in how to's and more about conducting threat assessments throughout the day or earlier in the day
	more specific examples throughout & more time for case study
	This would be an awesome 2 day training
	Nothing
	more time
	I wish we had more time...so much to cover!
	make slides match the packet completely please
	-smaller case study groups -possibly longer training (a lot of material to cover)
	school administrators should be required to attend this
	N/A
	great
	Time to review forms and other resources (at least a few minutes)
	Threat Assessment for Elementary
	more simulation exercises - Helped me understand how to work through the process
	N/A
	Suggest that signage be up on site to help attendees.

4. Please share any final thoughts on this training session and/or facilitator.	
	This was great. Exceeded my expectations. Glad I came.
	I would love more specific trainings and some that might not conflict w/ start of school.
	It was great, useful and interesting
	I really appreciated this training & wish I had it before the school year started! Thank you!
	more signage for location of classroom and building
	Has there ever been any thought given to developing a training focused on the case management piece?
	I appreciate your time and effort in providing the information regarding this critical subject matter.
	great facilitator
	Great job, thank you!!
	Best training I have attended.
	Nice job! Very informative!
	This is valuable information for students training to work in the education field. Thank you!
	Great job!
	Great
	excellent
	Thank you! This was an excellent training!
	Very interesting speaker with lots of good info
	This was helpful, thank you!
	Very informative...excited to share with staff!
	Thank you!
	great
	It was difficult to find the building the training was offered in. Better signage or a map would have been great.
	Thank you for sharing your expertise!
	What about educating the students?
	Instructor was very knowledgeable and interesting. He definitely kept the group involved.
