Major Webb,

It was nice to meet you on Monday! Since we did not get a chance to speak with the two dispatchers who are under the VSTOP grant, would we be able to set up a call with each of the dispatchers?

From Dione's records, she has noted the dispatchers are Shelby Bush and Dawn Thompsen. Please let me know if the dispatchers have changed and, in that case, you would need to submit a Program Update form regarding the change.

Lastly, in order to close out the site visit, we will need all special conditions and outstanding progress reports submitted.

Please let me know if you have any questions or concerns.

Best,

Major Web has not responded to my e-mail from two weeks ago about scheduling phone interviews with the dispatchers. I called him and left a message on Friday afternoon to follow-up. I'm going to give him until this Friday to respond to my voicemail. If I do not hear from him by the COB on Friday, what else can/should I do?

Hi Courtney,

I've been meaning to follow-up with you about Lancaster. I need to follow-up with Mark Fero also. Please Major Webb know that to avoid having findings on the site visit report, we need him to submit the requested information. Let's see if

that works?

Dione,

Just to update you, I have not received a call back from Major Webb since I left a voicemail last Thursday afternoon. Have you heard from Mark Fero?
