The last date of a participant for the training was Dec. 4, 2021. I'm working on getting the date the books were received.

Please explain what "registration date" means? Registration date for the training-if so there would be several different dates for every participant.

Please advise,
Leslie

Good morning Leslie,

When were the books received? Also, the registration date is required. This information is required in our Cardinal System.

Thank you,

Hi Connie,

Leslie and I touched base on the best way to proceed given the limited available funds. Please pay the DBHDS bill and we will wait for additional funds to be released to pay Mt. Rogers.

Thank you,
Jen

Hi Leslie,

I looked on the ASAP website and it looks like they have released another \$9,000+ of the COAP funds. We can pay this bill, but we still cannot pay the Mt Rogers request for funds. Do you all want us to go ahead and pay DBHDS since we now have enough to cover it and just keep working on the Mt Roger's issue. (Mt Rogers bill is still too large to pay from what we have available.)

Just let us know.

Thanks,
Connie
