Funding supports the salary and travel related expenses for the two staff members responsible for assuring Virginia's compliance with the core requirements of the JJDP Act. Virginia, through DCJS, is required to make annual reports to the Administrator of Office of Juvenile Justice and Delinquency Prevention on the results of our monitoring efforts. Due to significant reductions in funding awarded to Virginia under this program, we no longer have sufficient funds to support all the necessary staff. Shifting the compliance monitoring from the administrative portion of the grant to grant funds enables Virginia to continue to comply with the JJDP Act and its administrative requirements.
