Haven of the Dan River Region, Inc., serves primary and secondary victims of domestic violence &/or sexual assault, throughout the City of Danville and Pittsylvania County. Increase funding will enable the establishment of a crisis/emergency response team (CERT) to be created simultaneously with the development of Centra Health's establishment of a forensic program in Pittsylvania County, Gretna VA. In addition to 24/7 CERT response, increase funding will enable us to hire, train & equip staff in order that our outreach and direct services can be directed to the outer corners of our county, to our most vulnerable. We conservatively anticipate doubling our direct services in our first year and increasing by one-third the second funding year. In addition, an increase in funding will permit a licensed counselor to provide immediate and ongoing direct services to all clients, provide cultural, alternative healing practices to include trauma informed yoga, meditative practices, sound and art therapy, as well as a youth theatre peer-to-peer troupe, services that create bridges to healing, and relationship of trust of self and others.
