The project will provide trauma-informed, trained peer recovery support to crime victims in recovery from mental trauma. Improving resiliency skills in this underserved population will improve daily functioning and help decrease re-victimization and repeat hospitalization. Victims who are no longer in a crisis stage will receive strength-focused peer recovery support in 3 day retreat type settings offered 5 times in different parts of the state each year. Certified Peer Recovery Specialists will co-facilitate the 24 hour curriculum for a group of 10 participants each time. A Project Coordinator will conduct extensive outreach to mental health and victims service providers about the service. The agency will provide ongoing support.
