

## Check Application Status

- 1) Click on the Check Application Status Link
- 2) Enter your Social Security Number, DAD Number, Individual or Business DCJS ID Number, or School ID Number with or without dashes.

The screenshot shows the top of the DCJS website with the logo and tagline. Below the header, the page title is "Application Status". A welcome message states: "Welcome to the DCJS Security Services Application Status page. You may use this system to check on the status of applications submitted within the last 12 months." There is a text input field containing "254173006" with the label "SSN, DAD#, Individual DCJS ID#, Business DCJS ID#, or School DCJS ID #". Below the input field are two buttons: "Get Status" and "Reset".

- 3) Click Get Status
- 4) The results will display your Status and Outstanding Requirements if applicable.

The screenshot shows the results page of the DCJS website. The header is the same as the previous screenshot. The page title is "Online Application Status". The results are displayed for ID number "254173006". The name is "Robert Mason" and the DCJS ID# is "99-554146". The license type is "Private Security Service Registration (Individual)" and the status is "Active". The date received is "08/23/2018". The categories are "Alarm Respondent" and "Unarmed Security Officer/Courier". There is a section for "Outstanding Requirements" which is currently empty. At the bottom of the page is a "New Search" button.

5) Click [here](#) to check your application status now.
