Forfeited Asset Sharing Program Annual Report FY2019

EXECUTIVE SUMMARY

Effective July 1, 2018, *Code of Virginia* §19.2-386.14 requires the Virginia Department of Criminal Justice Services (DCJS) to collect additional information from local law enforcement agencies participating in the Forfeited Asset Sharing Program. This additional information includes: (i) the offense on which the forfeiture is based listed in the information filed pursuant to § 19.2-386.1, (ii) any criminal charge brought against the owner of the forfeited asset, and (iii) if a criminal charge was brought against the owner of the forfeited asset, the status of the charge, including whether the charge is pending or resulted in a conviction. In order to collect this additional information, the DCJS Computer Services section conceived and implemented a new database to collect the required criminal charge and criminal charge status information for every asset forfeited. In addition, at the time the seizure is reported, agencies now report the basis for the seizure(s). This information is included in the following report and appendices.

FY2019 ASSET FORFEITURE (AF) CHARGE ANALYSIS¹

Agency Participation:

- 234 law enforcement agencies (LEAs) and 33 different task forces (TF) participated in the AF program, for a total of 267 participants that were potential seizing agencies.
- 130 (49%) of participants reported forfeited assets.
- An additional 117 Commonwealth's Attorney's Offices (CA) and the Virginia Criminal Justice Foundation were certified in the program for a total of 385 Virginia agencies that participated in the program in FY2019.

FY2019 Asset Forfeiture Criminal Charge Distribution by Participant Type²

Statewide distribution of forfeited assets with at least one charge versus no charge

Agency type	Number				Percent of AF	
	Participants in program	Assets forfeited (AF)	AF with criminal charge(s)	AF with no criminal charge(s)	With criminal charge(s)	With no criminal charges
Law enforcement agencies	234	1,263	1,138	125	90%	10%
Task forces	33	180	154	26	86%	14%
Total	267	1,443	1,292	151	90%	10%

¹ Data analysis prepared by Virginia Department of Criminal Justice Services Research Center, November 2019.

² The Research Center examined criminal charge detail and summary records of forfeited assets seized by Virginia law enforcement agencies (including task forces) that were processed by DCJS during FY2019. These records show, by seizing agency, all criminal charges (if any) brought against the owner of each forfeited asset and the charge status at the time the forfeited asset was processed by DCJS. From these records, statistics were generated describing the distribution of forfeited assets associated with at least one criminal charge versus those assets without an associated criminal charge.

90% of forfeited assets were associated with at least one criminal charge, and 10% were not.

Disposition of Charges Against Forfeited Assets

Disposition	Number of charges	Percent of total
Conviction	803	62%
Pending	348	27%
Other	141	11%
Total	1,292	100%

62% of charges against forfeited assets resulted in a conviction, and for 27% the disposition is pending. 11% of charges resulted in another type of disposition, such as dismissal.

Regional Asset Forfeiture Charge Distribution Using Virginia State Police Division Boundaries³

VSP Division	Number			Percent of AF	
	Assets forfeited (AF)	AF with criminal charge(s)	AF with no criminal charges	With criminal charge(s)	With no criminal charges
1. Richmond	321	272	49	85%	15%
2. Culpeper	170	153	17	90%	10%
3. Appomattox	132	125	7	95%	5%
4. Wytheville	113	105	8	93%	7%
5. Chesapeake	281	255	26	91%	9%
6. Salem	223	186	37	83%	17%
7. Fairfax	203	196	7	97%	3%
Total	1,443	1,292	151	90%	10%

Assets seized within the geographic boundaries of Virginia State Police Divisions 1 (Richmond) and 6 (Salem) each had a lower share of forfeited assets with criminal charges (85% and 83%, respectively) than the statewide share (90%).

³ These distributions were produced for all forfeited assets statewide, and then for all forfeited assets by the region of the state where the asset was seized (region-level statistics are useful because they highlight differences that may exist in different parts of Virginia, differences that may be hidden when looking at the state as a whole). The geographic boundaries defined by the seven Virginia State Police divisions were used for the regional analysis. Each asset seized by a local law enforcement agency was assigned to a specific region based on the geographic location of the seizing agency, and assets seized by a task force were assigned to the geographic region served by the task force.

REPORT EXPLANATIONS

I. Report to the Governor and the General Assembly with Criminal Charge Summary Report and Appendix A – Criminal Charge Details Report: State Asset Forfeitures

Both reports enumerate criminal charge information as related to forfeited assets as required by *Code* §19.2-386.14.

In reference to state asset forfeitures included on the reports:

- The Forfeited Asset Sharing Program only accepts proceeds from forfeited assets seized in relation to illegal distribution of drugs.
- Only assets reported on a Form 999 to DCJS and processed by DCJS during FY2019 as a forfeiture are included on the reports.
- The reports do not include assets that were not forfeited.
- This information was collected at the time the civil forfeiture was reported to and processed by DCJS and not at the time the criminal case was closed.
- Agencies were not required to update the criminal charges when the criminal cases were complete.
- Agencies that participated in a case but that were not the seizing agency (the agency which initiated the seizure or that retains possession of the seized property) would not show as having a forfeited asset on these reports. Participating agencies still receive disbursements.
- Commonwealth's Attorney's Offices would never be a seizing agency, and are not included in the criminal charge information.
- Federal criminal charges may have been brought for some assets forfeited through a civil forfeiture order by the state courts.

II. Report to the Governor and the General Assembly with Criminal Charge Summary Report

This high-level report includes the total funds DCJS disbursed to each agency, the agency-reported State Literary Fund distributions received, and the agency-reported Federal Equitable Sharing Program distributions received. In addition, the report includes the total assets forfeited during FY2019 for each agency when they were the seizing agency.

1. Criminal Charge Information was collected at the time the civil forfeiture was reported to DCJS and not at the time the criminal case was closed. The report lists the total number per agency of the following:
 - Criminal Charges: Indicates if there was at least one criminal charge associated with the case involving the forfeited asset.
 - Convictions: Indicates if there was at least one conviction from a criminal charge associated with the forfeited asset. This column includes convictions on amended charges.
 - Pending: Indicates how many of the criminal charges are pending at the time of forfeiture.
 - No Criminal Charges: Indicates that the agency brought no criminal charges related to the seizure and forfeiture of the asset.

Example: Anytown PD seizes \$13,000 from defendant 1 and a vehicle from defendant 2 as part of a distribution of drugs investigation in 2017. Both assets are reported on one 998 to DCJS and assigned a case number. During FY2019, the money is forfeited through a civil asset forfeiture procedure. Defendant 1 is also convicted criminally of possession with intent to distribute cocaine and DUI. Defendant 2 is a fugitive and has not received notice of the seizure nor shown up for the criminal case of PWID. That asset would not show as forfeited on the reports.

2. Legend for Report to the Governor and the General Assembly

- * Report not submitted by 11/27/2019. Reports were due October 31, 2019
- ^ New agency for FY2020
- # Leaving program FY2020
- + Task Force does not receive asset forfeiture funds; no report required

III. Appendix A – Criminal Charge Details Report: State Asset Forfeitures

This report indicates *all* the criminal charges brought in cases related to assets forfeited in Virginia courts.

- There may be multiple charges associated with a single asset. All charges are listed.
- Charges are self-reported by the seizing law enforcement agency. DCJS staff has endeavored to ensure that the charges are as complete and accurate as possible.
- While the Forfeited Asset Sharing Program only accepts assets seized in relation to illegal distribution of drugs, defendants may have been charged with other criminal deeds as well. All charges are listed as required by *Code*.
- Criminal charges were considered any charge connected to the case with jail time as a consequence (Class 1 and 2 misdemeanors, all felonies, no traffic infractions).
- Basis for seizure: The authority to seize assets under the Forfeited Asset Sharing Program stems from §19.2-386.22. This *Code* section includes three bases for forfeitures: §18.2-248, §18.2-248.1, and §18.2-474.1.
 - General *Code* sections were used prior to FY2019 such as §19.2-386. The basis for the seizure information was not collected until FY2019.
 - The first two numbers of the DCJS case number indicates the fiscal year of the seizure.
- Task Force list: some task forces do not enter as a seizing agency, but allow the individual agency in the jurisdiction the asset was seized to enter the case.
- DCJS case number is repetitive for each charge. So while there may be six lines for a case with the same defendant but different *Code* sections, that may be only one asset forfeited. This would count as only one forfeited asset on the Report to the Governor.

IV. Appendix B – Criminal Charges: Federal Asset Forfeitures

This report indicates criminal charges self-reported by participating agencies receiving federal forfeiture funds and was compiled by DCJS staff.

- Agencies that did not submit criminal charge information are indicated on the report.
- Numerous agencies reported problems with obtaining criminal charge information. Agencies were asked to document their attempts in the Notes column.
